## **Music To My Ear:**

Music to My Ears Neville Krasner, 2018-01-03 Liverpoolian Tommy Jackson's life has its ups and downs. He is being rehabilitated in Headley Court after losing a leg in Afghanistan and shares his hospital room with double amputee Jimbo and blind Cammy, all injured in combat. Tommy was recently married and has a baby daughter but he is soon to be discharged from the Rifles and left to find his own way in life. He has no job to go to and his young family is in danger of outstaying their welcome at his in-laws' small house. Steve Chalmers is an ex-marine invalided out of the service after serious injuries to his leg. His club Steve's Squaddies, of which Tommy was a founding member, takes on difficult youngsters to teach them self-defense on condition that they make some contribution to the local community. Murphy, thug leader of the eponymous Pipe Band because of their use of copper pipes to instill fear in the population of Wavertree, is Steve's sworn enemy and has promised to destroy the club and all it stands for. Will Murphy succeed in disrupting Steve's newfound family life and his visionary work with the youngsters he mentors?

**Co-Creating My Life** Yolanda and John Gonsalves, 2020-12-17 Strengthen your Relationship with Yourself. One Happy Nugget a Day. This book is an invitation to deliberately co-create your life, one joyful thought at a time. These 366 nuggets are simple, fun, and yet powerful as they inspire you to better ways of thinking, feeling, and living. They reinforce your own goodness and worthiness, thus raising your vibration. They have been written in a way that holds your attention on pure positive thoughts for as little as 68 seconds each time you read it. 68 seconds of pure focus is what it takes to create vibrationally. Using this book as your companion day after day and year after year will help you deepen your relationship with Yourself as well as enhance your perspective of life. Enjoy co-creating just for today.

Hurry! Hurry My Children Labertha Theresa Derensbourg-McCormick, 2011-07-27 Hopefully I've given an array of hope without some doubtful era of your life's existence as you juggle through its predicaments. May you be given light to any or some of your life's circumstances, dilemmas, or situations. One of the primary purposes of my writing is not to show you my play with words but to solely promote healing in some way. Although a number of my poems written don't directly relate to the title *Hurry Hurry My Children*, some urgency of each piece written can be readily applied to the reader's thought pattern. Thus being so, the actual poem *Hurry Hurry My Children* is a beckoning to the reader to prepare and make haste. I believe that as surely as this world had a beginning, it will have an ending. My mission is to make an attempt to prepare you for the Great Transformation. Inadvertently, the seriousness of those poems related to the title is somewhat tangled with a spark of humor. Given credence to the biblical scripture, "Blessed be the merry heart within my writings," humor is easily applied, sometimes unknowingly. 1 Thessalonians 3:13 To the end, he may stablish your hearts unblamable in holiness before God, even our Father at the coming of our Lord Jesus Christ with all his saints.

**Living Electronic Music** Simon Emmerson, 2007 Drawing on recent ideas that explore new environments and the changing situations of composition and performance Simon Emmerson provides a significant contribution to the study of contemporary music bridging history aesthetics and the ideas behind evolving performance practices. Whether created in a studio or performed on stage how does electronic music reflect what is live and living? What is it to perform live in the age of the laptop? Many performer composers draw upon a library of materials but others refuse to abandon traditionally created and structured electroacoustic work. Lying behind this maelstrom of activity is the perennial relationship to theory that is ideas principles and practices that somehow lie behind composers and performers' actions. The relationship of the body performing to the spaces around has also undergone a revolution as the source of sound production has shifted to the loudspeaker. Emmerson considers these issues in the framework of our increasingly acousmatic world in which we cannot see the source of the sounds we hear.

**Tippett on Music** Michael Tippett, 1995 Published to celebrate the composer's 90th birthday this volume contains Michael Tippett's essays and articles drawn from his two previously published collections *Moving into Aquarius* and *Music of the Angels* plus a selection of new material chiefly on Tippett's more recent works.
