Pen Of Flame The Life And Poetry Of Catherine Baird:

Pen of Flame John C. Izzard, 2002 Blood and Fire, Tsar and Commissar Tom Aitken, 2007-01-01 Blood and Fire Tsar and Commissar examines the Salvation Army's first attempt to establish itself in Russia during the early decades of the twentieth century. It is a stirring story of faith, determination and endurance of a would-be law-abiding organization struggling despite police raids, death by epidemic and other catastrophes to work in a place where prior to the revolutions of 1917 it did not officially exist. Saved to Save and Saved to Serve Harold Hill, 2017-07-24 The Salvation Army has now been around for more than one hundred and fifty years having celebrated its sesquicentennial in 2015 with an International Congress in London. Over the years both the Army and the world in which it appeared have changed beyond recognition. This is a good time for the movement to stop and look back not just to celebrate but to see where it is today. The Army has not evolved in isolation from the world. Bringing its own history with it, it nevertheless belongs to the twenty-first century world as much as William Booth's little East End Mission belonged to nineteenth-century London. This book attempts to explore the interaction between mission and world as it has impacted the Army's beliefs and practices as well as the place it now occupies in the wider world. This critical and analytical study may also be of interest to those beyond the Army's ranks who would like to learn more about this remarkable organization. **I Knew William Booth** R. G. Moyles, 2007 A fresh look into the life of General William Booth, the founder of The Salvation Army. Shadow and Substance David Laeger, 2004 A Word in Season Crest Books Salvation Army National Headquarters, 2002 Contains a collection of short stories that have all appeared in the Salvation Army's periodical *The War Cry*. **The First Dysfunctional Family** A. Kenneth Wilson, 2004 Bible families are just like ours: loving, caring and as out of control and dysfunctional. Like them, we continue to complicate our lives by making unfair comparisons, showing conditional love, blaming and shaming and exhibiting perfectionism, compulsive and/or addictive behavior and denial. Sin, repeated, studied and mastered, continues to make the world a dangerous and unholy place. Where did our ancestors go wrong? Where did we? Soldiers of the Cross, Pioneers of Social Change Norman H. Murdoch, 2006 **Living Portraits**, 2004 *Living Portraits Speaking Still* is a compilation of Old and New Testament studies chosen from published *War Cry* articles. Fifteen Salvation Army officers provide thoughtful insights into timeless Scriptures that speak today to hearts and minds of those who are ready to receive the Word of God and allow its eternal truths to direct our daily living. **Israel L. Gaither** Henry Gariepy, 2006
