Sexual Dimension In Literature The:

Willa Cather's Sexual Aesthetics and the Male Homosexual Literary Tradition John P. Anders, 1999-01-01 In this first full length study of male homosexuality in Cather's short stories and novels John P Anders examines patterns of male friendship ranging on a continuum from the social to the sexual He reveals how Cather's work assumes an unexpected depth and complexity by drawing on both the familiar tradition of friendship literature inspired by classical and Christian texts and a homosexual legacy that is part of yet distinct from established literary traditions Anders argues that Cather's artistic achievement is distinguished by her sexual aesthetics an elusive literary style inextricably associated with homosexuality His analysis demonstrates how a homosexual ethos and eros helped Cather develop a sensitivity to human variation and a style to accommodate it and thus became the objective correlative of her art dramatizing the diversity of human nature as it deepens the mystery of her work

entertainment We all see it in popular television programs and movies Infidelity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infidelity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfied with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what if situations such as what if I'm married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One pricks it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you *Sexual Predators* Robert A.
