Musicians In Exile:

Italian Jewish Musicians and Composers under Fascism Alessandro Carrieri, Annalisa Capristo, 2021-05-13 This book is the first collection of multi disciplinary research on the experience of Italian Jewish musicians and composers in Fascist Italy Drawing together seven diverse essays from both established and emerging scholars across a range of fields this book examines multiple aspects of this neglected period of music history including the marginalization and expulsion of Jewish musicians and composers from Italian theatres and conservatories after the 1938 39 Race Laws and their subsequent exile and persecution Using a variety of critical perspectives and innovative methodological approaches these essays reconstruct and analyze the impact that the Italian Race Laws and Fascist Italy s musical relations with Nazi Germany had on the lives and works of Italian Jewish composers from 1933 to 1945 These original contributions on relatively unresearched aspects of historical musicology offer new insight into the relationship between the Fascist regime and music **Performing Tsarist**

Russia in New York Natalie K. Zelensky, 2019-04-24 An examination of the popular music culture of the post Bolshevik Russian emigration and the impact made by this group on American culture and politics Performing Tsarist Russia in New York begins with a rich account of the musical evenings that took place in the Russian migr enclave of Harlem in the 1920s and weaves through the world of Manhattan s Russian restaurants Tin Pan Alley industry Broadway productions 1939 World s Fair Soviet music distributors postwar Russian parish musical life and Cold War radio programming to close with today s Russian ball scene exploring how the idea of Russia Abroad has taken shape through various spheres of music production in New York over the course of a century Engaging in an analysis of musical styles performance practice sheet music cover art the discourses surrounding this music and the sonic somatic and social realms of dance author Natalie K Zelensky demonstrates the central role played by music in shaping and maintaining the Russian migr diaspora over multiple generations as well as the fundamental paradox underlying this process that music s sustaining power in this case rests on its proclivity to foster collective narratives of an idealized prerevolutionary Russia while often evolving stylistically to remain relevant to its makers listeners and dancers By combining archival research with fieldwork and interviews with Russian migr s of various generations and emigration waves Zelensky presents a close historical and ethnographic examination of music s potential as an aesthetic discursive and social space through which diasporans can engage with an idea of a mythologized homeland and in turn the vital role played by music in the organization development and reception of Russia Abroad

Companion to Baroque Music Julie Anne Sadie, 1998 Baroque music not long ago considered the province of the specialist now occupies a central place in the interests of any music lover Not just Bach and Handel but Vivaldi and Monteverdi Couperin and Rameau Purcell and Sch tz are familiar and loved figures There is place now for a survey that offers fresh perspectives on these men and the times in which they lived That is what the Companion to Baroque Music is designed to offer to all those who are attracted by the music of that crucial century and a half 1600 1750 which we call the Baroque era

Julie Anne Sadie herself scholar performer and critic brings to this survey two novel features First it is underpinned by a keen awareness of music as sound intended to be played heard and relished by the listener as witness the group of articles contributed by well known specialists such as Nigel Rogers and David Fuller on the central issues of performance Secondly it is concerned not only with what the music is like but why it is as it is and the series of essays again by specialists such as Michael Talbot on Italy and Peter Holman on England which places each region s music in its social and cultural contexts helps to explain its character The lexicographical part of the book in which the life of every significant musician of the era is charted and his or her work outlined is subdivided geographically so as to convey with particular sharpness the special character of music making in each part of Europe and a system of cross references defines the ebb and flow of influences as composers travelled from city to city or court to court disseminating their tastes their styles their ideas A detailed chronology enables the reader to take in at a glance the sequence of musical events across the entire period The Companion to Baroque Music which contains a foreword by Christopher Hogwood offers both reliable reference material and lively enlightening reading to all those amateur and professional from the skilled practical musician to the person who has never played anything more demanding than a piece of stereo equipment who love the music of the era that culminated in the great masterworks of Bach and Handel

The Quest for Voice Lydia Goehr,2002 Concentrating on the music politics and philosophy of Richard Wagner Lydia Goehr addresses some fundamental questions of German Romanticism Is all music musical Is music made less musical by the presence of words What is musical autonomy How do composers avoid censorship How are composers affected by exile Can music articulate a politics for the future What is the relation between music and philosophy *Sounds of War* Annegret Fauser,2013-05-03 Classical music in 1940s America had a cultural relevance and ubiquitousness that is hard to imagine today and it played an important role as a cultural counterpoint to the military effort as musicians and politicians were in Henry Cowell s words shaping music for total war No other war mobilized and instrumentalized culture in general and music in particular so totally so consciously and so unequivocally as World War II Through author Annegret Fauser s in depth engaging and encompassing discussion in context of this unique period in American history *Sounds of War* brings to life the people and institutions that created performed and listened to this music

Stefan Wolpe and the Avant-Garde Diaspora Brigid Maureen Cohen,2012-09-13 Cohen traces a history of modernism in migration through the composer Stefan Wolpe from the Bauhaus to Black Mountain College *Music and Identity* Eric Ayisi Akrofi,Maria Smit,Stig-Magnus Thorsén,2006-06-01 Due to significant political and social changes over the last decade in their countries and worldwide many scholars in the Nordic nations and in Southern Africa have been researching on music and identity an area with a paucity of literature It is our hope that this book will be beneficial to scholars interested in the field of music and identity This volume is the result of the Swedish South African Research Network SSARN project funded from 2004 2006 by the Swedish International Development Cooperation Agency SIDA and the National Research Foundation

NRF of South Africa under the theme Music and Identity SSARN was founded by Stig Magnus Thorsen of the University of Gothenburg Sweden in 2002 when he invited Nordic and Southern African scholars to participate in a research group focusing broadly on the topic Music and Identity Publisher's website [Anneliese Landau's Life in Music: Nazi Germany to Émigré California](#) Lily E. Hirsch, 2019 A detailed and moving account of the life of Anneliese Landau who in Nazi Germany and later in migr California fought against prejudice to do notable work in music **Music and Exile**, 2023-03-06 How did exiled musicians from Germany and Austria who reached safety at Kitchener Camp in Britain find themselves in an Australian internment camp in New South Wales in 1940 What were the institutions that helped Jewish refugee musicians survive in wartime Shanghai What happened to Austrian musicians who were trapped in the Netherlands after the German occupation These and other questions and the larger stories they refer to form the compelling content of this book Other topics include the struggle of the Vienna operetta composers Granichstaedten and Katscher in USA the relationship of migr composer Berthold Goldschmidt to his native Hamburg and the reception of his exile opera Beatrice Cenci Studies of Mischa Spoliansky's music for the movie Mr Emmanuel 1944 and Franz Reizenstein's radio opera Anna Kraus form part of the fourteen essays on exile musical history in Britain Europe USA Australia and the Far East based on cutting edge archival research and interviews by leading scholars **Music and Exile in Francoist Spain** Dr Eva Moreda Rodriguez, 2016-01-28 The Spanish Republican exile of 1939 impacted music as much as it did literature and academia with well known figures such as Adolfo Salazar and Roberto Gerhard forced to leave Spain Exile is typically regarded as a discontinuity an irreparable dissociation between the home country and the host country Spanish exiled composers however were never totally cut off from the musical life of Francoist Spain 1939 1975 be it through private correspondence public performances of their work honorary appointments and invitations from Francoist institutions or a physical return to Spanish soil Music and Exile in Francoist Spain analyses the connections of Spanish exiled composers with their homeland throughout 1939 1975 Taking the diversity and heterogeneity of the Spanish Republican exile as its starting point the volume presents extended comparative case studies in order to broaden and advance current conceptions of and debates surrounding exile in musicology and Spanish studies In doing so it significantly furthers academic research on individual composers including Salvador Bacarisse Julián Bautista Roberto Gerhard Rodolfo Halffter Julián Orbán and Adolfo Salazar As the first English language monograph to explore the exiled composers from the perspectives of historiography music criticism performance and correspondence Eva Moreda Rodriguez's vivid reconception of the role of place and nation in twentieth century music history will be of particular interest for scholars of Spanish music Spanish Republican history and exile and displacement more broadly **Activism through Music during the Apartheid Era and Beyond** Ambigay Yudkoff, 2021-06-24 Activism through Music during the Apartheid Era and Beyond documents the grassroots activism of Sharon Katz the Peace Train against the backdrop of enormous diversity and the volatile social and political climate in South Africa during the early 1990s Among the

intersections of race healing and the soft power of music Katz offers a vision of the possibilities of national identity and belonging as South Africans grappled with the transition from apartheid to democracy Through extensive fieldwork across two countries South Africa and the United States and drawing on personal experiences as a South African of color Ambigay Yudkoff reveals a compelling narrative of multigenerational collaboration This experience creates a sense of community fostering relationships that develop through music travel performances and socialization In South Africa and the United States and recently in Cuba and Mexico the Peace Train s journey in musical activism provides a vehicle for racial integration and intercultural understanding

Accessibility, Diversity, Equity and Inclusion in the Cultural Sector Julie Bérubé, Marie-Laure Dioh, Antonio C. Cuyler, 2024-08-20 Advocating for the immersion of ADEI practices into the heart of art organizations this title links theory practice and context as a way to further enrich cultural communities and wield the deeply human power of art for real human impact

Literature in Exile Wheatland Foundation, 1990 In December 1987 a group of published novelists poets and journalists met in Vienna to participate in the Wheatland Conference on Literature The writers presented papers addressing their common experience that of being exiled Each explored different facets of the condition of exile providing answers to questions such as What do exiled writers have in common What is the exile s obligation to colleagues and readers in the country of origin Is the effect of changing languages one of enrichment or impoverishment How does the new society treat the emigre Following each essay is a peer discussion of the topic addressed The volume includes writers whose origins lie in Central Europe South Africa Israel Cuba Chile Somalia and Turkey Through their testimony of the creative process in exile we gain insight into the forces which affect the creative process as a whole
