Not Fade Away Dawn Young,2014-09-29 Not Fade Away By Dawn R Young My time in the 60 s with Brian Jones of the Rolling Stones and the heartbreak of forced Adoption Not Fade Away is the fascinating at times heart wrenching true life story of a young English girl which encompasses life with The Rolling Stones in Britain s early 60 s and the best and worst of that cultural era This is a gripping must read for fans of The Rolling Stones and all things British It takes readers on a journey into the early beginnings of the Stones and also explains how forced adoption was all too common in that era The author is a survivor who overcame abuse and losses to experience eventual love and joy Dawn was one of only a handful of people who would go to watch The Rolling Stones play in the early 1960 s Now nearly 50 years down the line their music can heard playing somewhere in the world every minute of every day Dawn Molloy appears from time to time in books and newspaper articles as she was a girlfriend of Brian Jones who was the founder of the greatest rock and roll band in the world He was the father of her son Paul Andrew Like so many other teenagers in the 60 s Dawn was made to suffer because of a system that did not allow them a say in the fate of their children In one way or another that system and the mind set that went with it failed them It ensured that pregnant girls without a wedding band on their finger were stringently and illegally advised to place their children up for adoption Dawn experienced rejection from a mother who lacked maternal instinct and her childhood was riddled with fear and doubt abuse and ridicule This English lady has met Royalty and had tea with the Queen of England Dawn experienced the elation of her lost son finding her and the myriad emotions that came along with that and endured heart wrenching grief with the death of one of her children She relocated from England to the USA with her husband and has had the joy and satisfaction of raising 4 children and seeing them grown and independent **Fire in**
