An Indigenous Peoples' History of the United States Roxanne Dunbar-Ortiz, 2014-09-16. New York Times Bestseller. Now part of the HBO docuseries *Extinct*. All the Brutes, written and directed by Raoul Peck. Recipient of the American Book Award. The first history of the United States told from the perspective of indigenous peoples. Today in the United States there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, *An Indigenous Peoples History of the United States* is an essential resource providing historical threads that are crucial for understanding the present. In *An Indigenous Peoples History of the United States*, Dunbar Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar Ortiz reveals, this policy was praised in popular culture through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who in 1836 wrote of the Seminoles: "The country can be rid of them only by

exterminating them Spanning more than four hundred years this classic bottom up peoples history radically reframes US history and explodes the silences that have haunted our national narrative An Indigenous Peoples History of the United States is a 2015 PEN Oakland Josephine Miles Award for Excellence in Literature Voices of a People's History of the United States Howard Zinn,Anthony Arnove,2011-01-04 Here in their own words are Frederick Douglass George Jackson Chief Joseph Martin Luther King Jr Plough Jogger Sacco and Vanzetti Patti Smith Bruce Springsteen Mark Twain and Malcolm X to name just a few of the hundreds of voices that appear in Voices of a People s History of the United States edited by Howard Zinn and Anthony Arnove Paralleling the twenty four chapters of Zinn s A People s History of the United States Voices of a People s History is the long awaited companion volume to the national bestseller For Voices Zinn and Arnove have selected testimonies to living history speeches letters poems songs left by the people who make history happen but who usually are left out of history books women workers nonwhites Zinn has written short introductions to the texts which range in length from letters or poems of less than a page to entire speeches and essays that run several pages Voices of a People s History is a symphony of our nation s original voices rich in ideas and actions the embodiment of the power of civil disobedience and dissent wherein lies our nation s true spirit of defiance and resilience
