

Shakespeare Redux

Sarah Annes Brown

Shakespeare Redux:

Choreographing Shakespeare Elizabeth Klett, 2019-10-16 *Choreographing Shakespeare* presents a hitherto unexplored history of the choreographers and performers who have created dance adaptations of Shakespeare. This book investigates forty dance works in genres such as ballet, modern dance, and hip hop produced between 1940 and 2016 by choreographers in Britain, America, and Europe, all of which use Shakespeare's plays and Sonnets as their source material. By combining scholarly analysis of these productions with practice-based conversations from six contemporary choreographers, Klett offers both breadth of coverage and in-depth analysis of how Shakespeare's poetic language is translated into the usually wordless medium of dance and shows exactly how these dance adaptations move beyond the Shakespearean texts to engage with musical and choreographic influences. Ideal for students of Shakespeare and Dance Studies, *Choreographing Shakespeare* explores how dance adaptations strive to design legible and intelligible stories while ultimately celebrating the beauty of pure movement.

Shakespeare and Fun Donald Hedrick, 2025-02-27 In this bold original study, Hedrick proposes an early modern entertainment value revolution to which Shakespeare contributed and in which he played a competitive role. As London's nascent capitalist industry developed and the variety of entertainments proliferated, theatre contributes to the birth of entertainment value and a commercial trajectory toward what Marxist critic Adorno theorizes as fun, seen contemporaneously in Las Vegasization and the election of Donald Trump to U.S. Presidency. In this innovative approach to Shakespeare's plays through their compulsory competitive relation to other choices from London's entertainment industry such as sex work and gaming, Hedrick recovers a coherent internal dynamic of theatre's pleasure enclosure accompanying the revolutionary logic of capital's new cultural and economic extremes. Applying these relations to original insightful readings of *A Midsummer Night's Dream*, *The Winter's Tale*, and *The Taming of the Shrew*, Hedrick draws from cultural studies, contemporary and personal parallels, wide-ranging historical materials, and political theory. These include the semantic shifts in keywords of pleasure, the practice of betting on actors, the psychology of paying admission before an entertainment, and various reality shows such as contests of prose and verse. Continual insights emerge, both broad and specific, from ten entertainment value axioms to Shakespeare's awareness of entertainment value's birth at moments in his late plays marking a logic of value crisis, bubbles, and the danger of too much fun.

Shakespeare On Stage and Off Kenneth Graham, Alysia Kolentsis, 2019-12-19 Today's debates about the cultural role of the humanities and the arts are roiling. Responding to renewed calls to reassess the prominence of canonical writers, *Shakespeare On Stage and Off* introduces new perspectives on why and how William Shakespeare still matters. Lively and accessible, the book considers what it means to play work and live with Shakespeare in the twenty-first century. Contributors, including Antoni Cimolino, artistic director of the Stratford Festival, engage with contemporary stagings of the plays, from a Trump-like Julius Caesar in New York City to a black Iago in Stratford-upon-Avon and a female Hamlet on the Toronto stage, and explore the effect of performance practices.

on understandings of identity death love race gender class and culture Providing an original approach to thinking about Shakespeare some essays ask how the knowledge and skills associated with working lives can illuminate the playwright's works Other essays look at ways of interacting with Shakespeare in the digital age from Shakespearean resonances in Star Trek and Indian films to live broadcasts of theatre performances social media and online instructional tools Together the essays in this volume speak to how Shakespeare continues to enrich contemporary culture A timely guide to the ongoing importance of Shakespearean drama Shakespeare On Stage and Off surveys recent developments in performance adaptation popular culture and education Contributors include Russell J Bodi Owens State Community College Christie Carson Royal Holloway University of London Brandon Christopher University of Winnipeg Antoni Cimolino Stratford Festival Jacob Claflin College of Eastern Idaho Lauren Eriks Cline University of Michigan David B Goldstein York University Gina Hausknecht Coe College Peter Holland University of Notre Dame R W Jones University of Texas Christina Luckyj Dalhousie University Julia Reinhard Lupton University of California Irvine Linda McJannet Bentley University Roderick H McKeown University of Toronto Hayley O Malley University of Michigan Amrita Sen University of Calcutta Eric Spencer The College of Idaho Lisa S Starks University of South Florida St Petersburg and Jeffrey R Wilson Harvard University

The ^AOxford Handbook of Shakespeare and Dance Lynsey McCulloch, Brandon Shaw, 2019-01-28 Featuring new chapters from thirty leading scholars The Oxford Handbook of Shakespeare and Dance examines the relationship between William Shakespeare his life works afterlife and dance

Shakespeare in the Light Amy R. Cohen, Paul Menzer, 2019-07-23 Shakespeare in the Light convenes an accomplished group of scholars actors and teachers to celebrate the legacy of renowned Shakespearean and co founder of the American Shakespeare Center Ralph Alan Cohen Each contributor pivots off a production at the ASC's Blackfriars Playhouse to explore Cohen's abiding passion the performance of the plays of William Shakespeare under their original theatrical conditions Whether interested in early modern theatre history the teaching of Shakespeare to high school students or the performance of Shakespeare in twenty first century America each essay sheds light on the professing of Shakespeare today whether on the page on the stage or in the classroom Guided by the spirit of universal lighting so central to the aesthetic of the American Shakespeare Center Shakespeare in the Light illuminates the impact that the ASC and its founder have made upon the teaching editing scholarship and performance of Shakespeare today

Coping Luc Bovens, 2021-12-02 Coping is a collection of philosophical essays on how we deal with life's challenges We hope for better times but what is hope and is it a good thing to hope How do we look back and make sense of our lives in the face of death What is the nature of love and how do we deal with its hardships What makes for a genuine apology and is there too much or too little apologizing in this world Can we bring about changes in ourselves to adapt to our circumstances How can we make sense of all the good advice such as count your blessings don't cry over spilled milk that people have on offer Coping is a perfect companion text for a moral psychology course a resilience course or part of an ethics course The material is written for readers who are new

to philosophy and progresses in short self contained sections It draws on literature music podcasts and news items Each chapter has questions for discussion or essay writing and suggestions for material to explore the topic further

Playfulness in Shakespearean Adaptations Marina Gerzic,Aidan Norrie,2020-04-30 Four hundred years after William Shakespeare s death his works continue to not only fill playhouses around the world but also be adapted in various forms for consumption in popular culture including in film television comics and graphic novels and digital media Drawing on theories of play and adaptation Playfulness in Shakespearean Adaptations demonstrates how the practices of Shakespearean adaptations are frequently products of playful and sometimes irreverent engagements that allow new Shakespeares to emerge revealing Shakespeare s ongoing impact in popular culture Significantly this collection explores the role of play in the construction of meaning in Shakespearean adaptations adaptations of both the works of Shakespeare and of Shakespeare the man and contributes to the growing scholarly interest in playfulness both past and present The chapters in Playfulness in Shakespearean Adaptations engage with the diverse ways that play is used in Shakespearean adaptations on stage screen and page examining how these adaptations draw out existing humour in Shakespeare s works the ways that play is used as a pedagogical aid to help explain complex language themes and emotions found in Shakespeare s works and more generally how play and playfulness can make Shakespeare relatable relevant and entertaining for successive generations of audiences and readers

Shakespeare and Science Fiction Sarah Annes Brown,2021-11-16 In Shakespeare and Science Fiction Sarah Annes Brown investigates why so many science fiction writers have turned to Shakespeare when imagining humanity s future He and his works become a kind of touchstone for the species in much science fiction both transcending and exemplifying what it means to be human Writers have used Shakespeare in a range of often contradictory ways He is associated with freedom and with tyranny with optimistic visions of space exploration and with the complete destruction of the human race His works have been invoked to justify the existence of humanity but have also frequently been coopted for their own purposes by alien life forms or artificial intelligences Shakespeare and Science Fiction is the first extended study of Shakespeare s influence on the genre It draws on over a hundred works across different science fiction media identifying recurring patterns and telling contradictions in the way science fiction engages with Shakespeare It includes discussions of time travel alternate history dystopias space opera posthuman identity and post apocalyptic fiction

SHAKESPEARES HAMLET IN AN ERA OF TEXTUAL EXHAUSTION Sonya Freeman Loftis,Allison Kellar,Lisa Ulevich,2017-11-27 Post Hamlet Shakespeare in an Era of Textual Exhaustion examines how postmodern audiences continue to reengage with Hamlet in spite of our culture s oversaturation with this most canonical of texts Combining adaptation theory and performance theory with examinations of avant garde performances and other unconventional appropriations of Shakespeare s play Post Hamlet examines Shakespeare s Hamlet as a central symbol of our era s textual exhaustion an era in which the reader viewer is bombarded by text printed digital and otherwise The essays in this edited collection divided into four sections focus on the

radical employment of Hamlet as a cultural artifact that adaptors and readers use to depart from textual authority in for instance radical English language performance international film and stage performance pop culture and multi media appropriation and pedagogy *Shakespeare and Disability Theory* Genevieve Love,2025-10-16 Shakespeare and Disability Theory serves as a guide to the intersections of Shakespeare studies and disability studies Intervening in contemporary critical debates about recognizing disability representations in dramatic texts Genevieve Love explores the stakes of embodying disability in Shakespearean performance After tracking the emergence of critical disability studies as a field Love maps out how claims from disability theory influence and continue to transform Shakespeare studies Through methodologies of literary disability studies the volume provides fresh readings of a range of Shakespeare texts illustrating the power of disability theory to reframe familiar ideas in Shakespeare and to illuminate unfamiliar ones While the archetypal Richard III provides an extended case study that highlights performance choices by disabled actors and contemporary appropriations of disability Love s close readings move beyond Shakespeare s representations of singular disabled characters Plays such as Julius Caesar and King Lear display the expansive networks through which we recognize Shakespearean disability including neurodiversity Subsequent chapters underscore disability s intersectionality recognized through dynamics of incorporation care and community in Othello and Henry V and demonstrate how plays such as The Tempest and Titus Andronicus mobilize disability as a resource for theatricality through stage properties and theatrical prostheses All these approaches point to engagements with literary and theatrical disability representations that challenge outmoded methods for Shakespeare students scholars and practitioners **The Science of Shakespeare** Dan Falk,2014-04-22 William Shakespeare lived at a remarkable time a period we now recognize as the first phase of the Scientific Revolution New ideas were transforming Western thought the medieval was giving way to the modern and the work of a few key figures hinted at the brave new world to come the methodical and rational Galileo the skeptical Montaigne and as Falk convincingly argues Shakespeare who observed human nature just as intently as the astronomers who studied the night sky In The Science of Shakespeare we meet a colorful cast of Renaissance thinkers including Thomas Digges who published the first English account of the new astronomy and lived in the same neighborhood as Shakespeare Thomas Harriot England s Galileo who aimed a telescope at the night sky months ahead of his Italian counterpart and Danish astronomer Tycho Brahe whose observatory castle stood within sight of Elsinore chosen by Shakespeare as the setting for Hamlet and whose family crest happened to include the names Rosencrans and Guildenstern And then there s Galileo himself As Falk shows his telescopic observations may have influenced one of Shakespeare s final works Dan Falk s The Science of Shakespeare explores the connections between the famous playwright and the beginnings of the Scientific Revolution and how together they changed the world forever

Shakespeare's Bastard Simon Andrew Stirling,2016-02-04 Sir William Davenant 1606 1668 Poet Laureate and Civil War hero is one of the most influential and neglected figures in the history of British theatre He introduced opera actresses

scenes and the proscenium arch to the English stage Narrowly escaping execution for his Royalist activities during the Civil War he revived theatrical performances in London right under Oliver Cromwell's nose Nobody perhaps did more to secure Shakespeare's reputation or to preserve the memory of the Bard Davenant was known to boast over a glass of wine that he wrote with the very spirit of Shakespeare and was happy to be thought of as Shakespeare's son By recounting the story of his eventful life backwards through his many trials and triumphs this biography culminates with a fresh examination of the vexed issue of Davenant's paternity Was Sir William's mother the voluptuous and maddening Dark Lady of Shakespeare's Sonnets and was he Shakespeare's lovely boy

Shakespeare and Visual Culture Armelle Sabatier, 2016-11-17 Statues coming to life and lively portraits ready to breathe in Shakespeare This new volume reassesses the key role played by visual culture in his drama and poetry by providing readers with an up-to-date guide to the main publications on the subject as well as offering a synthesis on the main literary and historical sources for inspiration While scrutinising the complex issue of image on an Elizabethan stage and exploring the codification of colours in Shakespeare's poetry this dictionary highlights the fierce rivalry between the poet the dramatist and the visual artist This volume will be of great interest and value to students of Shakespeare students of art history or anyone working on the interdisciplinary subject of literature and art

Screen Adaptations: Shakespeare's Hamlet Samuel Crowl, 2014-03-27 Hamlet is the most often produced play in the western literary canon and a fertile global source for film adaptation Samuel Crowl a noted scholar of Shakespeare on film unpacks the process of adapting from text to screen through concentrating on two sharply contrasting film versions of Hamlet by Laurence Olivier 1948 and Kenneth Branagh 1996 The films' socio-political contexts are explored and the importance of their screenplay film score setting cinematography and editing examined Offering an analysis of two of the most important figures in the history of film adaptations of Shakespeare this study seeks to understand a variety of cinematic approaches to translating Shakespeare's words words words into film's particular grammar and rhetoric

Shakespeare's Global Sonnets Jane Kingsley-Smith, W. Reginald Rampone Jr., 2023-02-22 This edited collection brings together scholars from across the world including France Italy Germany Hungary Japan the USA and India to offer a truly international perspective on the global reception of Shakespeare's Sonnets from the 18th century to the present Global Shakespeare has never been so local and familiar as it is today The translation appropriation and teaching of Shakespeare's plays across the world have been the subject of much important recent work in Shakespeare studies as have the ethics of Shakespeare's globalization Within this discussion however the Sonnets are often overlooked This book offers a new global history of the Sonnets including the first substantial study of their translation and of their performance in theatre music and film It will appeal to anyone interested in the reception of the Sonnets and of Shakespeare across the world

Shakespeare and the Power of the Face James A. Knapp, 2016-03-03 Throughout his plays Shakespeare placed an extraordinary emphasis on the power of the face to reveal or conceal moral character and emotion repeatedly inviting the audience to attend carefully to facial features and

expressions The essays collected here disclose that an attention to the power of the face in Shakespeare's England helps explain moments when Shakespeare's language of the self becomes intertwined with his language of the face As the range of these essays demonstrates an attention to Shakespeare's treatment of faces has implications for our understanding of the historical and cultural context in which he wrote as well as the significance of the face for the ongoing interpretation and production of the plays Engaging with a variety of critical strands that have emerged from the so called turn to the body the contributors to this volume argue that Shakespeare's invitation to look to the face for clues to inner character is not an invitation to seek a static text beneath an external image but rather to experience the power of the face to initiate reflection judgment and action The evidence of the plays suggests that Shakespeare understood that this experience was extremely complex and mysterious By turning attention to the face the collection offers important new analyses of a key feature of Shakespeare's dramatic attention to the part of the body that garnered the most commentary in early modern England By bringing together critics interested in material culture studies with those focused on philosophies of self and other and historians and theorists of performance Shakespeare and the Power of the Face constitutes a significant contribution to our growing understanding of attitudes towards embodiment in Shakespeare's England

Shakespeare - Henry V Matthew Woodcock,2008-06-25 Matthew Woodcock provides a survey of the critical responses to this popular play as well as the key debates and developments from the seventeenth century to the present day Leading the reader through material chronologically the Guide summarises and assesses key interpretations setting them in their intellectual and historical context

The Shakespearean International Yearbook Alexa Alice Joubin,Natalia Khomenko,Katherine Schaap Williams,2024-04-18 The Shakespearean International Yearbook surveys the present state of Shakespeare studies in global contexts addressing issues that are fundamental to our interpretive encounter with Shakespeare's work and his time Contributions are solicited from scholars across the field and from both hemispheres of the globe who represent diverse career stages and linguistic traditions Both new and ongoing trends are examined in comparative contexts and emerging voices in different cultural contexts are featured alongside established scholarship Each volume features a collection of articles that focus on a theme curated by a specialist Guest Editor along with coverage of the current state of the field in other aspects An essential reference tool for scholars of early modern literature and culture this annual publication captures from year to year current and developing thought in global Shakespeare scholarship and performance practice worldwide

Selling Shakespeare to Hollywood Emma French,2006 Filmed Shakespeare criticism has largely centred on aesthetic critiques of filmic devices or on comparisons between the film and the source text Employing a new angle this book explores the reasons why contemporary filmed Shakespeare prompts cultural anxiety about high culture adaptation

A New Variorum Edition of Shakespeare: Macbeth. 1873 William Shakespeare,1903

Shakespeare Redux Introduction

In today's digital age, the availability of Shakespeare Redux books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare Redux books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare Redux books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare Redux versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare Redux books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare Redux books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare Redux books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare Redux books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare Redux books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare Redux Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare Redux is one of the best book in our library for free trial. We provide copy of Shakespeare Redux in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare Redux. Where to download Shakespeare Redux online for free? Are you looking for Shakespeare Redux PDF? This is definitely going to save you time and cash in something you should think about.
