Options For British Foreign Policy In The 1990s:

Options for British Foreign Policy in the 1990s Christopher Tugendhat, William Wallace, 1988-01-01 **Foreign Policy in Comparative Perspective** Ryan K. Beasley, Juliet Kaarbo, Jeffrey S. Lantis, Michael T. Snarr, 2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text *Foreign Policy in Comparative Perspective* has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book's accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs *Understanding European Foreign Policy* Brian White, 2017-03-14 A broad ranging introduction to European foreign policy looking at the extent to which a concerted approach is emerging at EU level the extent of Europeanization of National Foreign Policy and the theoretical issues posed for theories of foreign policy and international relations more generally **British Foreign Policy and the Conflict in Sierra Leone, 1991-2001** Michael S. Kargbo, 2006 This book critically examines the content of British policy towards Sierra Leone from the outbreak of conflict there in 1991 to its official conclusion in 2001 It attempts to find answers to why Britain's New Labour government pursued a more proactive policy in Sierra Leone than its Conservative predecessors This is done by means of traditionalist but especially transformationalist theoretical approaches Analysis is made of the influence of major international organisations on British policy towards the Sierra Leone conflict as well as the impact of other important states As foreign policy is not created in a vacuum analysis is also made of the impact of the domestic setting especially bureaucratic institutions

Foreign policy in Comparative Perspective: Domestic and International Influences on State Behavior Ryan K. Beasley, 2013 In this much anticipated revision of their unique text the editors bring together fifteen top scholars to highlight the importance of both internal and external forces in foreign policymaking *Europeanization and Foreign Policy* Juha Jokela, 2010-12-14 This book examines the relationship between the European Union EU and its member states by analysing how the process of integration in the field of foreign policy is shaping member states' identities Focusing on the mutually constitutive aspects of the relationship between the EU and its member states Jokela argues that we need discourse analytic and comparative tools for analysing foreign policy in the EU context and draws on the contributions of poststructural international relations Providing empirically rich and comparative case studies that explore the impact of Europeanization of foreign and security policy on Finnish and British foreign policy discourses as well as these states' identities Jokela generates detailed knowledge about the interplay of national and supranational foreign policy discourses Making an important contribution to Europeanization studies foreign policy analysis and discourse analysis this book will be of strong interest to students and scholars of European politics comparative politics foreign policy and international relations **Thatcher's**

Diplomacy P. Sharp, 2016-04-30 A wide ranging readable and controversial assessment of Thatcher's foreign policy throughout her years in office 1979-90 Successive chapters cover her partnership with Lord Carrington the Falklands War her American policy her fights with the EC over money and institutional development her relationship with Gorbachev and the failure of her German policy In arguing that Thatcher's attempt to reconcile economic liberalism with political nationalism in a more assertive foreign policy prefigured the emerging statecraft of post Cold War great power politics Paul Sharp demonstrates why studying her successes and failures offers an invaluable guide for policy makers around the world today

Foreign Policy in the European Union Ben Soetendorp, 2014-06-11 Ben Soetendorp examines the extent to which individual member states each with their own history special interests and styles of foreign policy making still dominate the common foreign policy making process within the European Union The first part of the book reviews the diverse foreign policy patterns of the individual member states towards European integration describes the various styles of foreign policy and examines the institutional arrangements for joint foreign policy making created by the member states at EU level The second part looks more closely at the reality of foreign policy making in a number of case studies focusing on the diplomatic military and economic dimensions of European Union's foreign policy This structure and approach enable the reader to understand the reality of European foreign policy making to comprehend the relationship between the foreign policies of the member states of the EU and the foreign policy of the EU as a whole and to make a judgement as to the likely scenarios for the future Foreign Policy in the European Union is an important and accessible addition to the textbook literature on European integration that will be essential reading for undergraduate and Masters level courses on European integration within politics international relations European Studies and history degrees
