**Last Words** C. Bernard Ruffin,2024-10-14 The last words of the dying often provide insight into their feelings about life Some are peaceful It is very beautiful over there Thomas Alva Edison many are spiritual Don t ask the Lord to keep me here Ask him to have mercy Walker Percy others are angry God damn the whole frigging world and everybody in it except you Carlotta W C Fields still others reflect the weary fight against death I m bored of it all Sir Winston Churchill Nearly 2 000 deathbed quotations from saints popes statesmen scientists soldiers musicians athletes artists entertainers writers criminals and others are included in this reference work Each entry includes a brief biographical sketch of the person and sets the quotation in context The sources for the quotes include biographies newspaper and magazine accounts and in a few instances firsthand accounts      *Shakespeare's Curse* Björn Quiring,2013-10-15 Conceptualizing the curse as the representation of a foundational mythical violence that is embedded within juridical discourse Shakespeare s Curse The Aporias of Ritual Exclusion in Early Modern Royal Drama pursues a reading of Richard III King John and King Lear in order to analyse the persistence of imprecations in the discourses of modernity Shakespeare wrote during a period that was transformative in the development of juridical thinking However taking up the relationship between theater theology and law Bj rn Quiring argues

that the curse was not eliminated from legal discourses during this modernization of jurisprudence rather it persisted and to this day continues to haunt numerous speech acts Drawing on the work of Derrida Lacan Walter Benjamin and Giorgio Agamben among others Quiring analyses the performativity of the curse and tracks its power through the juristic themes that are pursued within Shakespeare s plays such as sovereignty legitimacy succession obligation exception and natural law Thus this book provides an original and important insight into early modern legal developments as well as a fresh perspective on some of Shakespeare s best known works A fascinating interdisciplinary study this book will interest students and scholars of Law Literature and History      **Rousseau's Social Contract** David Lay Williams,2014-01-13 Rousseau s Social Contract An Introduction offers a thorough and systematic tour of this notoriously paradoxical and challenging text      **Judy, Or the London Serio-comic Journal** ,1876      **A Complete Concordance to Shakespeare** John Bartlett,2016-02-17 A complete concordance or verbal index to words phrases and passages in the dramatic works of Shakespeare There is also a supplementary concordance to the poems This is an essential reference work for all students and readers of Shakespeare
