Representative Speeches of General of the Army Douglas MacArthur, 2001-01-01
Memorable Quotations from Public Statements By General MacArthur I Shall Return The well known words I shall return while not made in a public address by General MacArthur deserve mention here among some of the General's better and lesser known remarks After leaving the Philippines March 12 1942 MacArthur made his way to Australia where he was pressed by reporters for a statement He issued the following Statement The President of the United States ordered me to break through the Japanese lines and proceed from Corregidor to Australia for the purpose as I understand it of organizing the American offensive against Japan a primary object of which is the relief of the Philippines I came through and I shall return MacArthur mentioned later that he made the famous remark casually enough but it became a psychological rallying point for the Filipinos and for many Americans When American forces and MacArthur returned to the Philippines in October 1944 the General's first words spoken into a microphone were People of the Philippines I have returned By the grace of Almighty God our forces stand again on Philippine soil It would be difficult to exaggerate the importance of the words I shall return and MacArthur's prestige with the Philippine people during the years 1942-44 For this book it was decided to include the compilation of the public addresses and in the case of each address to reproduce the full text The selection of addresses was limited to those which appear to have received widest attention and discussion

Annual Report of Major General Arthur MacArthur, U. S. Volunteers, Commanding, Division of the Philippines, Military Governor in the Philippine Islands Philippines. Military Governor, 1900-1901 (Arthur MacArthur), 1901 *Philippine-American Military History, 1902-1942* Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942 **Bound to Empire : The United States and the Philippines** H. W. Brands Professor of History Texas A & M University, 1992-09-17 From the day Commodore Dewey's battleships destroyed the Spanish fleet at Manila to the closing of the Subic Bay naval base in 1992 America and the Philippines have shared a long and tangled history It has been a century of war and colonialism earnest reforms and blatant corruption diplomatic maneuvering and political intrigue an era colored by dramatic events and striking personalities In *Bound to Empire* acclaimed historian H W Brands gives us a brilliant account of the American involvement in the Philippines in a sweeping narrative filled with analytical insight Ranging from the Spanish American War to the fall of Ferdinand Marcos and beyond Brands deftly weaves together the histories of both nations as he assesses America's great experiment with empire He leaps from the turbulent American scene in the 1890s the labor unrest the panic of 1893 the emergence of Progressivism the growing tension with Spain to the shores of the newly acquired colony Dewey's conquest of Manila the vicious war against the Philippine insurgents and the founding of American civilian rule As Brands takes us through the following century describing the efforts to civilize the Filipinos the shaping of Philippine political

practices the impact of General MacArthur and World War II and the Cold War he provides fascinating insight into the forces and institutions that made American rule what it was and the Republic of the Philippines what it is today He uncovers the origins of the corruption and nepotism of post independence Philippine politics as well as the ambivalence of American rule in which liberal principles of self determination clashed with the desire for empire and a preoccupation first with Japan and later with communism The book comes right up to the present day with an incisive account of the rise and fall of Ferdinand Marcos the accession and subsequent troubles of Corazon Aquino the Communist guerrilla insurgency and the debate over the American military bases Damn the Americans Manuel Quezon once said Why don t they tyrannize us more Indeed as Brands writes American rule in the Philippines was more benign than that of any other colonial power in the Pacific region Yet it failed to foster a genuine democracy This fascinating book explains why in a perceptive account of a century of empire and its aftermath
