ago Liss Jemison's life was mostly normal. Then a freaking demon crashed her roommate's party and normal was replaced by a chaotic terrifying world filled with half angels, demons, and way too much evil. Now Liss is the only powerless human among her friends, which makes her an enormous target. And a certain gorgeous grouch of a Nephilim just won't shut up about it. As the fiercest Nephilim warrior, Xavier Carranza is doing everything he can to prevent the release of the Titans and the overthrowing of Heaven and Hell. His overtime job of keeping Liss safe from demons is proving more and more difficult. What makes it even harder is his inescapable need to kiss her until they're both breathless. To make matters worse, it's Xavier's fault. They're targeting Liss because of him and the dark tendrils of the past he thought he'd escaped. Now the apocalypse is breathing down their necks. The literal fate of the world along with Heaven and Hell depends on whether Xavier and Liss can break a whole ton of rules to pull off a miracle. It's the worst possible time to fall for each other. Sacrifices will have to be made. Good thing she's not quite as human and powerless as they think. Because something wholly evil is on its way. Each book in the Unlocking His Heart series is **STANDALONE**. Imperfect Angel, Hell of an Angel, Not Always an Angel. **The Illvenie Way** Nicky J. Mason, 2025-10-28. A novel about reconnecting and lasting love with a neurodivergent central character. Second in the Highland Hearts series, it is set in Leicester and the Scottish Highlands. **Destination Haight-Ashbury** Bernice Bohnet, 2024-04-03. Due to bullying in school, fifteen-year-old Pearl Armstrong longs to leave her repressive and unfair life on a Canadian farm. Thus, she runs away to San Francisco, the epicenter of the 1960s counterculture movement. Pearl leaves behind her distraught mother and is introduced to mind-altering drugs, free love, communal living, war-time politics, racism, and unexpected friendships. It is only after her immersion into that unfamiliar and surreal world that Pearl belatedly realizes that the adventures and freedom she so desperately sought are neither as enticing nor exciting as she had once imagined. **Drake: The Cowboy and Maisy Love** Debra Clopton, 2018-09-18. She's full of life and made for adventure. He's built from family responsibilities and devotion to commitments. The last thing Drake Presley needs is to be attracted to the lavender-eyed beauty with a teasing tongue and no sense of what responsibility means. She's a roamer built for leaving. Only problem: he can't stop thinking about her, and despite the fact that they rub each other the wrong way, she seems to have decided that it's her all-fired duty to loosen him up. Free-spirited Maisy Love is determined to see all fifty states, traveling in her refurbished travel trailer, and all before she turns thirty-five. She has two years to get it done. Focused on her internet show, On The Road with Maisy Love, she's found the perfect place for her next show: The Goodnight Caf. The fact the place is full of handsome cowboys is an added bonus for her viewers. Trouble is, she's just tangled with a skunk, and a handsome cowboy with serious green eyes and her world just turned upside down. A relationship is not part of her plans. Too bad for her, Drake Presley is gorgeous, tempting, and despite smelling like a skunk, he draws her like a bee to honey water. Fireworks like never before are shooting off this summer, and it's not from the town celebration. Can these two opposites come to an agreement on the subject of love? **Maisy Hayes Is Not For Sale** Allayne L. Webster, 2025-09-02.
