## **Ripples Groupwork In Different Settings:**

**Using Groupwork** Mark Doel, 2006 Written by an experienced groupworker and academic this book promotes greater knowledge and understanding of groupwork and group processes particularly in social work and social care settings Incorporating both theory and practice it provides a practical guide to those considering groupwork and further inspiration for those already involved The book incorporates a number of case examples of groups run in mainstream social work social care and multidisciplinary settings Skills based in approach this original text includes illustrative group examples quotes from groupworkers key learning points based on research activities to develop practice suggestions for further reading Published in association with Community Care Magazine the book meets the changing needs of today's students and practitioners in social care and is a welcome addition to the current literature

**Ripples** Oded Manor, 2000 The answer depends to some extent on the work setting you have in mind In Ripples leading groupworkers introduce you to eleven applications Assuming little prior knowledge each tells you of the clients users needs the methods used and the ideas that guide workers in one setting Further reading is suggested Initiated by the interdisciplinary journal Groupwork Ripples invites workers to learn from one another in the belief that the ripples of shared learning can only strengthen groupwork practice The settings include personal growth palliative care occupational therapy criminal justice social work mental health health promotion schools community based learning for adults community development and social action

**A-Z of Groups and Groupwork** Mark Doel, Timothy Kelly, 2013-11-28 Launching Palgrave's new interdisciplinary Professional Keywords series this reader friendly reference guide distils the vast field of groupwork study and practice into digestible yet authoritative chunks With over 60 alphabetized entries it is the perfect introduction to groupwork for health and social care practice

**Handbook of Social Work with Groups** Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses

**Encyclopedia of Social Work with Groups** Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history

values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The Encyclopedia of Social Work with Groups will be of interest to students practitioners social work faculty novice and experienced group workers

**Group and Individual Work with Older People** Swee Hong Chia, Julie Healthcote, Jane Marie Hibberd, 2011 Being active is fundamental to a person's sense of physical and mental wellbeing and the need to engage in purposeful and meaningful activity does not diminish with age However common effects of ageing such as reduced vision and hearing arthritis dementia and in some cases social isolation can affect an older person's ability to participate in therapeutic and recreational activities Introducing the concept of PIE Planning Implementation and Evaluation this practical resource will enable professionals working with older people to initiate and run successful activity based programmes with their clients either individually or in groups The authors guide the reader through the processes of group and individual work and provide step by step instructions for a range of activities including arts and crafts music drama movement relaxation reminiscence and day to day tasks such as taking care of personal hygiene and preparing food and drinks The book also describes the importance of assessing and evaluating activity based work with examples of completed evaluation and assessment forms Useful case studies and self reflective activities for the facilitator are included throughout This book will be an invaluable for occupational therapists creative arts therapists health and social care practitioners and all other professionals working with older people Publisher's website

[Patient Participation in Palliative Care](#) Barbara Monroe, David Oliviere, 2003-06-19 Patient participation and user involvement are central to current thinking about the effective delivery of desired healthcare outcomes Working with the person who lies behind every patient is core to palliative care A voice can only become significant when it is listened to and acted upon With palliative care increasingly addressing the needs of people with a variety of conditions in a range of settings as well as with advances in research technology and information the challenge to be a voice for the voiceless is greater than ever This book addresses key aspects in the provision of patient centred palliative care and tracks significant developments in user involvement It sets the philosophy within the cultural social and political context of modern healthcare particularly addressing issues of quality standards education and bereavement A key component in the delivery of high quality palliative care is the multi professional team Following a discussion of teamwork five core professions present a critical analysis of their working practices The book concludes with a commentary from a palliative care user and a bereaved carer It is often somewhat glibly asserted that the patient is or should be at the centre of care There have been few attempts to examine how to keep him or her there without professional needs and protocols crowding him or her out This book asks how we listen and why we listen The book focuses on the challenges of how professionals can keep the needs of

the patient central in clinical care and how the patient can influence the direction of that care      *Solution-Focused Groupwork* John Sharry, 2007-10-25 *Solution Focused Groupwork* 2001 was a major contribution to the literature on groupwork It has been one of this author's most influential books The Second Edition contains much new material including the uses of problem talk an activity normally avoided by solution focused therapists Preparation for groups client motivation and collaboration are all explored in detail The role of or necessity for social time to be built into the therapy model is an interesting and novel idea Suggestions are made for client evaluation and for creative exercises to enhance the group process All in all the result is a valuable and readable new edition Dr Alasdair J Macdonald Enlightening clearly written and helpfully presented The book echoes what *Solution Focused Groupwork* is all about being practical and optimistic about human potential David Jaques Author of *Learning in Groups* A fund of practical wisdom which will give confidence and encouragement to everyone trying to run groups along solution focused lines Bill O Connell *Focus on Solutions Limited* Birmingham John Sharry has drawn on a combination of extensive experience in running groups and a thorough understanding of current developments to produce an inspiring and practical guide to this powerful way of helping people to change I have recommended the first edition many times and have been sharing the good news of this new edition ever since I knew it was under way John Wheeler MA UKCP Registered Family Therapist Social Worker and Independent Trainer Sharry's book offers a persuasive alternative to traditional methods of group practice The new edition enhances the applicability of an already major contribution to solution focused practice It is obviously written from a real practitioner who understands the process and elements of group work He offers excellent case material throughout to help demonstrate the skills and values of this approach and does so in a readable and engaging manner suitable for students and professionals at all levels of expertise Professor Robert Blundo Ph D LCSW *Strengths Collaborative Department of Social Work University of North Carolina Wilmington Wilmington NC U S A* This slim tautly written volume disguises an enormously practical treasure store to help group facilitators *Solution Focused Groupwork* should be essential reading Barbara Wilson *Family Mediation in Practice* *Solution Focused Groupwork* Second Edition is a highly practical guide for all professionals who use groups to help people For those new to the solution focused approach it provides a clear step by step introduction while for more experienced practitioners it presents ideas and techniques which can be readily integrated into existing practice Using carefully selected case studies John Sharry takes readers through the various stages in the therapeutic process from getting started to the final session He also provides creative exercises for use in practice guidance on evaluating the outcomes of group work and a new model for group supervision A real strength of the book is in showing practitioners how to create a constructive positive and solution focused group culture and how to maintain this culture in spite of the challenges tensions and difficulties that naturally arise within groups John Sharry is a Principal Social Worker in the Department of Child and Family Psychiatry Mater Hospital and part time Director of the Brief Therapy Group Private Practice and Consultancy
