Neither Liberty nor Safety Robert Higgs, 2007-04-01 Those who would give up essential Liberty to purchase a little temporary Safety deserve neither Liberty nor Safety wrote Benjamin Franklin Attempting to gain security by sacrificing liberty is also a foolish action because it only increases the potential for harm In Neither Liberty Nor Safety Fear Ideology and the Growth of Government economist and historian Robert Higgs illustrates the false trade off between freedom and security by showing how the U S government s economic and military interventions reduced the civil and economic liberties prosperity and genuine security of Americans in the 20th century Extending the theme of Higgs s earlier books Neither Liberty Nor Safety stresses the role of misguided ideas in the expansion of government power at the expense of individual liberty Higgs illuminates not only many underappreciated aspects of the Great Depression the two world wars and the postwar era but also the government s manipulation of public opinion and the role that ideologies play in influencing political outcomes and economic performance

Crisis and Leviathan Robert Higgs, 2025-10-07 Crisis and Leviathan is Higgs masterwork on how government grows in size scope and power in response to real or imagined crises From war to economic upheavals government overreach endures long after each crisis has passed impinging on civil liberties and fostering extensive corporate welfare Few topics are as timely as the growth of government To understand why government has grown Robert Higgs asserts one must understand how it has grown This book offers a coherent multi causal explanation guided by a novel analytical framework firmly grounded in historical evidence More than a study of trends in governmental spending taxation and employment Crisis and

Leviathan is a thorough analysis of the actual occasions when and the specific means by which Big Government developed in the United States More than an abstract account it names names and highlights the actions of significant individuals The author examines how 20th century national emergencies mainly wars depressions and labor disturbances have prompted federal officials to take over previously private rights and activities When the crises passed a residue of new governmental powers remained Even more significantly each great crisis and the subsequent governmental measures went hand in hand with reinforcing shifts in public beliefs and attitudes toward the government's proper role in American life Integrating the contributions of scholars in diverse disciplines including history law political philosophy and the social sciences Crisis and Leviathan makes compelling reading for all those who seek to understand the transformation of America's political economy over the past century
