Maigret's World Murielle Wenger,Stephen Trussel,2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself *Maigret and the Lazy Burglar* Georges Simenon,2019-03-05 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr During a high profile hunt for the latest criminal gang to hit Paris Maigret is determined to track down the murderer of a quiet crook whom he cannot help but respect When the body of Honor Cuendot an old burglar acquaintance of Maigret s is found in the Bois de Boulogne with his

face bashed in Maigret is appalled that his superiors consider it a mere gangland killing And there s a personal element to this case as well Maigret rather liked Cuendot Instead of concentrating on the flashy bank robberies occupying the rest of his department Maigret decides to inquire into Cuendot s life and finds himself tied up in the bank robberies too along the way A deliberate involving murder mystery that only the likes of our trusty Inspector could solve Maigret and the Lazy Burglar reveals that Maigret s famous intuition is only one of his skills and that his incredible empathy is just as important for bringing about justice

Maigret, Simenon and France Bill Alder, 2012-12-01 Georges Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon s portrait of French society is historically accurate and the nature of the influence of the author s own class position and ideology on his fiction
