Riding The Black Ship Japan And Tokyo Disneyland:

Riding the Black Ship Aviad E. Raz,1999 In 1996 over 16 million people visited Tokyo Disneyland making it the most popular of the many theme parks in Japan Since it opened in 1983 Tokyo Disneyland has been analyzed mainly as an example of the globalization of the American leisure industry and its organizational culture particularly the company manual By looking at how Tokyo Disneyland is experienced by employees management and visitors Aviad Raz shows that it is much more an example of successful importation adaptation and domestication and that it has succeeded precisely because it has become Japanese even while marketing itself as foreign Rather than being an agent of Americanization Tokyo Disneyland is a simulated America showcased by and for the Japanese It is an America with a Japanese meaning Riding the Black Ship Aviad E. Michael Schiltz,2020-03-17 Money and finance have been among the most potent tools of colonial power This study investigates the Japanese experiment with financial imperialism or yen diplomacy at several key moments between the acquisition of Taiwan in 1895 and the outbreak of the Sino Japanese War in 1937 Through authoritarian monetary reforms and lending schemes government officials and financial middlemen served as money doctors who steered capital and expertise to Japanese official and semi official colonies in Taiwan Korea China and Manchuria Michael Schiltz points to the paradox of acute capital shortages within the Japan s domestic economy and aggressive capital exports to its colonial possessions as the inevitable but ultimately disastrous outcome of the Japanese government s goal to exercise macroeconomic control over greater East Asia and establish a self sufficient yen bloc Through their efforts to implement their

policies and contribute to the expansion of the Japanese empire the money doctors brought to the colonies a series of banking institutions and a corollary capitalist ethos which would all have a formidable impact on the development of the receiving countries eventually affecting their geopolitical position in the postcolonial world

The United Nations in Japan's Foreign and Security Policymaking, 1945-1992 Liang Pan, 2020-03-17 In the mid 1950s as part of Tokyo's goal of reinstating Japan as a full member of the international community Japan sought and gained admittance to the United Nations Since then it has been a proactive member and a generous financial contributor to the organization This study focuses on postwar Japan's foreign policy making in the political and security areas the core UN missions It analyzes these two policy arenas from three perspectives international political structure domestic political organization and the psychology of policymakers The intent is to illustrate how policy goals forged by national security concerns domestic politics and psychological needs gave shape to Japan's complicated and sometimes incongruous policy toward the UN since World War II In contrast to the usual emphasis on the role of the foreign policy bureaucracy however the author argues that we must view the bureaucracy as functioning within a larger framework of party politics and interactions among government agencies political parties and other actors associated with these parties The last part of the book addresses the psychological aspect of Japan's UN policymaking in an effort to elucidate the role of national prestige in generating Japanese policy toward the UN

The Golden Age of the U.S.-China-Japan Triangle, 1972-1989 Ezra F. Vogel, Ming Yuan, Akihiko Tanaka, 2020-03-23 A collaborative effort by scholars from the United States China and Japan this volume focuses on the period 1972-1989 during which all three countries brought together by a shared geopolitical strategy established mutual relations with one another despite differences in their histories values and perceptions of their own national interest Although each initially conceived of its political and security

relations with the others in bilateral terms the three in fact came to form an economic and political triangle during the 1970s and 1980s But this triangle is a strange one whose dynamics are constantly changing Its corners the three countries and its sides the three bilateral relationships are unequal while its overall nature the capacity of the three to work together has varied considerably as the economic and strategic positions of the three have changed and post Cold War tensions and uncertainties have emerged *The Routledge Handbook of Tourism Research* Cathy H.C. Hsu, William C Gartner, 2012-08-21

Modern Japanese Literature Stephen Dodd, 2020-03-17 This book examines the development of Japanese literature depicting the native place furusato from the mid Meiji period through the late 1930s as a way of articulating the uprootedness and sense of loss many experienced as Japan modernized The 1890s witnessed the appearance of fictional works describing a city dweller who returns to his native place where he reflects on the evils of urban life and the idyllic past of his childhood home The book concentrates on four authors who typify this trend Kunikida Doppo Shimazaki T son Sat Haruo and Shiga Naoya All four writers may be understood as trying to make sense of contemporary Japan Their works reflect their engagement with the social intellectual economic and technological discourses that created a network of shared experience among people of a similar age This common experience allows the author to chart how these writers works contributed to the general debate over Japanese national identity in this period By exploring the links between furusato

literature and the theme of national identity he shows that the debate over a common language that might transparently express the modern experience helped shape a variety of literary forms used to present the native place as a distinctly Japanese experience

Detective Fiction and the Rise of the Japanese Novel, 1880-1930 Satoru Saito, 2020-03-17 In Detective Fiction and the Rise of the Japanese Novel Satoru Saito sheds light on the deep structural and conceptual similarities between detective fiction and the novel in prewar Japan Arguing that the interactions between the two genres were not marginal occurrences but instead critical moments of literary engagement Saito demonstrates how detective fiction provided Japanese authors with the necessary frameworks through which to examine and critique the nature and implications of Japan's literary formations and its modernizing society Through a series of close readings of literary texts by canonical writers of Japanese literature and detective fiction including Tsubouchi Shoyo Natsume Soseki Shimazaki Toson Sato Haruo Kuroiwa Ruiko and Edogawa Ranpo Saito explores how the detective story functioned to mediate the tenuous relationships between literature and society as well as between subject and authority that made literary texts significant as political acts By foregrounding the often implicit and contradictory strategies of literary texts choice of narrative forms symbolic mappings and intertextual evocations among others this study examines in detail the intricate interactions between detective fiction and the novel that shaped the development of modern Japanese literature

Embracing Differences Iris-Aya Laemmerhirt, 2014-03-15 The omnipresence and popularity of American consumer products in Japan have triggered an avalanche of writing shedding light on different aspects of this cross cultural relationship Cultural interactions are often accompanied by the term cultural imperialism a concept that on close scrutiny turns out to be a hasty oversimplification given the contemporary cultural interaction between the U S and Japan Embracing Differences shows that this assumption of a one sided transfer is no longer valid Closely investigating Disney theme parks sushi as well as movies Iris Aya Laemmerhirt reveals a dialogical exchange between these two nations that has changed the image of Japan in the United States
