The Rio Hondo Kid J. T. Edson,1969 *The Rio Hondo Kid* John Thomas Edson,1966 *The Rio Hondo Kid* Tabor Evans,1985 **Rio Hondo Kid** J. T. Edson,1985-04-01 The hired guns walked right past him in Escopeta Texas ignoring a soft spoken insignificant looking cowhand But they had no way of knowing that he was Dusty Fog capable of filling his hands with two tickets to Hell faster than a snake could blink And Dusty Fog was ready to teach them about death [Rio Hondo Kid](#) John Thomas Edson,1983-05-01 The hired guns walked right past him in Escopeta Texas ignoring a soft spoken insignificant looking cowhand But they had no way of knowing that he was Dusty Fog capable of filling his hands with two tickets to Hell faster than a snake could blink And Dusty Fog was ready to teach them about death [The Rio Hondo Kid](#) John Thomas Edson,2020 The hired gunmen came to Mahon s place to take him away and kill him But instead of Mahon they found a black dressed Texas boy with a fast gun and left him for dead taking his horse They had made their first big mistake In the town of Escopeta they met two more Texans one a handsome blond giant the other a small insignificant looking individual the sort of man one would pass in the street without a second glance The hired gunmen passed him without a second glance and in so doing made their second and biggest mistake For the small man was none other than the famous Rio Hondo gun wizard by name of Dusty Fog *The Kid* Ron Hansen,2017-11-21 Born Henry McCarty Billy the Kid was a diminutive charming blond haired young man who growing up in New York Kansas and later New Mexico demonstrated a precocious dexterity at firing six shooters with either hand a skill that both got him into and out of trouble and that turned him into an American legend of the Old West He was smart well spoken attractive to both white and Mexican women a good dancer and a man with a nose for money horses and trouble His spree of crimes and murders has been immortalized in dime westerns novels and movies But the whole story of his short epically violent life has never been told as it has been here

The Tragic Days of Billy the Kid Frazier Hunt,2009 Since a July night in 1881 when he was shot down at the age of 21 Billy the Kid has been a victim of the myths that surrounded and captured him This vivid interpretation of the Kid s life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions For here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier mach fa ade of myth and legend So persistent have been these legends that the true character of the Kid seemed almost beyond reach Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling

history of the Kid and his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid authentic true and completely accountable Billy the Kid George R. Matthews,2025-02-05 This new in depth life of Henry McCarty alias Billy Bonney alias Billy the Kid offers fresh perspectives not only on the Lincoln County War and his boyhood in Silver City New Mexico but also on his Irish mother s origins and immigration to Indiana his public school education in Indianapolis the McCarty family s moves to Wichita Kansas and Santa Fe and his two year outlaw adventures in Arizona For the first time the whole person emerges This biography brings together a huge amount of material much of it made available to researchers only in recent years The result is an original
