Right Questions Ten Essential Questions To Guide You To An Extraordinary Life:

The Right Questions Debbie Ford, 2009-10-13 New York Times number one bestselling author Debbie Ford presents revolutionary questions that when answered with complete honesty change the way we see ourselves and make decisions ultimately moving us toward the life we desire The realities of the life we live today are a result of the choices we made yesterday three months ago and three years ago But we don't wind up 50 000 dollars in debt because of one extravagant purchase Nor do we put on 30 unwanted pounds as a result of a couple of decadent meals And our relationships certainly don't fall apart overnight because of one decision We are where we are because of repeated unconscious choices made day after day If we want to understand why and how we created our present day reality all we need to do is look at the choices we made in the past Ford cuts right through our denial with the 10 questions that immediately reveal the true motivations behind our thoughts and actions But more than that by rigorously and honestly asking and answering these 10 vital questions we regain control and have the power necessary to create the life we always wanted *8 Strategies for an Extraordinary Life - Focusing on What Really Matters in Life* Lisa Shultz, 2005-10 **I Don't Belong to You** Keke Palmer, 2017-01-31 The singer and actress in *Scream Queens* Akeelah and the *Bee* and *Grease Live* writes a guide for young women with color illustrations throughout on such topics as identity anxiety peer pressure and body image and encourages them towards greater confidence and freedom **The 7 Pitfalls of Single Parenting** Carolyn B. characteristic that exists the capacity for every human emotion We are born with the ability to express this entire spectrum of characteristics But Ford points out our families and our society send us strong messages about which ones are good and bad So when certain impulses arise we deny them instead of confronting them giving them a healthy voice then letting them go It is to these feelings that Ford turns our attention these parts of our selves that don't fit the personae we have created for the rest of the world She shows us the effects of living in the dark of keeping all our supposedly unsavory impulses under wraps We find ourselves disproportionately frustrated and angry at the selfishness of friends the laziness of colleagues the arrogance of siblings When we are unable to reconcile similar impulses in ourselves Ford explains we waste our own energy judging others instead of empathizing But most important we deny ourselves the power and freedom of living authentically Through the stories and exercises in *The Dark Side of the Light Chasers* Debbie Ford shows us not only how to recognize our hidden emotions but also how to find the gifts they offer us This is for fans of Marianne Williamson Neale Donald Walsch and Deepak Chopra The very impulses we most fear may be the key to what is lacking in our lives
