*Deathstalker Legacy* Simon R. Green, 2016-08-02 A golden age doesn't last forever Owen Deathstalker sacrificed everything to topple a corrupt empire and usher humanity into an age of peace and prosperity Now Lewis Deathstalker Owen's descendant carries on the family name and honor as a Paragon warriors famed for their skill and heroism who dispense the king's justice throughout the galaxy However two hundred years have passed since Owen and his gang of heroes disappeared into legend and the peace that the Deathstalker bought with his life is quickly coming to an end Amidst political uncertainty Lewis's oldest friend Douglas ascends the throne and names Lewis to the archaic and largely symbolic role of King's Champion But Lewis quickly finds that he has all the bad luck of his famous ancestor and that his old allies have become his enemies Surrounded on all sides by plots and treason with the political situation spiralling out of control Lewis is exiled from court in disgrace Now it's the new Deathstalker's turn to save the empire with only a ragged band of allies as chaos spreads throughout the empire and threatens to end the golden age Note from Publisher This book was originally published as Book 6 in the Deathstalker series      **The Rim-World Legacy** Frank A. Javor, 1975-12-02      The Rule Book Jaakko Stenros, Markus Montola, 2024-03-12 How games are built on the foundations of rules and how rules of which there are only five kinds really work Board games to sports digital games to party games gambling to role playing games They all share one thing in common rules Indeed rules are the one and only thing game scholars agree is central to games But what in fact are rules In The Rule Book Jaakko Stenros and Markus Montola explore how different kinds of rules work as building blocks of games Rules are constraints placed on us while we play carving a limited possibility space for us They also inject meaning into our play without rules there is no queen in chess no ball in Pong and no hole in one in golf Stenros and Montola discuss how rules constitute games through five foundational types the explicit statements listed in the official rules the private limitations and goals players place on themselves the social and cultural norms that guide gameplay the external regulation the surrounding society places on playing and the material embodiments of rules Depending on the game rules can be formal internal social external or material By considering the similarities and differences of wildly different games and rules within a shared theoretical framework The Rule Book renders all games more legible      **Stella Nova** R. **Wars Legends (Legacy of the Force)** Karen Traviss, 2008-04-29 Civil war rages as the Galactic Alliance led by Cal Omas and the Jedi forces of Luke Skywalker battles a confederation of breakaway planets that rally to the side of rebellious Corellia. Suspected of involvement in an assassination plot against Queen Mother Tenel Ka of the Hapes Consortium, Han and Leia Solo are on the run, hunted by none other than their own son Jacen, whose increasingly authoritarian tactics as head of GA security have led Luke and Mara Skywalker to fear that their nephew may be treading perilously close to the dark side. But as his family sees in Jacen the chilling legacy of his Sith grandfather Darth Vader, many of the frontline troops adore him and countless citizens see him as a savior. The galaxy has been torn apart by too many wars. All Jacen wants is safety and stability for all, and he is prepared to do whatever it takes to achieve that goal. To end the bloodshed and suffering, what sacrifice would be too great? That is the question tormenting Jacen. Already he has sacrificed much embracing the pitiless teachings of Lumiya, the Dark Lady of the Sith, who has taught him that a strong will and noble purpose can hold the evil excesses of the dark side at bay, bringing peace and order to the galaxy but at a price. For there is one final test that Jacen must pass before he can gain the awesome power of a true Sith Lord. He must bring about the death of someone he values dearly. What troubles Jacen isn't whether he has the strength to commit murder. He has steeled himself for that, and worse if necessary. No, the question that troubles Jacen is who the sacrifice should be. As the strands of destiny draw ever more tightly together in a galaxy spanning web, the shocking answer will shatter two families and cast a grim shadow over the future. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years.
