**Authenticity** Thomas Dubay, 2009-12-17 Most people assume that the way to mend divisions and factions in our world marriages parishes dioceses religious orders is to engage in civil discussions attend local regional or national meetings draw up committee reports and recommendations To a point this may help but sad experience makes clear that these approaches alone never heal the polarization problems which plague our civil and ecclesial life The Biblical therapy is radically different and it achieves results This book explores the divine strategy in detail Research discovers in Scripture 40 or 50 themes that bear on discovering truth and recognizing that it has been solidly found We learn how we discern whether we are being led by the Holy Spirit or by our own unredeemed inclinations and desires whether it is the spirit of God or the prince of darkness that is operating in our disagreements and programs We find in these themes clear responses to key questions Why are there divisions and factions in the Church How are these polarizations to be healed What are the sure signs that some people have truth while others are in error What are the conditions for finding and maintaining a shared vision in marriage parishes dioceses religious orders the universal Church *The Publishers Weekly*, 1971
