

Thomas's dragon was a soft spring green in color and obviously very young. The wings were folded along its back and sides, and it trembled as Thomas reached down. Jeremy seemed pleased to see the small dragon and started to burn his nose again. At that very moment, the wind began to howl like never before, the sea to pound, and the rain to fall. Thomas picked up the dragon and carried it with him into the hut. He gave it a lot of fish, all that he had left, and a taste of fresh water.
