Riding Through Shadows:

Riding Through Shadows Sharon Ewell Foster, 2004 African American girls civil rights A WAY THROUGH THE SHADOWS Robert Brian Heffner, 2020-12-31 High in the Blue Ridge Mountains of North Carolina Alma Hawkins anxiously awaits the return of her son Virgil who against her wishes and despite all her reasons went down into the lowlands to volunteer for the Confederacy This trouble over slavery wasn't their fight she'd argued She and his young wife needed him here But he wouldn't hear it It was a matter of honor he'd told her And besides his service would only last a few months He'd be back before they knew it Just as his term is nearing its expected completion however he is told that he is no longer a volunteer and that he can't go home The government has passed a conscription act and all men between the ages of 18 and 35 are now required to serve indefinitely Meanwhile in the time that he's been away the shadows of war once confined to the battlefields have begun to spread into the mountains and the war's deteriorating conditions have provoked growing violence among deserters evaders and the authorities Seeking to profit from all this confusion rogue outlaws have also begun to roam the hills and when unexpected events occur in the highlands near their home both Alma and Virgil are forced to make decisions for the preservation of their family in the face of danger Along with the central character Alma Hawkins the novel involves the interactions of mountain neighbors townsfolk soldiers outlaws and the rest of the Hawkins clan The story although plot driven and well paced is also philosophic in tone and examines both the strengths and insecurities of an aging woman struggling with decisions in the face of an uncertain fate

Titler When the author replied a friendship began that shaped Garcia's life In *Riding through Katrina with the Red Baron's Ghost* Garcia chronicles his relationship with Titler It was that connection that brought Garcia to New Orleans only two weeks after Hurricane Katrina devastated the city and its citizens Not having heard from his friend in years Garcia made the split second decision to go to New Orleans to try to find the man who meant so much to him A harrowing account of New Orleans directly after Katrina told in Garcia's award winning journalistic style *Riding through Katrina with the Red Baron's Ghost* tells a personal story of a thirty year bond that defined a young man as well as the universal story of the horror and devastation Katrina left in its wake
