*Science, Politics, Stem Cells And Genes: California's War On Chronic Disease* Don C Reed, 2023-02-13 Is there a way to fight back against incurable disease California thought so and put its money where its mind was three billion dollars worth And when that was gone how about five and a half billion dollars more to build and expand the California Institute for Regenerative Medicine For some science excites it is the great adventure to challenge the impossible like a real life battle with a giant squid or the proposed disassembly of the Eiffel Tower or ejecting from a jet in the sky from a height greater than Mount Everest For others regenerative medicine is a mystery could the urge to do murder have a genetic cause which might be reduced And for everyone there is the fight to protect our loved ones lives 133 million of us suffering from chronic disease from America alone a colossal cost of 3 trillion dollars last year An epic battle Science Politics Stem Cells and Genes CALIFORNIA S WAR ON CHRONIC DISEASE takes the reader behind the scenes An award winning teacher Reed shares science in stories including the systematic assault on Alzheimer s disease cancer autism epilepsy liver failure schizophrenia obesity stroke sickle cell arthritis blindness paralysis kidney failure ALS aging and much much more Readers can expect a greater understanding of the intricate adventure of stem cell research as well as the political wrestling it took to make progress possible that California s effort may benefit the world From early research to clinical trials America should take pride in the accomplishments of the California Institute for Regenerative Medicine Read on

**Thriving in Recovery** Bob Reese PhD, 2017-08-25 Do you know who you are Most books regarding addiction focus on the importance of quitting Few books however address maintaining recovery much less thriving in recovery The 13th Step integrates Bob s personal story including his twenty five years in the NFL with research in the psychology of addiction recovery Bob posits that you can t thrive in recovery from addiction unless you know who you are To know who you are you need to recognize the insidious nature of addiction and the role dysfunctional relationships play in encouraging and enabling addiction and the way these dysfunctional relationships can undermine and sabotage recovery These realizations inform choices and healthy changes required for maintaining recovery Bob s curiosity experiences education and research into performance and positive psychology have enabled him to apply scientifically supported interventions and techniques to encourage the positive changes necessary to take the thirteenth step to thrive in recovery

Develop the Winners Mentality Bob Reese MA ATC, 2005-08-26 Develop the Winner s Mentality 5 Essential Mental Skills for Enduring Success Bob Reese Ph D In the genre of psychological self help and success literature Bob Reese has contributed a most valuable addition with his Develop the Winner s Mentality He has taken the essentials of cognitive behavioral motivational and sport psychology and integrated them with an energy component that not only explains why they

work but accelerates their outcomes The technique of Feelazation which is the addition of powerful emotional energy to visualization is also introduced Reese says There s nothing really new about goal setting visualization stress management and how to think effectively They are all important and effective for promoting success What I bring to the party is adding the emotional and energetic components to the other skills so that with proper integration you can cause enduring success The 5 Essential Mental Skills are goal setting visualization energy management effective thinking and mental toughness As stand alones each of the five mental skills can have a positive impact on performance behavior and success According to Reese when these skills are integrated there is a synergistic effect created in which the result enduring success is much greater than the sum of the parts He also posits that the integration of the first four essential mental skills can encourage mental toughness a trait that many feel you have to be born with In his Ph D dissertation Reese showed that a Div I Volleyball team enhanced both individual performance and mental toughness when the program was implemented For 25 years Reese served as an athletic trainer in the NFL Develop the Winner s Mentality is replete with both humorous and poignant stories of how some of the athletes he worked with utilized these skills to ensure their success The most moving example is that of Dennis Byrd a New York Jets player who was quadriplegic from a broken neck and who had a grim prognosis he would be confined to a wheelchair for life Byrd s use of emotive goal setting to walk out of the hospital only three months after his injury leads Reese to refer to him as the Ultimate Goal Setter Forewards for Develop the Winner s Mentality are provided by two time NCAA National Champion University of Southern California Head Football Coach Pete Carroll and former NFL All Pro wide receiver and TV Celebrity Ahmad Rashad Both high performers Carroll and Rashad discuss their use of the mental skills and their personal relationship with Reese The book is sectioned into 15 chapters that are written in a manor that facilitates the novice in the learning and application of each of the 5 Essential Mental Skills Winner s is also interesting enough to keep the successful veterans of mental skills training engaged so that they can enhance the skills they already possess Included in Develop the Winner s Mentality are many exercises for the reader to apply which makes it a workbook within a text Adjunct materials such as a voiceover PowerPoint and web support are in development so that Develop the Winner s Mentality can be used as continuing education for executive life and success coaches athletic trainers physical therapists and physical therapists assistants strength and fitness coaches and anyone else interested in enhancing performance with individuals or groups Winner s is well researched from both popular and scientific literature and may be used as a primary or supplemental text for college courses such as introductory psychology college success and sport psychology

Hess Tina Davis, Jessica Resnick-Ault, 2015-10-30 A glimpse of the savvy that built a global corporation from scratch Hess The Last Oil Baron profiles a titan of the oil industry mapping the journey of the quintessential American dream The story of Leon Hess follows an immigrant kosher butcher s son as he builds an oil dynasty that may never be matched The multinational multi billion dollar company began with a single second hand delivery truck and the Rockefeller caliber business acumen of one young man

Interviews with former employees beneficiaries and even his high school sweetheart provide an insider's perspective on the man behind the legacy allowing today's aspiring entrepreneurs the opportunity to learn from one of the nation's most inspiring success stories Leon Hess built a global empire from the ground up Along the way he fought in a war did business with Muammar Qaddafi won a Super Bowl as the owner of the Jets was involved in Watergate and introduced the Hess toy truck that became a holiday tradition for millions of Americans More than just a book of business strategy Hess tells the story of a life fascinatingly lived and the legacy he left behind Discover the man behind the company the Jets football team and the iconic toy truck Learn how the actions of Leon Hess affected the modern push toward energy independence Study the strategy that turned a single truck operation into a major integrated company Consider the challenges Hess Corp faces to its family legacy today and the solutions being implemented Leon Hess strategies and techniques can be emulated and imitated but his entrepreneurial fire is something altogether more rare Hess provides readers with a glimpse of the man whose unrivaled ambition changed an industry and a nation
