## **Risky Business:**

**Risky Business** Khaled El Emam, 2013-02 Due to the digitization of medical records more and more health data is readily available This dynamic has created many opportunities to unlock this information and use it to improve medical practice and through research and surveillance understand the effectiveness and side effects of drugs and medical devices to ultimately improve the public's health This data can also be used for commercial purposes such as sales and marketing However this newfound utility raises some profound questions about how this data ought to be used and how it will impact personal privacy Unless we are able to address these privacy issues in a convincing and defensible way there will be increased breaches of personal privacy This will provoke regulators to impose new rules limiting the use and disclosure of health data for secondary purposes patients increasingly to adopt privacy protective behaviours because they no longer trust how their health information is being managed or healthcare providers to be reluctant to share their patients data By adopting responsible data sharing practices researchers companies and the general public can gain the benefits and the promise of big data analytics without sacrificing personal privacy or infringing upon law or regulation *Risky Business* Sharing Health Data While Protecting Privacy illustrates how this goal can be achieved Bringing articles from a diverse collection of health data experts to inform the reader on contemporary policy legal and technical issues surrounding health information privacy and data sharing It is a uniquely practical work to inform the reader on how best and how not to share health data in the US and Canada *New York Magazine*, 1983-09-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Risky Business* William D. Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship Prior to Saturday Night Fever rock music had a limited role in the motion picture business That movie's success and the success of its soundtrack began to change the silver screen In 1983 with Flashdance the situation drastically evolved and by 1984 ten soundtracks many in the pop rock genre were certified platinum Choosing which rock scores to discuss in this book was a challenging task The authors made selections from seminal films such as The Graduate Easy Rider American Graffiti Saturday Night Fever Help and Dirty Dancing However many productions of the period are significant not because of their success but because of their box office and record store failures *Risky Business* chronicles the interaction of two major mediums of mass culture in the latter twentieth century This book is essential for those interested in communications popular culture and social change *New York Magazine*, 1983-09-12 New York magazine was born in 1968 after a run as an

insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

*The Ludzecky Sisters* Kathryn Shay, 2024-10-10 A family struck by almost unbearable tragedy is finally able to go with their lives BEGIN AGAIN The Ludzecky family was leveled by an unspeakable tragedy Three years later Paulina runs a contracting business with her twin Antonia And she s ready to dip her toes in romance especially after she meets the architect on the new next project PRIMARY COLORS Antonia is stuck in her grief and can t find a way out of her sorrow over the untimely death of her beloved husband Until she meets a modern artist whose gentle demeanor and lack of arrogance attracts her RISKY BUSINESS Magdalena is a child prodigy and career woman extraordinaire She s a partner in a private equity firm and is a force to be reckoned with Her best friend is her colleague Logan Pierce who s always there for her especially when her brothers in law were killed Suddenly they find attraction growing between them But an office romance is unthinkable THE WAY WE WERE Ana Ludzecky had it all a sexy husband a beautiful daughter her dream house and the best extended family in the world Then tragedy strikes their family and her life turns upside down She makes some bad choices that eventually lead to the dissolution of her marriage to the love of her life HANDLE WITH CARE Diagnosed with leukemia at sixteen Sofia has been affected by more tragedy than any of her sisters But she found the strength to help her sisters out and also take care of herself Being a yoga teacher helps her live a calm life Enter the athletic boisterous Physical Education teacher who goes after her with all he s got LOVE STORY Elizabeta Ludzecky is two different women one the risk taking hip wild child in the Ludzecky family And the other a Rhodes Scholar and businesswoman who works at the Met But there s a problem at the museum and the undercover cop is placed there When she sets her sights on him his first instinct is to run in the other direction Soon that changes dramatically

**New York Magazine** ,1983-10-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Knowledge and Discourse Matters  
Lesley Crane,2015-09-08 This book provides a practical approach to harnessing knowledge in organizations Its focus is on knowledge sharing tacit knowing and a view of knowledge as an accomplishment in social interaction The aim of this book is to explore and show how the phenomena of trust risk and identity as contexts constructed by speakers themselves influence and mediate knowledge sharing in organizational encounters The research particularly reveals how tacit knowledge knowing affects the scope and directions of everyday conversation The first part of the book presents a comprehensive critical appraisal and analysis of the field of organizational knowledge management followed by an introduction to the theory and methodology of discourse analysis and a view of tacit knowing drawn from studies in implicit learning The second part reports the detailed analysis and findings of original field research investigating how participants in regular organizational meetings including a discussion forum manage the business of sharing knowledge From the perspective of the research methodology drawing on Discursive Psychology knowledge is approached as an accomplishment in social interaction with

talk and text shown to be constructive functional and action oriented Presents a rigorous evidence based approach to Knowledge Management using original research Approaches discourse as the location of knowledge work and the site to which knowledge management practice should be focused Positions the actions of knowledge work in everyday talk and text thus giving practitioners a ready toolset to improve their strategies practices and understanding of knowledge within organizations Knowledge and Discourse Matters Relocating Knowledge Management s Sphere of Interest onto Language is a great reference for organizational leaders knowledge managers and human resource managers Dr Lesley Crane is an independent consultant specializing in knowledge management and technology supported learning for adults e learning Much of her consultancy work involves providing strategic advice and research on the effective use of e content e tools and the use of new technologies in the delivery of teaching and learning Prior to working as a consultant Lesley was Managing Director of her own SME business specializing in creative e learning design and development for public and private sector organizations

Child Sexual Abuse India Bryce, Wayne Petherick, 2020-04-30 Child Sexual Abuse Forensic Issues in Evidence Impact and Management covers the issue of child sexual abuse from several viewpoints The book approaches child abuse from both victimization and offender perspectives offering applied perspectives from experts and practitioners in the field including discussions on policing child safety and intelligence This is a significant divergence from the literature most commonly provided in the market Other sections cover psychological physical abuse and neglect protective factors at individual and community levels recognition responses biopsychosocial outcomes dealt with in discrete chapters public policy prevention institutional abuse children and corrections treatment management and much more Approaches child sexual abuse from both victimization and offending perspectives Comprised of both empirical scholarship and applied material from global experts and practitioners Includes significant advances in areas such as disclosure the neurological effects of child abuse neuroplasticity trafficking and online and virtual child abuse

*Tough Truths for Tough Times* ,2011-04-25 Today we do not experience great manifestations of God as Moses did many years ago God has not spoken to us out of a burning bush and neither have we heard His voice as He walked in the cool of the day in the Garden of Eden We have not looked up over our house of worship and seen the Shekinah glory of God in a visible way But God does reach into our hearts and into our life and speak to us through His holy Word One of the outstanding characteristics of Jesus while on earth was His keen skills of observation He possessed what we sometimes refer to as a homiletic mind and saw sermon illustrations at every turn As He lifts up some simple happening and draws insights from it we feel refreshed by His words and they speak directly to our own condition The twenty one tough truths for these troubled times that furnish the content of this book do not originate with the author but extracted from the storehouse of God s inexhaustible truth found in both Old and New Testaments The insights speak to the soul with urgings to rise above the petty to the significant the secular to the sacred and the finite to the infinite

*Humanitarian Logistics* Martin Christopher, Peter Tatham, 2011 Humanitarian Logistics examines the challenges facing

those whose role it is to organize and distribute resources in difficult situations This multi contributor volume includes insights from some of the world's leading experts in disaster relief It examines key issues including warehousing procurement and funding With particular focus on pre disaster preparation rather than post disaster assistance Humanitarian Logistics provides current thinking as well as best practice for those who need to understand the many challenges and the ways to respond effectively     Re-imagining Capitalism Dominic Barton,Dezső Horváth,Matthias Kipping,2016 Following the financial and economic crisis in 2008 came broad based recognition that free market economies need to be reformed in the direction of a more stable equitable and sustainable model of capitalism in order to ensure its survival This volume provides suggestions of what such a model should look like and how it can be achieved     **New York Magazine** ,1983-09-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea     *Deforming American Political Thought* Michael J. Shapiro,2016-02-19 *Deforming American Political Thought* offers an alternative to the dominant American historical imagination treating issues that range from the nature of Thomas Jefferson's vision of an egalitarian nation to the persistence of racial inequality Presenting multifaceted arguments that transcend the myopic scope of traditional political discourses Michael J Shapiro summons disparate disciplines and genres architecture crime stories novels films and jazz blues music among others to provide approaches to the comprehension of diverse facets of American political thought from the founding to the present The book's various investigations disclose that there have always been dissenting voices articulated in diverse genres of expression that cast doubt on the moral purpose and exceptionalism of the American mind This highly anticipated updated second edition features a preface focusing on aesthetic theory and the contributions of artistic genres for political analysis and a completely new chapter on critical thinking about the US western and urban encounters afforded by the two HBO series *Deadwood* and *The Wire* respectively
