Of Babies Grandparents And Dogs:

Of Babies, Grandparents and Dogs Kurt J. Wegner, 2002-10-01 The story of one physician's long and convoluted career His years were punctuated by fascinating and inspiring events The book is filled with medical curiosities autobiographical observations and personal philosophy

Children, Dogs and Education Mary Renck Jalongo, 2018-05-08 This book brings together authoritative information about the child dog bond as it is manifested with family dogs visiting therapy dogs and service dogs trained to assist children with disabilities Despite the widely accepted view that participating in a dog's care and interacting with dogs in behaviorally healthy ways is a route to becoming responsible and compassionate research on this complex dynamic is difficult to design time consuming to collect and challenging to analyze This volume synthesizes theory research and practice bringing all to bear upon child dog interactions in homes schools libraries and the community at large Children Dogs and Education serves as a handbook for a diverse group of adults who seek to build positive relationships between children and dogs parents families professional dog trainers teachers librarians mental health professionals health care professionals and university faculty The study of interactions between human and nonhuman animals has captured the imagination of an international community of researchers from many different fields and professions Even though dogs are ubiquitous in the lives of most children studies of children's interactions with dogs in families and communities are lacking Most of the previous research on the human canine bond has focused on adolescents and adults or even when younger children are the focus it has tended to rely on parents to speak for children There are three features of this book that make it unique First it goes beyond exploring the child dog bond to examine additional important issues including children's concepts of responsible care their ability to interpret dogs behavioral cues and their ideas about canine behavioral issues training Second unlike most other work to date it represents children's voices through cases interviews and drawings Finally the contributors to this edited work use their collective wisdom to draw educational implications and suggest direction in preparing the next generation of dog guardians

The Hobo and the Dog Tony B. Ratliff, Sr., 2013-02 Abandoned by neglectful owners a golden retriever must learn to fend for himself Over time he develops street smarts avoiding fast moving cars and net carrying humans But his newfound sense of caution can't quite overcome his loving nature He risks capture again and again as he helps those who need him After losing his wife and baby in one tragic moment Barfield feels heartbroken forsaken by God and utterly alone He becomes a drifter crisscrossing the country looking for answers and finding none When man and dog meet in a darkened boxcar Barfield has reached the limits of his endurance He hangs onto the side of the speeding train as it crosses the raging and dangerous waters of the New River Gorge of West Virginia preparing to leap to his death But the golden retriever cannot ignore a human in need The Hobo and the Dog explores the powerful influence of prayer pets and poetry With great sensitivity Tony B Ratliff Sr spins a tale of hope and healing you'll not soon forget

You Can Have a Dog When I'm Dead Paul Benedetti, 2017-02-18 Hamilton Spectator

columnist Paul Benedetti's essays paint a wonderfully funny portrait of family life today Paul Benedetti has a good job a great family and successful neighbours but that doesn't stop him from using it all as grist for a series of funny real and touching essays about a world he can't quite navigate Benedetti misses his son who is travelling in Europe misplaces his groceries and forgets to pick up his daughter at school He endures a colonoscopy and vainly attempts to lower his Body Mass Index all with mixed results He loves his long suffering wife worries about his aging parents and his three children who seem to spend a lot of time battling online trolls having crushes on vampires and littering their rooms with enough junk to start a landfill
