Machiavelli's Children:

Machiavelli's Children Richard J. Samuels, 2019-06-30 Two late developing nations Japan and Italy similarly obsessed with achieving modernity and with joining the ranks of the great powers have traveled parallel courses with very different national identities In this audacious book about leadership and historical choices Richard J Samuels emphasizes the role of human ingenuity in political change He draws on interviews and archival research in a fascinating series of paired biographies of political and business leaders from Italy and Japan Beginning with the founding of modern nation states after the Meiji Restoration and the Risorgimento Samuels traces the developmental dynamic in both countries through the failure of early liberalism the coming of fascism imperial adventures defeat in wartime and reconstruction as American allies Highlights of Machiavelli's Children include new accounts of the making of postwar Japanese politics using American money and Manchukuo connections and of the collapse of Italian political parties in the Clean Hands Mani Pulite scandal The author also tells the more recent stories of Umberto Bossi's regional experiment the Lega Nord the different choices made by Italian and Japanese communist party leaders after the collapse of the USSR and the leadership of Silvio Berlusconi and Ishihara Shintaro on the contemporary right in each country

Machiavelli's Children Richard J. Samuels, 2003 Beginning with the founding of modern nation states after the Meiji Restoration and the Risorgimento Samuels traces the developmental dynamic in both countries through the failure of early liberalism the coming of fascism imperial adventures defeat in wartime and reconstruction as American allies Highlights of Machiavelli's Children include new accounts of the making of postwar Japanese politics using American money and Manchukuo connections and of the collapse of Italian political parties in the Clean Hands Mani Pulite scandal

Machiavelli's Children Edward Pearce, 1993 **The Life of Niccolò Machiavelli** Roberto Ridolfi, 2013-06-17 This biography of Macchiavelli is widely regarded as Ridolfi's masterpiece and is based on much material drawn from private and public archives It presents a fresh interpretation of Macchiavelli's career and writings and here for example the dating of the composition of such famous works as the Prince and the Mandragola is established for the first time This English translation when originally published in 1963 included numerous corrections and additions which brought it up to date with the most recent studies on Macchiavelli and his works

Machiavelli's Secret Raymond Angelo Belliotti, 2015-08-31 The political statesman Machiavelli tells us must love his country more than his own soul Political leaders must often transgress clear moral principles using means that are typically wrong even horrifying What sort of inner life does a leader who uses evil well experience and endure The conventional view held by most scholars is that a Machiavellian statesman lacks any inwardness because Machiavelli did not delve into the state of mind one might find in a politician with dirty hands While such a leader would bask in his glory the argument goes we can only wonder at the condition of the soul they have presumably risked in discharging their duties In Machiavelli's Secret Raymond Angelo Belliotti uncovers a range of clues in Machiavelli's writings that when pieced together reveal that the Machiavellian hero

most certainly has inwardness and is surely deeply affected by the evil means he must sometimes employ Belliotti not only reveals the nature of this internal condition but also provides a springboard for the possibility of Machiavelli's ideal statesman

Machiavelli's Gospel William B. Parsons, 2016 The leading interpretations of *The Prince* focus on Machiavelli's historical context but they give little attention to the source on which the moral and political thought of Machiavelli's sixteenth century was based the Christian Bible In this study of *The Prince* William Parsons plumbs Machiavelli's allusions to the Bible along with his statements on the Church and shows that Machiavelli was a careful reader of the Bible and an astute observer of the Church On this basis Parsons contends that Machiavelli's teaching in *The Prince* is instructively compared with that of the Church's teacher Jesus Christ Parsons thus undertakes what recent interpreters of *The Prince* have not done contrast Machiavelli's advice with the teaching of Christ The result is a new reading of *The Prince* revealing in Machiavelli's political thought a systematic critique of the New Testament and its model for human life Christ In this commentary on one of the greatest works on politics ever written Parsons not only challenges the most recent interpretations of *The Prince* but also sheds new light on the classic interpretation that Machiavelli was a teacher of immorality William Parsons is associate professor of political science at Carroll College

The Cambridge Companion to Machiavelli John M. Najemy, 2010-06-24 Niccol Machiavelli 1469-1527 is the most famous and controversial figure in the history of political thought and one of the iconic names of the Renaissance The Cambridge Companion to Machiavelli brings together sixteen original essays by leading experts covering his life his career in Florentine government his reaction to the dramatic changes that affected Florence and Italy in his lifetime and the most prominent themes of his thought including the founding evolution and corruption of republics and principalities class conflict liberty arms religion ethics rhetoric gender and the Renaissance dialogue with antiquity In his own time Machiavelli was recognized as an original thinker who provocatively challenged conventional wisdom With penetrating analyses of *The Prince* Discourses on Livy Art of War Florentine Histories and his plays and poetry this book offers a vivid portrait of this extraordinary thinker as well as assessments of his place in Western thought since the Renaissance

Machiavelliana Michael Jackson, Damian Grace, 2018-06-05 In *Machiavelliana* Michael Jackson and Damian Grace offer a comprehensive study of the uses and abuses of Niccol Machiavelli's name in society generally and in academic fields distant from his intellectual origins It assesses the appropriation of Machiavelli in didactic works in management social psychology and primatology scholarly texts in leaderships studies as well as novels plays commercial enterprises television dramas operas rap music Mach IV scales children's books and more The book audits surveys examines and evaluates this Machiavelliana against wider claims about Machiavelli It explains the origins of Machiavelli's reputation and the spread of his fame as the foundation for the many uses and misuses of his name They conclude by redressing the most persistent distortions of Machiavelli

Machiavelli's Legacy Timothy Fuller, 2015-10-28 Niccol Machiavelli's *The Prince* is one of the most celebrated and notorious books in the history of Western political thought

It continues to influence discussions of war and peace the nature of politics and the relation of private ethics to public duties Ostensibly a sixteenth century manual of instruction on certain aspects of princely rule and behavior The Prince anticipates and complicates modern political and philosophical questions What is the right order of society Can Western politics still be the model for progress toward peace and prosperity or does our freedom to create our individual purposes and pursuits undermine our public responsibilities Are the characteristics of our politics markedly different for better or for worse than the politics of earlier eras Machiavelli argues that there is no ideal transcendent order to which one can conform and that the right order is merely the one that has the capacity to persist over time The Prince s emphasis on the importance of an effective truth over any abstract ideal marks it as one of the first works of modern political philosophy Machiavelli s Legacy situates Machiavelli in general and The Prince in particular at the birth of modernity Joining the conversation with established Machiavelli scholars are political theorists Americanists and international relations scholars ensuring a diversity of viewpoints and approaches Each contributor elucidates different features of Machiavelli s thinking from his rejection of classical antiquity and Christianity to his proposed dissolution of natural roles and hierarchies among human beings The essays cover topics such as Machiavelli s vision for a heaven sent redemptive ruler of Italy an argument that Machiavelli accomplished a profoundly democratic turn in political thought and a tough minded liberal critique of his realistic agenda for political life resulting in a book that is in effect a spirited conversation about Machiavelli s legacy Contributors Thomas E Cronin David Hendrickson Harvey Mansfield Clifford Orwin Arlene Saxonhouse Maurizio Viroli David Wootton Catherine Zuckert

Machiavelli's Effectual Truth Harvey C. Mansfield,2023-09-21 Machiavelli master conspirator of effectual truth meets his equal in Montesquieu who takes the task of maintaining the modern world *Introducing Machiavelli* Patrick Curry,2015-06-18 Illustrated guide to the crucial Italian philosopher and author of The Prince Machiavellian is a popular byword for treachery and opportunism Machiavelli s classic book on statecraft The Prince published over 400 years ago remains controversial to this day because of its electrifying frankness as a practical guide to power Is it a how to manual for dictators a cynical philosophy of the end justifies the means or a more complex and subtle analysis of successful government Machiavelli was a loyal servant of the Florentine republic His opposition to Medici despotism led him to torture on the rack and exile and yet he chose as his model for the Prince the most notorious tyrant Cesare Borgia Introducing Machiavelli traces the colourful life of this paradoxical realist whose clear sighted patriotism made him the first truly modern political scientist Machiavelli is seen as central to the postmodern debate on Civil Society This book brings the creative turbulence of Renaissance Italy to life and presents a compelling portrait of a key figure of European political history **The Life and Times of Niccolò Machiavelli** Pasquale Villari,1898 *Seeking Real Truths: Multidisciplinary Perspectives on Machiavelli* Patricia Vilches,Gerald Seaman,2007-07-30 The thought and influence of Machiavelli have had a significant impact on a variety of academic disciplines including political science and government history literature language theatre

and philosophy Rather than inscribe Machiavelli within the boundaries of a single academic approach tradition or discourse this volume assembles multidisciplinary perspectives on his writings on government on his creative works and on his legacy The result is intended to appeal at once to generalists seeking baseline knowledge of Machiavelli and to specialists who are interested in critical views of Machiavelli that use a broad lens and that approach their subject from different angles

Wolf, 2018-04-13 This volume contains many of the most important texts in western political and social thought from the sixteenth to the end of the nineteenth century A number of key works including Machiavelli's The Prince Locke's Second Treatise and Rousseau's The Social Contract are included in their entirety Alongside these central readings are a diverse range of texts from authors such as Mary Wollstonecraft Sojourner Truth and Henry David Thoreau The editors have made every effort to include translations that are both readable and reliable Each selection has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contributions within the tradition The result is a ground breaking anthology with unparalleled pedagogical benefits

Machiavelli, Marketing and Management Phil Harris, Andrew Lock, Patricia Rees, 2025-06-30 This second fascinating and cutting edge text provides insight into the meaning and interpretation of Machiavelli and his works for management marketing and political thought and highlights their particular relevance to the manager and policymaker today By bringing together contributions from authors both academic and practitioner this book addresses a number of common themes relating to the influences and arguments of perhaps the first political scientist and advocate of sound management and marketing principles The volume covers a wide range of topics including modern management and leadership public affairs technology marketing populist and fascist governments and strategic corporate philanthropy Machiavelli Marketing and Management Revisited will be of great interest to all practitioners students and scholars of management marketing political science and public affairs

The Broadview Anthology of Social and Political Thought: From Machiavelli to Nietzsche - Modified eBook Edition Andrew Bailey, 2020-12-10

This modified eBook version of The Broadview Anthology of Social and Political Thought From Machiavelli to Nietzsche includes 90% of the material available in the print version This volume contains many of the most important texts in western political and social thought from the sixteenth to the end of the nineteenth century A number of key works including Machiavelli's The Prince Locke's Second Treatise and Rousseau's The Social Contract are included in their entirety Alongside these central readings are a diverse range of texts from authors such as Mary Wollstonecraft Sojourner Truth and Henry David Thoreau The editors have made every effort to include translations that are both readable and reliable Each selection

has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contributions within the tradition The result is a ground breaking anthology with unparalleled pedagogical benefits The Prince and the Art of War Niccolò Machiavelli,2004 Written in the sixteenth century and almost immediately a subject of controversy The Prince presents Machiavelli s advice to a ruler who would seek to maintain his power most effectively Pragmatism and expediency are seen to be more important considerations than ethical ones and a ruler must be prepared to take actions in the interest of public order that might conflict with purely private ethical concerns A good ruler must avoid being hated by his subjects however In The Art of War Machiavelli examines ancient military practices for their relevance to modern political issues and asserts that military power is at the base of all civil order With an Afterword by Oliver Francis

Feminist Interpretations of Niccolò Machiavelli Maria J. Falco,2010-11-01 **The New Machiavelli** Herbert George Wells,1910 *Cultures of Order* Katja Weber,Paul A. Kowert,2012-02-16 Cultures of Order explores how Germany and Japan each struggled to define an appropriate role for themselves in the postwar international order In Germany proponents of institutional constraint fought and generally prevailed over those who stressed national rights This pattern continued even as Germany achieved unification at the end of the Cold War In Japan however the national rights strategy was more successful and Japanese leaders have been less willing than their German counterparts to predicate international order on commitment to an emergent institutional framework In both cases the choices made by leaders were critical despite the constraints under which they operated In this book the authors utilize a constructivist theory of order emphasizing the distinctive ways language works to normative effect to explain these debates and how they have contributed to two very different cultures of order

Machiavellis Children Introduction

In today's digital age, the availability of Machiavellis Children books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Machiavellis Children books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Machiavellis Children books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Machiavellis Children versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Machiavellis Children books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Machiavellis Children books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Machiavellis Children books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Machiavellis Children books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Machiavellis Children books and manuals for download and embark on your journey of knowledge?
