Varhola, 2011-01-31 The Civil War is a fascinating time period in American history Life in Civil War America 2nd Edition provides readers with fast facts and statistics about the 1860s from military life to civilian life in both the North and South Topics covered include social and economic realities of daily life common slang and idioms diets of the era including recipes food preparation and the impact of shortages and inflation on rations civilian dress military dress and technology of the time The book focuses on the era not just the events of the war Period illustrations and photos further illuminate the era Round in Circles Barry Kester, 2024-10-15 Round In Circles The Story of Rodgers Hammerstein's Carousel is intended not only for those who share the author's love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of Carousel from its beginning as Liliom a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning Liliom into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as harmonious as one might have thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel's songs have become well loved standards none more so than You'll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable anthem Carousel's story did not end with its 1945 Broadway opening After an initial London run and a nationwide tour in the States there was a film version The author relates the many problems that were encountered on that production The book examines

what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show's place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical Round in Circles The Story of Rodgers Hammerstein's Carousel is his first book
