Eros in Orbit Joseph Elder, 1973 *Sex, a Love Story* Jerome Gold, 2021 *Sex A Love Story* is a coming of age novel about a boy and a girl seniors in high school who use sex as a way of encountering the world after high school and establishing their individual identities The novel takes place at the end of the Eisenhower administration and the beginning of the Kennedy era It is set in Orange County California Bob and Jen are the children of parents who entered the middle class after World War II Life for these kids has not reached the level of affluence the professional class knows Life especially for middle class white kids is often boring Anticipating life after high school kids are concerned with finding work or going to college or into the military Much of the sex is erotic although other parts read more clinically as in Oh I see If I do this he ll do that Or if I do that she ll do this If for Bob and Jen sex is at first a way of exploring the adult world it soon becomes a way to defy the world But the world intrudes Bob worries about money the recession finding and holding a job The book emphasizes the kinds of unskilled labor jobs Bob finds the people he meets and his anxiety when he is out of work While sex with Jen and his growing love for her are immeasurably important to Bob so is his desire to write and travel to learn how the world works Jen and that imagined life are rivals Bob knows this but wants both Jen doesn t see herself as a rival to Bob s

future but as a part of it Even more than Bob does she sees herself as a sexual being Both characters grow increasingly complex as they gain experience of the world While their relationship ends or appears to end each of them moving toward a different way of living in the world we can say ultimately not that love conquers all but that it endures whether or not we will it despite the world and despite ourselves This is a pre feminist novel in that while feminism has not yet become a movement in the years most of this story occurs many of the issues that feminism is concerned with are depicted in rudimentary form in this book
