Rights Of Citizenship:

Human Rights, Or Citizenship? Paulina Tambakaki, 2010-04-05 Human Rights or Citizenship questions whether the evident displacement of the concept of the citizen by human rights can lead us to a more equitable politics **The Rights of an American Citizen** Benjamin Lynde Oliver, 1832 **Citizenship and Social Rights** Fred Twine, 1994-09-06 This broad ranging text offers an analysis of the idea of citizenship and its relevance to social problems and social policies in advanced industrial societies Twine demonstrates that two concepts are essential to an understanding of the issue of citizenship the socially embedded nature of human agents and their interdependence both with each other and with the natural and social worlds they inhabit Twine emphasizes the social nature of individual needs and individual rights He shows that interdependence is not limited to the mutual linkages within advanced industrial societies but extends both to the relations between advanced and developing nations and to the environmental contexts of human existence *Citizens' Rights and the Right to Be a Citizen* Ernst Hirsch Ballin, 2014-01-23 Ernst Hirsch Ballin discusses the significance of citizens rights against the backdrop of ongoing migration and urbanization in the beginning of the 21st century The traditional view that each state has the sovereign power to give or withhold citizenship puts the full enjoyment of human rights at risk whenever exclusion is based on differences in nationality Citizens rights are the essential connecting link between human rights and life in a democratic society Citizens have an individual right as a citizen to take part in the democratic process and in the structures of solidarity of the state where they are effectively at home By recognizing everyone's right to the citizenship of the state in which they can make these rights a reality citizens rights can bridge the gap between the universality of human rights and the changing political and social settings of people's lives Limits on dual citizenship are counterproductive European citizenship paves the way for transnational citizenship Hirsch Ballin's book is very important for academics and practitioners in the field of citizenship It embraces the complexity of citizenship with all its academic practical and emotional meanings Hopefully Hirsch Ballin's work can serve as a compass for new directions in immigration and naturalisation debates Katja Swider in *Journal of European Integration* Vol 38 nr 4 2016 **Citizenship** J. M. Barbalet, 1988 *The Citizenship Co-ordinator's Handbook* Lee Jerome, Julie Easy, 2003 This comprehensive guide is for both Citizenship Co ordinators and Citizenship teachers and provides practical help and support on the everyday practicalities possible strategies and broader school policies of delivering Citizenship in a wide range of different school contexts This is a second edition of the Activate Teacher's Starter File Democratic Citizenship and War Yoav Peled, Noah Lewin-Epstein, Guy Mundlak, Jean Cohen, 2014-06-03 This edited volume explores the theoretical and practical implications of war and terror situations for citizenship in democratic states Citizenship is a key concept in Western political thought for defining the individual's relations with society The specific nature of these rights duties and contributions as well the relations between them are determined by the citizenship discourses that prevail in each society In wartime including low intensity wars democratic

societies face different challenges than the ones facing them during peacetime in areas such as human rights the status of minorities the state's obligations to its citizens and the meaning of social solidarity War situations can affect not only the scope of citizenship as an institution but also the relations between the prevailing discourses of citizenship and between different groups of citizens Since 9 11 and the declaration of the war on terror many democracies have been grappling with issues rising out of the interface between citizenship and war This volume examines the effects of war on various aspects of citizenship practice including immigration and naturalization the welfare state individual liberties gender relations multiculturalism social solidarity and state civil society relations This book will be of great interest to students of military studies political science IR and security studies in general

Citizenship and Migration Stephen Castles, Alastair Davidson, 2020-06-30 This book argues that basing citizenship on singular and individual membership in a nation state is no longer adequate since the nation state model itself is being severely eroded It examines issues of citizenship and difference in the Asia Pacific region

Citizenship In A Global Age Delanty, Gerard, 2000-12-01 This book provides a comprehensive and concise overview of the main debates on citizenship and the implications of globalization It argues that citizenship is no longer defined by nationality and the nation state but has become de-territorialized and fragmented into the separate discourses of rights participation responsibility and identity

Democracy, Citizenship and the Global City Engin F. Isin, 2013-04-15 Democracy Citizenship and the Global City focuses on the controversial neglected theme of citizenship It examines the changing role of citizens their rights obligations and responsibilities as members of nation states and the issue of accountability in a global society Using this interdisciplinary approach the book offers an innovative collection of work from Robert A Beauregard Anna Bounds Janine Brodie Richard Dagger Gerard Delanty Judith A Garber Robert J Holton Warren Magnusson Raymond Rocco Nikolas Rose Evelyn S Ruppert Saskia Sassen Bryan S Turner John Urry Gerda R Wekerle and Nira Yuval Davis
