## Maasai Of East Africa:

*Herd and Spear* Solomon Ole Saibull, Rachel E. Carr, 1981      **Being Maasai** Thomas Spear, Richard Waller, 1993-04-01  
Everyone knows the Maasai as proud pastoralists who once dominated the Rift Valley from northern Kenya to central Tanzania. But many people who identify themselves as Maasai or who speak Maa are not pastoralists at all but farmers and hunters. Over time many different people have become something else. And what it means to be Maasai has changed radically over the past several centuries and is still changing today. This collection by historians, archaeologists, anthropologists, and linguists examines how Maasai identity has been created, evoked, contested, and transformed from the time of their earliest settlement in Kenya to the present as well as raising questions about the nature of ethnicity generally.      **The Maasai of East Africa** Jamie Hetfield, 1996-01-15 Describes the customs, traditions, food, clothes, and homes of the Maasai people who live in the grasslands of eastern Africa.      *The Maasai of East Africa* Jamie Hetfield, 2005-12-15 Describes the customs, traditions, food, clothes, and homes of the Maasai people who live in the grasslands of eastern Africa.      **BEING MAASAI** Thomas T. Spear, Richard Waller, 1993 Many of the people who identify themselves as Maasai or who speak the Maa language are not pastoralists at all but farmers and hunters. Over time many people have become something else and what it means to be Maasai has changed radically over the past several centuries and is still changing today. This collection by historians, archaeologists, anthropologists, and linguists examines how Maasai identity has been created, evoked, contested, and transformed.      *Herd and Spear* Solomon Ole Saibull, Rachel Elizabeth Carr, Edward Moringe Sokoine, 1981      **Moving the Maasai** L. Hughes, 2006-01-10 This is the scandalous story of how the Maasai people of Kenya lost the best part of their land to the British in the 1900s. Drawing upon unique oral testimony and extensive archival research, Hughes describes the intrigues surrounding two enforced moves and the 1913 lawsuit while explaining why recent events have brought the story full circle.      **The Maasai of Matapato** Paul Spencer, 2004-03-01 When first published in 1988, this classic study was the first to relate the dynamics of the Maasai age organisation to the tensions within the family. Together these provide the twin strands of a man's career, opposed ritually and reflecting a fundamental ambivalence in Maasai thought. The analysis is illustrated with extensive case material from the Matapato, selected for this study as a typical Maasai group.      **Living in the African Savannah** Nicola Barber, 2007-10-26 Describes the customs and culture of the Maasai people of East Africa.      *Staying Maasai?* Katherine Homewood, Patti Kristjanson, P. Trench, 2009-02-08 The area of eastern Africa which includes Tanzania and Kenya is known for its savannas, wildlife, and tribal peoples. Alongside these iconic images lie concerns about environmental degradation, declining wildlife populations, and about worsening poverty of pastoral peoples. East Africa presents in microcosm the paradox so widely seen across sub-Saharan Africa where the world's poorest and most vulnerable populations live alongside some of the world's most outstanding biodiversity resources. Over the last decade or so, community conservation has emerged as a way out of

poverty and environmental problems for these rural populations focusing on the sustainable use of wildlife to generate income that could underpin equally sustainable development Given the enduring interest in East African wildlife and the very large tourist income it generates these communities and ecosystems seem a natural case for green development based on community conservation This volume is focused on the livelihoods of the Maasai in two different countries Kenya and Tanzania This cross border comparative analysis looks at what people do why they choose to do it with what success and with what implications for wildlife The comparative approach makes it possible to unpack the interaction of conservation and development to identify the main drivers of livelihoods change and the main outcomes of wildlife conservation or other land use policies while controlling for confounding factors in these semi arid and perennially variable systems This synthesis draws out lessons about the successes and failures of community conservation based approach to development in Maasailand under different national political and economic contexts and different local social and historical particularities
