Seven Signs of the End Times Mark Hitchcock, 2003-01-22 Are you noticing symptoms of the end of the world Get an expert opinion Find out seven specific things the Bible says to look for *End Time Politics* Keri L. Ladner, 2024 End Time Politics shows how popular beliefs about God's impending judgment on the world rooted in millenarian ideologies Cold War grandstanding racial antipathy and nuclear build up shaped an economic movement that led to white evangelicals unflinching support of Donald Trump *Mapping the End Times* Jason Dittmer, Tristan Sturm, 2010 Over the last quarter century evangelicalism has become an important social and political force in modern America Here new voices in the field are brought together with leading scholars such as William E Connolly Michael Barkun Simon Dalby and Paul Boyer to produce a timely examination of the spatial dimensions of the movement offering useful and compelling insights on the intersection between politics and religion This comprehensive study discusses evangelicalism in its different forms from the moderates to the would be theocrats who in anticipation of the Rapture seek to impose their interpretations of the Bible upon American foreign policy The result is a unique appraisal of the movement and its geopolitical visions and the wider impact of these on America and the world at large **The Rise of Babylon** Charles H. Dyer, 2003 Startling New Satellite Photos show how Saddam Hussein is rebuilding the ancient city of Babylon Charlie Dyer documents the history of Iraq over the last several decades and Saddam Hussein's three goals for Iraq territory economic power and the elimination of the nation of Israel The Rise of Babylon documents the similarities of the ancient empire of Babylon under King Nebuchadnezzar and the new Babylon being rebuilt by Saddam Hussein Rows and rows of soldiers parade in dressed in Babylonian tunics and carrying swords spears and shields Interspersed among the ranks of soldiers are groups of musicians playing harps horns and drums Clusters of children carry palm branches and runners bear bowls of incense Then come soldiers and still more soldiers in a seemingly endless line of men and weapons After the procession the guests attend a ceremony paying tribute to Ishtar the mother goddess of Babylon Is this a scene of pagan worship from the time of Daniel No this is a scene I witnessed when I returned to Babylon in 1988 for the second International Babylon Festival held under the patronage of Saddam Hussein excerpt from The Rise of Babylon The End of the World as We Know it Daniel Wojcik, 1999-05 Wojcik English folklore U of Oregon sheds new light on America's fascination with worldly destruction and transformation exploring the origins of contemporary apocalyptic beliefs and comparing religious and secular apocalyptic speculation He examines vision of the Virgin Mary the transformation of apocalyptic prophecy in the post Cold War era and apocalyptic ideas associated with UFOs and extraterrestrials Includes bandw illustrations and photos Educational and creepy for general readers Annotation copyrighted by Book News Inc Portland OR **Knowing the End From the Beginning** Lester L. Grabbe, Robert D. Haak, 2004-05-01 Much study has taken place of the prophetic and apocalyptic writings in recent decades but the relationship between the two has been little explored A major explicit debate on the question is very much needed and is now

provided This collection of essays addresses the subject from a variety of points of view including studies on the issues of definitions ancient Near Eastern prophecies social anthropology and modern apocalyptic movements In the introduction Lester Grabbe argues that many scholars operate with subconscious assumptions about how apocalyptic writings relate to the prophetic writings but that many of these assumptions now need to be questioned in the light of the essays in this volume Such a comprehensive attempt to tackle the main theoretical issues arising from the study of the prophetic and the apocalyptic has not been attempted for some time This volume brings fresh questions and insights that both specialists and students will want to consider

Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

The Scandal of the Evangelical Mind Mark A. Noll, 1995-10-19 Mark Noll has written a major indictment of American evangelicalism Reading this book one wonders if the evangelical movement has pandered so much to American culture and tried to be so popular only to lose not only its mind but its soul as well For evangelical pastors and parishioners alike this is a must read Robert Wuthnow

Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of

When Time Shall Be No More Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book's meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest

A Study Guide for the Revelation of Jesus Christ James H. Stone Jr., 2014-01-21 THE SECOND COMING OF CHRIST REV 19 1 21 A GENERAL 1 Chapter 19 brings to a close the Great Tribulation period Daniels 70th Week Dan 9 27 and ushers in the 2nd coming of Jesus Christ 2 Christ promised he would come again John 14 3 40 days after his resurrection Acts 1 3 Christ ascended into heaven from the Mount of Olives just East of Jerusalem Acts 1 9 Two angels told the apostles Jesus would return in like manner Acts 1 11 In Rev 19 11 16 Christ returns with armies of saints

and angels 3 The prophecies of Zechariah will be fulfilled Thus says the Lord I am returned to Zion and will dwell in the midst of Jerusalem Zech 8 3 And his feet shall stand in that day upon the Mount of Olives which is before Jerusalem on the East Zech 14 4 4 In Chapter 19 there are actually 2 scenes 1 in heaven which is one of great joy and 1 on earth which is one of great judgment B JOY IN HEAVEN REV 19 1 10 1 SONGS OF THE SAINTS REV 19 1 6 a TIME SEQUENCE 1 After this I John heard what sounded like the roar of a great multitude in heaven shouting Hallelujah salvation glory power belong to our God for true and just are his judgments he has condemned the great prostitute whore KJV who corrupted the earth by her adulteries he has avenged on her the blood of his servants Rev 19 1 2 NOTE After this refers to the destruction of the apostate religious system in Rev 17 and the corrupt commercial system in Rev 18 In Rev 18 20 the call to rejoice was issued now we have the response to that call **Connecting the Dots** , **The Global Politics of Jesus** Nilay Saiya,2022 A unique timely and wide ranging book that formulates and applies an ethic of Jesus to the realm of global politics Since the fourth century Christians have wrestled with how they should interact with political authority The most common view holds that while their ultimate loyalty rightfully belongs to God Christians also have allegiance to their countries and a moral responsibility to transform their political systems In *The Global Politics of Jesus* Nilay Saiya provides a normative critique of this conventional view and advances an alternative approach While it may seem natural for the church to fervently engage in political life and cultivate a close relationship with the state Saiya argues that such beliefs result in a paradox of privilege As he shows when the church yields to the seduction of political power when enjoying the benefits of an alliance with the state it struggles to adhere to its tenets and when it resists the allure of state power it does its best work This unique and wide ranging book examines the paradox of privilege in some of the most important areas of global politics and considers its implications for the church itself *Fundamentalism in America* Philip Melling,2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millennialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing *Fundamentalism in America* provides a vital and compelling account of the present state of religious and nationality identity in the United States
