Congress Senate, 1945 *The Right's First Amendment* Wayne Batchis, 2016-03-30 Not so long ago being aggressively pro free speech was as closely associated with American political liberalism as being pro choice pro affirmative action or pro gun control With little notice this political dynamic has been shaken to the core The Right's First Amendment examines how conservatives came to adopt and co opt constitutional free speech rights In the 1960s free speech on college campuses was seen as a guarantee for social agitators hippies and peaceniks Today for many conservatives it represents instead a crucial shield that protects traditionalists from a perceived scourge of political correctness and liberal oversensitivity Over a similar period free market conservatives have risen up to embrace a once unknown but now cherished liberty freedom of commercial expression What do these changes mean for the future of First Amendment interpretation Wayne Batchis offers a fresh entry point into these issues by grounding his study in both political and legal scholarship Surveying six decades of writings from the preeminent conservative publication National Review alongside the evolving constitutional law and ideological predispositions of Supreme Court justices deciding these issues Batchis asks the conservative political movement to answer to its judicial logic revealing how this keystone of our civic American beliefs now carries a much more complex and nuanced political identity

Law and Democracy in the Empire of Force James Boyd White, H. Jefferson Powell, 2009-05-05 The authors of this book share a concern for the state of law and democracy in our country which to many seems to have deteriorated badly Deep changes are visible in a wide array of phenomena judicial opinions the teaching of law legal practice international relations legal scholarship congressional deliberations and the culture of contemporary politics In each of these intersections between law culture and politics traditional expectations have been transformed in ways that pose a threat to the continued vitality and authority of law and democracy The authors analyze specific instances in which such a decline has occurred or is threatened tracing them to the empire of force a phrase borrowed from Simone Weil This French intellectual applied the term not only to the brute force used by police and soldiers but more broadly to the underlying ways of thinking talking and imagining that make that sort of force possible including propaganda unexamined ideology sentimental clichés and politics by buzzwords all familiar cultural forms Based on the underlying crisis and its causes the editors and authors of these essays agree that neither law nor democracy can survive where the empire of force dominates Yet each manages to find a ground for hope in our legal and democratic culture H. Jefferson Powell is Frederic Cleaveland Professor of Law and Divinity at Duke University and has served in both the federal and state governments as a deputy assistant attorney general and as principal deputy solicitor general in the U S Department of Justice and as special counsel to the attorney general of North Carolina His latest book is *Constitutional Conscience The Moral Dimension of Judicial Decision* James Boyd White is Hart Wright Professor of Law emeritus and Professor of English emeritus at the University of Michigan His latest book is *Living Speech Resisting the Empire of Force* An extraordinary collection of provocative insightful and inspiring essays on the future of law and democracy in the twenty first century Geoffrey R Stone Edward H Levi Distinguished Service Professor of Law University of Chicago These thoughtful essays diagnose democracy's perilous present and more importantly they explore avenues to democracy's rescue through humanization of law Kenneth L Karst David G Price and Dallas P Price Professor of Law Emeritus UCLA Contributors Martin B Hmer Universidad de San Andres Buenos Aires Argentina M Cathleen Kaveny University of Notre Dame Howard Lesnick University of Pennsylvania The Honorable John T Noonan Jr Ninth Circuit Court of Appeals H.
