*The Islander* Charles Whittlesey,2007-08-01 In 2155 there are two Americas one for the wealthy and one for the poor The wealthy control most of the land and all the technology while the poor lead short and squalid lives confined to the remnants of America s collapsed cities known as Islands The two cultures collide when Galen Fairchild a young Islander falls in love with Mata Vandermere the daughter of a prosperous family from the modern city of Stratis Like Romeo and Juliet Galen and Mata struggle to stay together in the face of daunting opposition from family friends and many other forces Their troubles finally lead them into the ghostlike ruins of downtown Minneapolis where no Islander dares to go Inside the crumbling skyscrapers they discover a strange power linked to Galen s past which not only changes his life forever but also pits the two cultures against each other with cataclysmic results From author s website

*The Lost Colony and Hatteras Island* Scott Dawson, 2020-06-15 New archeological discoveries may finally solve the greatest mystery of Colonial America in this history of Roanoke and Hatteras Islands Established on what is now

North Carolina's Roanoke Island the Roanoke Colony was intended to be England's first permanent settlement in North America. But in 1590 the entire population disappeared without a trace. The only clue to their fate was the word Croatoan carved into a tree. For centuries the legend of the Lost Colony has captivated imaginations. Now archaeologists from the University of Bristol working with the Croatoan Archaeological Society have uncovered tantalizing clues to the fate of the colony. In *The Lost Colony and Hatteras Island* Hatteras native and amateur archaeologist Scott Dawson compiles what scholars know about the Lost Colony along with what scholars have found beneath the soil of Hatteras. **Exchange** John Davis, 1992. **The Islander**, 1875. *Kelleys Island* Leslie Korenko, 2009. The island in the grip of a typhoon became inaccessible by normal transport and Sami aware of their desperate medical needs was forced to turn to the handsome but enigmatic Captain James Bruce for help. *Eulalie, Or, The Red and White Roses* William Stephens Hayward, 1874.

**Vanished Islands and Hidden Continents of the Pacific** Patrick D. Nunn, 2008-10-31. Islands as well as entire continents are reputed to have disappeared in many parts of the world. Yet there is little information on this subject concerning its largest ocean the Pacific. Over the years geologists have amassed data that point to the undeniable fact of islands having disappeared in the Pacific a phenomenon that the oral traditions of many groups of Pacific Islanders also highlight. There are even a few instances where fragments of Pacific continents have disappeared becoming hidden from view rather than being submerged. In this scientifically rigorous yet readily comprehensible account of the fascinating subject of vanished islands and hidden continents in the Pacific the author ranges far and wide from explanations of the region's ancient history to the meanings of island myths. Using both original and up to date information he shows that there is real value in bringing together myths and the geological understanding of land movements. A description of the Pacific Basin and the ups and downs of the land within its vast ocean is followed by chapters explaining how long before humans arrived in this part of the world islands and continents that no longer exist were once present. A succinct account is given of human

settlement of the region and the establishment of cultural contexts for the observation of occasional catastrophic earth surface changes and their encryption in folklore The author also addresses the persistent myths of a sunken continent in the Pacific which became widespread after European arrival and were subsequently incorporated into new age and pseudoscience explanations of our planet and its inhabitants Finally he presents original data and research on island disappearances witnessed by humans recorded in oral and written traditions and judged by geoscience to be authentic Examples are drawn from throughout the Pacific showing that not only have islands collapsed and even vanished within the past few hundred years but that they are also liable to do so in the future

the expectations placed upon him During the discussions Sean begins exploring the possibilities of what could be if he chooses to work with the Spirit Although there is the promise of a world at peace Sean is still reluctant to dedicate his life to the Spirits mission But when events far beyond Janus and driven by the Praetorian Orders Dante Sabatini directly impact the island Sean realizes his life may not be his own Trapped between the lure of Janus tranquility and the Spirits demands Sean must decide if the love of a beautiful woman and the hopes of the islands spiritual leader are enough to force him into following what is seemingly his true destiny The Word of Janus continues a riveting tale of intrigue betrayal and good versus evil as one man seeks to understand his legacy and its implications for the worlds future     The Pomegranate Ring Simon Brian Cartlidge, 2016-01-06 Long before Troy the legend of Achilles was forged The Pomegranate Ring is a historical novel set in late Bronze Age Greece Peleus king of Thessaly and father of Achilles broods on his lost youth and the search for the Golden Fleece His wife Thetis plans to change Achilles fate as the oracles say he is doomed Agamemnon king of Mycenae threatens Peleus wanting a unified Greece Meanwhile on Lesbos the young Lyria s father is murdered With her friend Orpheus they flee and arrive at the court of Peleus and strike up a friendship with the boy Achilles who is unhappy with his destiny Not a natural athlete he does not see himself as Greece s saviour At the same time Agamemnon sends the beautiful but ruthless Helen to spy on Peleus Achilles is sent to Epiros to train with Phoenix Lyria soon follows and a love affair begins But Achilles is unsure of her egalitarian ideas of love and she leaves heartbroken Peleus knows he must face Agamemnon The Delphic oracle has been desecrated and Greece is on the edge of war Thetis is banished and wanders the beach crying for her son Will Achilles accept his fate Can Peleus reconcile his glorious past with his uncertain future Will Helen succeed with her own plans and will Orpheus resist her advances Providing an inventive twist on classical Greek myth The Pomegranate Ring will appeal to all those with a love of Ancient Greece and the legends of Achilles
