The history of the United States is the history of a growing nation Every period of its life is a transitional period but that from the close of the War of 1812 to the election of Andrew Jackson was peculiarly one of readjustment It was during this time that the new republic gave clear evidence that it was throwing off the last remnants of colonial dependence The Revolution had not fully severed the United States from the European state system but now the United States attained complete independence and asserted its predominance in the western continent It was in this period that the nation strengthened its

hold on the Gulf of Mexico by the acquisition of Florida recognized the independence of the revolting Spanish American colonies and took the leadership of the free sisterhood of the New World under the terms of the Monroe Doctrine **RISE OF THE NEW WEST 1819-1829** Frederick Jackson 1861-1932 Turner,2016-08-27 *Rise of the New West, 1819-1829 - Scholar's Choice Edition* Frederick Jackson Turner,2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Bulletin** Indiana State Library,1915 **Bulletin of the Indiana State Library** Indiana State Library,1917 **Monthly Bulletin** Indiana State Library,1917 *The International Socialist Review* Algie Martin Simons,Charles H.
