Shadow University:

The UnCivil University Gary A. Tobin, Aryeh Kaufmann Weinberg, Jenna Ferer, 2009-05-16 In the name of academic freedom the core values of higher education honest scholarship unbiased research and diversity of thought and person have been corrupted by an academy more interested in preserving its privileges than in protecting its own integrity The American university has lost its civility Nowhere is this loss more apparent than in the rise of anti Semitism and anti Israelism on college campuses This book documents the alarming rise in bigotry and bullying in the academy using a range of evidence from first hand accounts of intimidation of students by anti Israel professors to anti Semitic articles in student newspapers and marginalization of pro Israel scholars The UnCivil University exposes the unspoken world of double standards bureaucratic paralysis and abdication of leadership that not only allows but often supports a vocal minority of extremists on campus

book a student in Georgia expelled for a pro environment collage he posted on Facebook students at Yale banned from putting an F Scott Fitzgerald quote on a T shirt and students across the country corralled into tiny free speech zones when they wanted to express their views But Lukianoff goes further demonstrating how this culture of censorship is bleeding into the larger society As he explores public controversies involving Juan Williams Rush Limbaugh Bill Maher Richard Dawkins Larry Summers even Dave Barry and Jon Stewart Lukianoff paints a stark picture of our ability as a nation to discuss important issues rationally Unlearning Liberty Campus Censorship and the End of American Debate illuminates how intolerance for dissent and debate on today s campus threatens the freedom of every citizen and makes us all just a little bit dumber
