[Microform]. Margaret Loftus Ranald, 1964 *Shakespeare's Comedies* Jeanne Arthur, 2023-09-18 These translations of Shakespeare's comedies stand on their own so that they may be read quickly and easily eliminating the need to search for the meaning of every second word but they are supplemented by supporting explanations of the world in which Shakespeare lived for those who are curious about it Jeanne Arthur's translations make Shakespeare accessible to the ordinary person She hopes that they will make the fun and warmth of Shakespeare's comedies live in contemporary Western culture once again for many more people **Selected Comedies and Late Romances of Shakespeare from a Christian Perspective** E. SHAKESPEARE'S ROMANCES Jeanne Arthur,2025-01-21 Shakespeare s Romances is a prose translation of Shakespeare s nine romantic comedies into Standard English These translations of Shakespeare s romances stand on their own so that they may be read quickly and easily eliminating the need to search for the meaning of every second word of Shakespeare s original text As well they are supplemented by explanations of the world in which Shakespeare lived for those who are curious about it Jeanne Arthur s Shake Shakespeare s Hand and make a friend for life translations make Shakespeare s texts accessible to the ordinary person by clearing away four hundred years of changes to the English language to reveal the fresh liveliness of Shakespeare s dialogue She hopes that they will enable the reader or audience member to travel back in time to enjoy the romances Shakespeare wrote for his own audience and make them live in contemporary Western culture once again for many more people Some lovers of Shakespeare s writing may object to the idea that his work needs to be translated However Jeanne Arthur believes that their love of Shakespeare argues for a translation rather than against one It is over four hundred years since Shakespeare s death Not only has the English language evolved since this time but so has the culture of the world Making a translation of the language enables us to appreciate more accurately the cultural differences and similarities between us and the world he lived in With the right help our imagination is a wonderful tool that can enable us to move freely into the past across cultures and into the future Drama and other fictional forms exploit this capacity that we have to imagine ourselves anywhere and in any time

The Comedies, Histories, and Tragedies of Mr. William Shakespeare as Presented at the Globe and Blackfriars Theatres, Circa 1591-1623 William Shakespeare,1888 *Masculinity and Marian Efficacy in Shakespeare's England* Dr Ruben Espinosa,2013-05-28 Masculinity and Marian Efficacy in Shakespeare s England offers a new approach to evaluating the psychological loss of the Virgin Mary in post Reformation England by

illustrating how in the wake of Mary's demotion re-inscriptions of her roles and meanings only proliferated seizing hold of national imagination and resulting in new configurations of masculinity The author surveys the early modern cultural and literary response to Mary's marginalization and argues that Shakespeare employs both Roman Catholic and post Reformation views of Marian strength not only to scrutinize cultural perceptions of masculinity but also to offer his audience new avenues of exploring both religious and gendered subjectivity By deploying Mary's symbolic valence to infuse certain characters and dramatic situations with feminine potency Espinosa analyzes how Shakespeare draws attention to the Virgin Mary as an alternative to an otherwise unilaterally masculine outlook on salvation and gendered identity formation **The**
