Radio London and Resistance in Occupied Europe Michael Stenton,2000-10-19 This book
examines British attempts to wage political warfare in the countries occupied by Germany in the Second World War It
describes the slow construction of political warfare machinery in London in terms of two twin difficulties Whitehall politics
and fundamental doubts about what a successful war should have as its purpose It then examines how political warfare
operated as a semi detached adjunct of diplomacy and how it engaged with the development of armed or active resistance in
France Denmark Poland and Yugoslavia This is a study of British political imagination in a period when Britain still acted as a
great power in control of her own decisions The experience of near defeat however left decision makers with dilemmas about
rhetoric and ideology as much as policy Their refusal to resolve these dilemmas until pushed by events meant political
warfare lacked the consistency and definition that might have given it greater force **Interwar East Central Europe,**
1918-1941 Sabrina Ramet,2020-05-07 This monograph focuses on the challenges that interwar regimes faced and how they
coped with them in the aftermath of World War One focusing especially on the failure to establish and stabilize democratic
regimes as well as on the fate of ethnic and religious minorities Topics explored include the political systems and how they
changed during the two decades under review land reform Church state relations and culture Countries studied include
Poland Czechoslovakia Hungary Yugoslavia Romania Bulgaria and Albania Sabrina Ramet has assembled a team of highly
respectable country specialists to offer a fresh and historiographically updated reading of interwar developments in East
Central Europe The volume is bookended by two excellent comparative and theoretically informed essays carefully weighing
the multiplicity of factors contributing to the instability of the interwar regimes As a result this survey succeeds admirably in
producing a nuanced narrative and analysis Maria Todorova University of Illinois at Urbana Champaign USA Sabrina Ramet
together with a roster of other eminent scholars has produced an exciting new history of interwar East Central Europe The
volume has a clear focus on the failure of democracy 1918 to 1941 and on the bedeviling issues of ethnic minorities and of
peasants the latter made up an overwhelming majority of much of the region s population The book will be of great interest

to political scientists and historians of East Central Europe and of Europe more generally and it is perfect for classroom use

perspective on these events examining not only the Nazi regime but also the complicity of the Hungarian state particularly its Gendarmerie in facilitating these deportations This book presents for the first time in English the essential unabridged primary sources on the concentration ghettoization and deportation of Hungarian Jews Of particular significance are progress reports of Gendarmerie Lieutenant Colonel L szl Ferenczy Hungary s liaison to Adolf Eichmann and the previously unpublished reports from two cities Ungv r and Szolnok These documents provide crucial insight into one of the darkest chapters in European history making this book a much needed chronicle of the Holocaust **Paperbound Books in Print**
