Copyright Office, 1974 Traditional Churches, Born Again Christianity, and Pentecostalism Yonatan N. Gez, 2018-09-08 In Kenya's vibrant urban religious landscape where Pentecostal and traditional churches of various orientations live side by side religious identity tends to overflow a single institutional affiliation While Kenya's Christianity may offer modes of coping with the fragilities of urban life it is subject to repeated crises and schisms often fueled by rumors and accusations of hypocrisy In order to understand the unfolding of Kenyans' dynamic religious identities and inspired by the omnipresent distinction between religious membership and church visits Yonatan N. Gez considers the complementary relations between a center of religious affiliation and expansion towards secondary practices Building on this basic distinction the book develops a theoretical innovation in the form of the religious repertoire model which maps individuals' religious identities in terms of three intertwined degrees of practice The Bride of Annwn Von Raven, 2010-02-14 At midnight a bride enters a Manhattan bar She's invisible to all except Tristan McGrath whom she approaches and asks why he abandoned her at the altar He's never seen her before but feels a powerful connection between them Before he can sort this out however two sinister supernatural figures attack them Tristan and the bride fight them off and flee but once outside a strange unseen force drags the bride down into the depths of the subway Tristan follows her down below He finds only a dying homeless man with a magic belt that's somehow related to this mystery and a portal that leads into a world that seems just like our own but is rich with the stuff of faerie tales both the wondrous and the horrific There he discovers a terrible danger that threatens not just this other world but our own and only he can stop it *The Darkbow Collection - Six Epic Fantasy Novels* Ty Johnston, 2014-11-18 This specially priced set collects the first six novels in the Kron Darkbow series of The Ursian Chronicles CITY OF ROGUES Book I of The Kobalos Trilogy Kron Darkbow seeks vengeance and he plans to have it no matter the costs Returning to the city of his birth after 15 years he hunts down the wizard responsible for the deaths of those he loved only to find out another was responsible for the murders That other is Belgad the Liar a former barbarian chieftain who is now boss of the city's underworld ROAD TO WRATH Book II of The Kobalos Trilogy Kron Darkbow has fled the city of Bond along with healer mage Randall Tendbones and professional duelist Adara Corvus Everywhere they turn are enemies Even the goal of their travels offers no peace for the group rides to the land of Kobalos where Randall must face that
