

RIGHT-WING WOMEN

ANDREA DWORKIN

Right Wing Women

Andrea Dworkin

Right Wing Women:

Right-Wing Women Andrea Dworkin, 2025-02-25 With a new foreword by Moira Donegan this long awaited reissue of Dworkin's iconic study of women in American conservatism is paired with a bold modern package to match Dworkin's visionary perspective and style Andrea Dworkin wrote *Right Wing Women* in 1983 a crucial and deeply illuminating analysis of the right's position on abortion homosexuality antisemitism female poverty and antifeminism Forty years later the book feels more vibrant clear eyed and visionary than ever especially as these issues get relitigated in both legal and public forums In addition to her revelatory and nuanced portraits of figures like Anita Bryant and Phyllis Schlafly and an examination of the roots of a distinctly woman led brand of American conservatism *Right Wing Women* will give readers the thrill of rediscovering the force and elegance of Dworkin's arguments and her skill as one of our most adept and prophetic feminist thinkers

Righting Feminism Ronnee Schreiber, 2012-04-19 When we think of women's activism in America liberal figures such as Gloria Steinem and Betty Friedan invariably come to mind But women's interests are not synonymous with organizations like NOW anymore As Ronnee Schreiber shows the conservative ascendancy that began in the Reagan era has been accompanied by the emergence of a broad based conservative women's movement *Righting Feminism* shows that one of the key albeit overlooked developments in political activism since the 1980s has been the emergence of conservative women's organizations It focuses on Concerned Women for America and the Independent Women's Forum to reveal how they are using feminist rhetoric for conservative ends outlawing abortion restricting pornography and bolstering the traditional family But ironically these organizations face a paradox to combat the legacy of feminism particularly its appeal to the majority of American women they must use the rhetoric of women's empowerment Indeed Schreiber amply illustrates how conservative activists are often the beneficiaries of the very feminist politics they oppose Yet just as importantly she demolishes two widely believed truisms that conservatism holds no appeal to women and that modern conservatism is hostile to the very notion of women's activism And in this updated edition Schreiber takes the story forward with an epilogue that considers the ways in which the politics of representation have changed for both conservative women and feminist activists in the wake of the political ascendancy of figures including Sarah Palin and Michelle Bachmann Based on numerous interviews with colorful conservative activists and extensive analyses of organizational documents *Righting Feminism* offers a new way of understanding the unlikely intersection of women's activism and conservative politics in America today

Right-Wing Women Paola Bacchetta, Margaret Power, 2013-01-11 An oft neglected subject right wing women are an important component in understanding the many racist fascist and anti feminist movements of the 20th century Providing original research on an array of right wing groups around the world the contributors paint a disturbing and complicated portrait of the women involved in these movements From Mussolini supporters to Klanswomen this collection provides an eye opening look at extremist women

[Rethinking right-wing women](#) Clarisse Berthezène, Julie Gottlieb, 2017-12-12 *Rethinking Right*

Wing Women explores the institutional structures for and the representations mobilisation and the political careers of women in the British Conservative Party since the late 19th century From the Primrose League est 1883 to Women2Win est 2005 the party has exploited women s political commitment and their social power from the grass roots to the heights of the establishment Yet although it is the party that extended the equal franchise had the first woman MP to sit Parliament and produced the first two women Prime Ministers the UK Conservative Party has developed political roles for women that jar with feminist and progressive agendas Conservative women have tended to be more concerned about the fulfilment of women s duties than the realisation of women s rights This book tackles the ambivalences between women s politicisation and women s emancipation in the history of Britain s most electorally successful and hegemonic political party

Right-Wing Women in Chile Margaret Power,2010-11-01 *Women's Citizenship and Political Rights* S. Hellsten,A. Holli,K. Daskalova,2005-11-29 Combining research theory and practice pan European perspectives and the disciplines of human rights sociology and politics this book offers a rare insight into the multiplicity of issues surrounding women s equality citizenship and political rights in transitional Europe and an expanding European Union From policy making to civil rights domestic violence and education experienced authors present innovative research analysis and suggestions for the future of women as participants in an evolving Europe Sell-Outs or Warriors for Change? Malliga Och,Shauna Shames,Rosalyn Cooperman,2022-11-28 This book addresses the central question of how right wing women navigate the cross pressures between gender identity and political ideology The hope has always been that more women in politics would lead to greater inclusion of women s voices and interests in decision making and policy Yet this is not always the case some prominent conservative women such as Margaret Thatcher have rejected the feminist label while others such as Angela Merkel have reluctantly accepted it Republican women in the U S Congress have embraced social and economic policies contrary to what many consider to be women s issues while EU Commission president Ursula von der Leyen is a staunch supporter of feminist ideas Other conservative women such as Marine LePen in France strategically use feminist ideas to justify their conservative stances on immigration This brings up an interesting yet understudied question under what circumstances do conservative women become feminist allies and when do they toe the party line It is this tension between women s political representation and conservatism that this edited volume explores The chapters in this book except for Chapter 3 were originally published as a special issue of Journal of Women Politics Policy **Women on the Right** Clarisse Berthezène,Laura Lee Downs,Julie V. Gottlieb,2025-01-09 Women on the Right explores the complex relationships between conservative and right wing politics social action and women actors from the late 19th to the late 20th century Edited by Clarisse Berthez ne Laura Lee Downs and Julie V Gottlieb each essay examines the spectrum of women s engagement with right wing politics from centrist and progressive conservatism groups to authoritarianism and fascism This book uses local and national case studies to explore a wide range of women s social and political mobilizations Using a bottom up perspective

it stays focused on the ideas ambitions and practices of the actors themselves Key points of comparison include the very different roles played by religious institutions and associations the broader regional and national contexts and the dynamics that favour or not the eventual construction of welfare states Women on the Right consistently adopts a multinational and multidimensional approach by bringing together a team of expert contributors to engage in a discussion of the comparative and transnational features of right wing women s political thought and practice The result is a unique contribution to the historical understanding of women s participation in and ideas about conservative activism **From Freedom Fighters to Terrorists** Paige Whaley Eager,2008 The concept of women as active proponents and perpetrators of political violence and terrorism is not widely accepted Case study rich this informative book provides an indispensable guide to examining women s role in left right wing engagement ethno nationalist separatist violence guerrilla movements and suicide bombers

"Nagging" Questions Dana E. Bushnell,1995 In this anthology of new and classic articles fifteen noted feminist philosophers explore contemporary ethical issues that uniquely affect the lives of women These issues in applied ethics include autonomy responsibility sexual harassment women in the military new technologies for reproduction surrogate motherhood pornography abortion nonfeminist women and others Whether generated by old social standards or intensified by recent technology these dilemmas all pose persistent nagging questions that cry out for answers Unlike other anthologies in feminist ethics this book encourages critical thinking about concrete contemporary social and moral issues Each engaging clearly written article is followed by discussion questions making the book useful for students of women s studies philosophy sociology and political science **Women and War** Bernard A. Cook,2006-05-19 In this unique encyclopedia 120 leading scholars from around the world provide comprehensive treatment of the role of women in war from the first written history to the present This authoritative encyclopedia presents the work of leading scholars from all over the world to give the first detailed coverage of the role of women in wars throughout history Histories of war are typically histories of men great leaders and heroic fighters Yet the roles of women often receive only limited coverage Except for such notables as Joan of Arc traditional histories give short shrift to women as leaders and fighters Similarly the direct victimization particularly sexual abuse as a weapon of terror and domination and cultural dislocations women suffer in war float as background without detailed coverage This work represents a first devoted in its entirety to thorough examination of all aspects of women in war For the first time readers have a single source for information on the scope of women s role in war and war s effects on them

Mainstreaming the Headscarf Esra Özcan,2019-11-14 With the rise to power of the Justice and Development Party AKP in the early 2000s in Turkey the headscarf that used be looked down upon by the secular middle and upper classes moved to the mainstream It has since become a symbol of desirable womanhood This development has pushed Turkey s secular feminists who had been critical of the headscarf ban to the margins This book is the first to trace this new phase of conservative gender politics by examining the images of women s headscarves across secular and Islamic news media Based

on the analysis of photographs and the columns of conservative women journalists the book sheds light on how the AKP is transforming the image of womanhood It also identifies the rise of the conservative female journalist as an important phenomenon in the country Esra zcan problematizes designators such as Islamist women or Islamic feminists and instead aims to understand these women in terms of their commitment to right wing activism and politics which has so far been ignored An original contribution to feminist scholarship on Muslim women this book draws on the unique perspectives of Visual Culture and Communication Studies

Companion to Women's and Gender Studies Nancy A. Naples, 2020-03-26

A comprehensive overview of the interdisciplinary field of Women s and Gender Studies featuring original contributions from leading experts from around the world The Companion to Women s and Gender Studies is a comprehensive resource for students and scholars alike exploring the central concepts theories themes debates and events in this dynamic field Contributions from leading scholars and researchers cover a wide range of topics while providing diverse international postcolonial intersectional and interdisciplinary insights In depth yet accessible chapters discuss the social construction and reproduction of gender and inequalities in various cultural social economic and political contexts Thematically organized chapters explore the development of Women s and Gender Studies as an academic discipline changes in the field research directions and significant scholarship in specific interrelated disciplines such as science health psychology and economics Original essays offer fresh perspectives on the mechanisms by which gender intersects with other systems of power and privilege the relation of androcentric approaches to science and gender bias in research how feminist activists use media to challenge misrepresentations and inequalities disparity between men and women in the labor market how social movements continue to change Women s and Gender Studies and more Filling a significant gap in contemporary literature in the field this volume Features a broad interdisciplinary and international range of essays Engages with both individual and collective approaches to agency and resistance Addresses topics of intense current interest and debate such as transgender movements gender based violence and gender discrimination policy Includes an overview of shifts in naming theoretical approaches and central topics in contemporary Women s and Gender Studies Companion to Women s and Gender Studies is an ideal text for instructors teaching courses in gender sexuality and feminist studies or related disciplines such as psychology history education political science sociology and cultural studies as well as practitioners and policy makers working on issues related to gender and sexuality

From Left to Right Brian T. Thorn, 2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and

unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement **Women, Gender, and Fascism in Europe, 1919-45** Kevin Passmore,2003 Investigates the role of women and gender in fascist and non fascist movements of the extreme right The text re examines the nature of the extreme right in the light of research in the field of women s and gender studies offering an accessible overview of developments in Europe The Oxford Handbook of U.S. Women's Social Movement Activism Holly J. McCammon,Verta A. Taylor,Jo Reger,Rachel L. Einwohner,2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time **Feminism and the Women's Movement** Barbara Ryan,1992 First Published in 1992 Routledge is an imprint of Taylor Francis an informa company **New Perspectives on the Transnational Right** M. Durham,2016-06-08 The links the conservative Right has sought to forge beyond the national over the last century have been too often neglected and this volume sheds new light on transnationalism the Right and the ways the two interact **Right-wing Women** Paola Bacchetta,Margaret Power,2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company Hungry for Revolution Joshua Frens-String,2021-06-29 Introduction building a revolutionary appetite Worlds of abundance worlds of scarcity Red consumers Controlling for nutrition Cultivating consumption When revolution tasted like empanadas and red wine A battle for the Chilean stomach Barren plots and empty pots Epilogue a counterrevolution at the market
