Frazier,2020-09-15 Tempest Over Texas The Fall and Winter Campaigns 1863 1864 is the fourth installment in Dr Donald S Frazier s award winning Louisiana Quadrille series Picking up the story of the Civil War in Louisiana and Texas after the fall of Port Hudson and Vicksburg Tempest Over Texas describes Confederate confusion on how to carry on in the Trans Mississippi given the new strategic realities Likewise Federal forces gathered from Memphis to New Orleans were in search of a new mission International intrigues and disasters on distant battlefields would all conspire to confuse and perplex war planners One thing remained however The Stars and Stripes needed to fly once again in Texas and as soon as possible      *Depredation and Deceit* Gregory F Michno,2017-09-14 The Trade and Intercourse Acts passed by Congress between 1796 and 1834 set up a system for individuals to receive monetary compensation from the federal government for property stolen or destroyed by American Indians By the end of the Mexican American War both Anglo Americans and Nuevomexicanos became experts in exploiting this system and in using the army to collect on their often fraudulent claims As Gregory F Michno reveals in *Depredation and Deceit* their combined efforts created a precarious mix of false accusations public greed and fabricated fear that directly led to new wars in the American Southwest between 1849 and 1855 Tasked with responding to white settlers depredation claims and gaining restitution directly from Indian groups soldiers typically had no choice but to search out often innocent Indians and demand compensation or the surrender of the guilty party turning once friendly bands into enemy groups whenever these tense encounters exploded in violence As the situation became more volatile citizens demanded a greater army presence in the region and lucrative military contracts became yet another reason to encourage the continuation of frontier violence Although the records are replete with officers questioning accusations and discovering civilians deceit more often than not the army was forced to act in direct counterpoint to its duties as a constabulary force And whenever war broke out the acquisition of more Indian land and wealth began the cycle of greed and violence all over again The Trade and Intercourse Acts were manipulated by Anglo Americans who ensured the continuation of the very conflicts that they claimed to abhor and that the acts were designed to prevent In bringing these machinations to light Michno s book deepens and darkens our understanding of the conquest of the American Southwest
