William Blake and the Impossible History of the 1790s

Saree Makdisi,2003 Modern scholars often find it difficult to account for the profound eccentricities in the work of William Blake dismissing them as either ahistorical or simply meaningless But with this pioneering study Saree Makdisi develops a reliable and comprehensive framework for understanding these peculiarities According to Makdisi Blake s poetry and drawings should compel us to reconsider the history of the 1790s Tracing for the first time the many links among economics politics and religion in his work Makdisi shows how Blake questioned and even subverted the commercial consumerist and political liberties that his contemporaries championed all while developing his own radical aesthetic *The Life of William Blake* Alexander Gilchrist,1998-01-01 First full length biography 1863 covers Blake s childhood student years trial for treason his madness neglect by the public declining health and untimely death Insightful commentary on the poet s works 40 Blake illustrations Blake, Politics, and History Jackie DiSalvo,G. A. Rosso,Christopher Z. Hobson,2015-08-14 First published in 1998 this book formed part of an ongoing effort to restore politics and history to the centre of Blake studies It adopts a three pronged approach when presenting its essays seeking to promote a return to the political Blake to deepen the understanding of some of the conversations articulated in Blake s art by introducing new historical material or new interpretations of texts and to highlight differing perspectives on Blake s politics among historically focused critics The collection contains essays with varying methodological assumptions and differing positions on questions central to historicist Blake scholarship *The Rise of Modern Mythology, 1680-1860* Burton Feldman,Robert D. Richardson,2000-04-22 A book on modern mythology

Blake, Politics, and History George A. Jr. Rosso Jr.,Christopher Z. Hobson,2013-05-13 This anthology of essays charts the work of William Blake combining traditional and current historicist methods with a plurality of other approaches While many essays here recuperate a radical Blake opposed to imperialism slavery and patriarchy differences emerge over the nature of Blake s radicalism and his stance on revolution violence and democratic pluralism Contributors may champion a Blake critical of patriarchal discourse and practice but they remain cautious about Blake s homocentric solutions In the Blake and women section authors seek to reorient discussions by connecting Blake to historical issues concerning women particularly domestic ideology and the idealised female of the conduct books **William Blake's Works in Conventional Typography**
