Rights Of Desire:

The Rights of Desire André Philippus Brink,2000 Ruben Oliver s life is coming adrift from its moorings Retired widower son s emigrating others emigrated Tessa comes knocking looking for lodging The rights of desire André Philippus Brink,Boaz Weiss,2003

Animals and Desire in South African Fiction Jason D. Price,2017-07-15 This book considers the political potential of affective experiences of desire as reflected in contemporary South African literature Jason Price argues that definitions of desire deployed by capitalist and colonial culture maintain social inequality by managing relations to ensure a steady flow of capital and pleasure for the dominant classes whereas affective encounters with animals reveal the nonhuman nature of desire a biopower that in its unpredictability can frustrate regimes of management and control Price wonders how animals different desires might enable new modes of thought to positively transform and resist the status quo This book contends that South African literary works employ nonhuman desire and certain indigenous notions of desire to imagine a South Africa that can be markedly different from the past

Race, Rights, and Recognition Dean Franco,2012-06-15 In Race Rights and Recognition Dean J Franco explores the work of recent Jewish American writers many of whom have taken unpopular stances on social issues distancing themselves from the politics and public practice of multiculturalism While these writers explore the same themes of group based rights and recognition that preoccupy Latino African American and Native American writers they are generally suspicious of group identities and are more likely to adopt postmodern distancing techniques than to presume to speak for their people Ranging from Philip Roth s scandalous 1969 novel Portnoy s Complaint to Gary Shteyngart s Absurdistan in 2006 the literature Franco examines in this book is at once critical of and deeply invested in the problems of race and the rise of multicultural philosophies and policies in America Franco argues that from the formative years of multiculturalism 1965 1975 Jewish writers probed the ethics and not just the politics of civil rights and cultural recognition this perspective arose from a stance of keen awareness of the limits and possibilities of consensus based civil and human rights Contemporary Jewish writers are now responding to global problems of cultural conflict and pluralism and thinking through the challenges and responsibilities of cosmopolitanism Indeed if the United States is now correctly if cautiously identifying itself as a post ethnic nation it may be said that Jewish writing has been well ahead of the curve in imagining what a post ethnic future might look like and in critiquing the social conventions of race and ethnicity

Rights of Desire Brink, Rights and Wrongs of Abortion Marshall Cohen,2021-07-13 During its first two years of publication Philosophy they provide the best sustained discussion of these philosophical issues available anywhere Contents Judith Jarvis Thomson A Defense of Abortion Roger Wertheimer Understanding the Abortion Argument Michael Tooley Abortion and Infanticide John Finnis The Rights and Wrongs of Abortion and Judith Jarvis Thomson Rights and Deaths The End of Human Rights Costas Douzinas,2000-06-01 The introduction of the Human Rights Act has led to an explosion in books on human rights yet no sustained examination of their history and philosophy exists in the burgeoning

literature At the same time while human rights have triumphed on the world stage as the ideology of postmodernity our age has witnessed more violations of human rights than any previous less enlightened one This book fills the historical and theoretical gap and explores the powerful promises and disturbing paradoxes of human rights Divided in two parts and fourteen chapters the book offers first an alternative history of natural law in which natural rights represent the eternal human struggle to resist domination and oppression and to fight for a society in which people are no longer degraded or despised At the time of their birth in the 18th century and again in the popular uprisings of the last decade human rights became the dominant critique of the conservatism of law But the radical energy symbolic value and apparently endless expansive potential of rights has led to their adoption both by governments wishing to justify their policies on moral grounds and by individuals fighting for the public recognition of private desires and has undermined their ends Part Two examines the philosophical logic of rights Rights the most liberal of institutions has been largely misunderstood by established political philosophy and jurisprudence as a result of their cognitive limitations and ethically impoverished views of the individual subject and of the social bond The liberal approaches of Hobbes Locke and Kant are juxtaposed to the classical critiques of the concept of human rights by Burke Hegel and Marx The philosophies of Heidegger Strauss Arendt and Sartre are used to deconstruct the concept of the legal subject Semiotics and psychoanalysis help explore the catastrophic consequences of both universalists and cultural relativists when they become convinced about their correctness Finally through a consideration of the ethics of otherness and with reference to recent human rights violations it is argued that the end of human rights is to judge law and politics from a position of moral transcendence This is a comprehensive historical and theoretical examination of the discourse and practice of human rights Using examples from recent moral foreign policies in Iraq Rwanda and Kosovo Douzinas radically argues that the defensive and emancipatory role of human rights will come to an end if we do not re invent their utopian ideal

Utility and Rights

Raymond Gillespie Frey, 1984 Utility and Rights was first published in 1984 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions At issue in the clash between utilitarianism and the theory of rights is a fundamental question about the theoretical underpinnings of moral and political philosophy Is this structure to be utility based grounded in the general welfare or is it to be based on individual moral and political rights as critics of utilitarianism increasingly insist The argument

centers in part upon the fact that utilitarianism with its emphasis upon outcomes and total utility in the world seems to employ a value theory that offers no protection to persons and their vital interests The essays in this volume grapple with the main issues in this controversy They share a common concern with the nature of rights and the ways in which various moral theories can accommodate them some measure the degree to which utilitarianism can or cannot be modified to include rights Eight of the eleven essays were written expressly for this book all of the authors are deeply engaged in the debate over utility and rights and their essays build upon and extend current thinking on the subject R G Frey s lucid introduction will make the book appropriate for advanced students as well as for scholars in moral political and legal theory One ubiquitous criticism of utilitarianism is that it cannot make sense of moral rights at all This collection is the first that explicitly addresses these issues and it marks a major step in the debate Dale Jamieson University of Colorado R G Frey is senior lecturer in philosophy at the University of Liverpool He is the author of Interests and Rights and Rights Killing and Suffering The Self, Ethics & Human Rights Joseph Indaimo,2015-02-11 This book explores how the notion of human identity informs the ethical goal of justice in human rights Within the modern discourse of human rights the issue of identity has been largely neglected However within this discourse lies a conceptualisation of identity that was derived from a particular liberal philosophy about the true nature of the isolated self determining and rational individual Rights are thus conceived as something that are owned by each independent self and that guarantee the exercise of its autonomy Critically engaging this subject of rights this book considers how recent shifts in the concept of identity and more specifically the critical humanist notion of the other provides a basis for re imagining the foundation of contemporary human rights Drawing on the work of Jacques Lacan and Emmanuel Levinas an inter subjectivity between self and other always already marks human identity with an ethical openness And this book argues it is in the shift away from the human self as a sovereign individual that human rights have come to reflect a self identity that is grounded in the potential of an irreducible concern for the other Human Rights and the Body Annabelle Mooney,2016-05-13 Human Rights and the Body is a response to the crisis in human rights to the very real concern that without a secure foundation for the concept of human rights their very existence is threatened While there has been consideration of the discourses of human rights and the way in which the body is written upon research in linguistics has not yet been fully brought to bear on either human rights or the body Drawing on legal concepts and aspects of the law of human rights Mooney aims to provide a universally defensible set of human rights and a foundation or rather a frame for them She argues that the proper frames for human rights are firstly the human body seen as an index reliant on the natural world secondly the globe and finally language These three frames generate rights to food water sleep and shelter environmental protection and a right against dehumanization This book is essential reading for researchers and graduate students in the fields of human rights and semiotics of law Land of Desire William R. Leach,1994-09-06 This monumental work of cultural history was nominated for a National Book Award It chronicles America s transformation beginning in 1880

into a nation of consumers devoted to a cult of comfort bodily well being and endless acquisition 24 pages of photos

Postmodernism. What moment? Pelagia Goulimari,2024-06-04 This collection assembles many of the major theorists of postmodernism across the humanities and the social sciences to reconsider the nature and significance of the postmodern moment as historical phase and as theoretical field The authors look back on their own contributions to the postmodernism debate of the 1980s and 1990s and address the ways in which the contemporary world and their own concerns have developed and the continuing validity or otherwise of postmodern as a master designator of the contemporary Following a substantial introductory survey the 15 compact articles include contributions from Linda Hutcheon Robert Venturi Zygmunt Bauman Douglas Kellner Arthur and Marilouise Kroker Lawrence Grossberg Gianni Vattimo and Ernesto Laclau The collection provides an important testimonial source for researchers interested in contemporary theoretical developments whether in the arts and humanities or the social sciences It will be a useful text for teachers leading classes with a focus on postwar intellectual history and cultural theory World Poverty and Human Rights Thomas W. Pogge,2008-03-10 Thomas Pogge tries to explain how most of the population of this planet can excuse world poverty A mere one or two % of the wealth of the richer nations could help in eradicating much of the poverty but there s a slim chance of that happening **Human**

Rights in Chinese Thought Stephen C. Angle,2002-06-24 What should we make of claims by members of other groups to have moralities different from our own Human Rights in Chinese Thought gives an extended answer to this question in the first study of its kind It integrates a full account of the development of Chinese rights discourse reaching back to important though neglected origins of that discourse in 17th and 18th century Confucianism with philosophical consideration of how various communities should respond to contemporary Chinese claims about the uniqueness of their human rights concepts The book elaborates a plausible kind of moral pluralism and demonstrates that Chinese ideas of human rights do indeed have distinctive characteristics but it nonetheless argues for the importance and promise of cross cultural moral engagement

Animal Rights and Moral Philosophy Julian H. Franklin,2004-12-14 Animals obviously cannot have a right of free speech or a right to vote because they lack the relevant capacities But their right to life and to be free of exploitation is no less fundamental than the corresponding right of humans writes Julian H Franklin This theoretically rigorous book will reassure the committed help the uncertain to decide and arm the polemicist Franklin examines all the major arguments for animal rights proposed to date and extends the philosophy in new directions Animal Rights and Moral Philosophy begins by considering the utilitarian argument of equal respect for animals advocated by Peter Singer and even more favorably the rights approach that has been advanced by Tom Regan Despite their merits both are found wanting as theoretical foundations for animal rights Franklin also examines the ecofeminist argument for an ethics of care and several rationalist arguments before concluding that Kant s categorical imperative can be expanded to form a basis for an ethical system that includes all sentient beings Franklin also discusses compassion as applied to animals encompassing Albert Schweitzer s

ethics of reverence for life He concludes his analysis by considering conflicts of rights between animals and humans
Rights, Goods, and Democracy Ramon M. Lemos,1986 A philosophical study of the relationships and connections among natural rights material goods and democracy A defense of ethical absolutism is presented in the appendix *The Moral Dimensions of Intellectual Property Rights* Steven Ang,2013-12-27 In a globalized world with globalizing IPRs where culturally assumed norms must be re examined this work has an urgent and important contribution to make Taking the main features of internationally mandated IPRs as a starting point it explores the mo **The Case for Animal Rights** Tom Regan,2023-11-21 More than twenty years after its original publication The Case for Animal Rights is an acknowledged classic of moral philosophy and its author Tom Regan is recognized as the intellectual leader of the animal rights movement In a new and fully considered preface Regan responds to his critics and defends the book s revolutionary position An Analysis of Rights Samuel J. Stoljar,1984-10-15

Rights Of Desire Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rights Of Desire PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rights Of Desire PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they

provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rights Of Desire free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rights Of Desire Books
