Rim Of The Desert Gunsmoke Western:

The Western Story Jon Tuska, 1999-11-01 The Western Story A Chronological Treasury consists of twenty Western stories spanning the years 1892 to 1994 For that generation of American writers who saw the frontier in the last century including Mark Twain Bret Harte and Owen Wister it seemed exotic strange wonderful Others such as Frederic Remington and John G. Neihardt reflected the clash between various Indian nations and pioneers These authors prepared the way for the founders of the first Golden Age of the Western story Willa Cather who wrote of pioneer life in Nebraska Zane Grey who combined wilderness experiences with romance and the search for spiritual truth B. M. Bower who portrayed the cowboys and frontier women she knew growing up in Montana Max Brand who created dramas in which the psychological and spiritual meaning of life was more important than the physical terrain and Ernest Haycox who combined character and drama with historical accuracy Another generation of writers perpetuated this first Golden Age Peter Dawson and T. T. Flynn who began writing Western stories in the 1930s Walter Van Tilburg Clark who created a masterpiece in *The Ox-Bow Incident* Dorothy M. Johnson and Les Savage Jr. who experimented with making the Western story still more realistic and Louis L. Amour whose visibility and popularity won legions of new readers to the genre Humanity depth and verisimilitude were already part of the Western story when Will Henry Elmer Kelton and T. V. Olsen came on the scene to intensify these qualities in their own stories even as they experimented with new perspectives And Cynthia Haseloff's story written especially for this collection with its symbolism and its simplicity may be the harbinger of a second Golden Age

Lewis,2013-07-04 The Western though a singularly American art form is one of the great genres of world literature with a truly global readership It is also durable despite being often unfairly maligned Ever since James Fenimore Cooper transformed frontier yarns into a distinct literary form the Western has followed two paths one populist what Time

magazine famously billed the American Morality Play capable of taking many points of view from red to redneck but always populist with a sentimental attachment to the misfit the other literary eschewing heroism debunking with unsettling candour many of the myths of the West It can sometimes be difficult to draw a sure line between the two forms but both are represented in this outstanding collection which includes stories by Rick Bass Walter Van Tilburg Clark Larry McMurtry Mari Sandoz Christopher Tilghman and Mark Twain among many others *Gunsmoke over Texas* Bradford Scott,2012-06-03
