Williams, Annelise Sorensen, Stephen
Keeling, Steven Horak**

Saintemarie Among The Hurons:

Sainte-Marie Among the Hurons Barbara McConnell, 1980 *Sainte-Marie Among the Hurons, 1639-1649* Ontario. Ministry of Tourism and Recreation, 199? **Historical Atlas of Canada: From the beginning to 1800** Donald P. (Peter) Kerr, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century **Sainte-Marie Among the Hurons, 1639-1649, Midland, Ontario** Ontario. Ministry of Tourism and Information, 19?? **Death in the New World** Erik R. Seeman, 2011-09-28 Reminders of death were everywhere in the New World from the epidemics that devastated Indian populations and the mortality of slaves working the Caribbean sugar cane fields to the unfamiliar diseases that afflicted Europeans in the Chesapeake and West Indies According to historian Erik R Seeman when Indians Africans and Europeans encountered one another they could not ignore the similarities in their approaches to death All of these groups believed in an afterlife to which the soul or spirit traveled after death As a result all felt that corpses the earthly vessels for the soul or spirit should be treated with respect and all mourned the dead with commemorative rituals Seeman argues that deathways facilitated communication among peoples otherwise divided by language and custom They observed asked questions about and sometimes even participated in their counterparts rituals At the same time insofar as New World interactions were largely exploitative the communication facilitated by parallel deathways was often used to influence or gain advantage over one s rivals In Virginia for example John Smith used his knowledge of Powhatan deathways to impress the local Indians with his abilities as a healer as part of his campaign to demonstrate the superiority of English culture Likewise in the 1610 1614 war between Indians and English the Powhatans mutilated English corpses because they knew this act would horrify their enemies Told in a series of engrossing narratives *Death in the New World* is a landmark study that offers a fresh perspective on the dynamics of cross cultural encounters and their larger ramifications in the Atlantic world **The Huron-Wendat Feast of the Dead** Erik R. Seeman, 2011-03-01 Two thousand Wendat Huron Indians stood on the edge of an enormous burial pit they held in their arms the bones of roughly seven hundred deceased friends and family members The Wendats had lovingly scraped and cleaned the bones of the corpses that had decomposed on the scaffolds They awaited only the signal from the master of the ritual to place the bones in the pit This was the great Feast of the Dead Witnesses to these Wendat burial rituals were European colonists French Jesuit missionaries in particular Rather than being horrified by these unfamiliar native practices Europeans recognized the parallels between them and their own understanding of death and human remains Both groups believed that deceased souls traveled to the afterlife both believed that elaborate mortuary rituals ensured the safe transit of the soul to the supernatural realm and both believed in the power of human bones Appreciating each other s funerary practices allowed the Wendats and French colonists to find common ground where there seemingly would be none Erik R Seeman analyzes these encounters using the Feast of the Dead as a metaphor for broader Indian European relations in North America His compelling narrative

gives undergraduate students of early America and the Atlantic World a revealing glimpse into this fascinating and surprising meeting of cultures

History of Canadian Catholics Terence J. Fay, 2002-05-09 In A History of Canadian Catholics Terence Fay relates the long story of the Catholic Church and its followers beginning with how the church and its adherents came to Canada how the church established itself and how Catholic spirituality played a part in shaping Canadian society He also describes how recent social forces have influenced the church Using an abundance of sources Fay discusses Gallicanism French spirituality Romanism Roman spirituality and Canadianism the indigenisation of Catholic spirituality in the Canadian lifestyle Fay begins with a detailed look at the struggle of French Catholics to settle a new land including their encounters with the Amerindians He analyses the conflict caused by the arrival of the Scottish and Irish Catholics which threatened Gallican church control Under Bishops Bourget and Lynch the church promoted a romantic vision of Catholic unity in Canada By the end of the century however German Ukrainian Polish and Hungarian immigrants had begun to challenge the French and Irish dominance of Catholic life and provide the foundation of a multicultural church With the creation of the Canadian Catholic Conference in the postwar period these disparate groups were finally drawn into a more unified Canadian church A History of Canadian Catholics is especially timely for students of religion and history and will also be of interest to the general reader who would like an understanding the development of Catholic roots in Canadian soil

Dispersed but Not Destroyed Kathryn Magee Labelle, 2013-05-12 Situated within the area stretching from Georgian Bay in the north to Lake Simcoe in the east the Wendat Confederacy flourished for two hundred years By the mid-seventeenth century however Wendat society was threatened by European disease and Iroquois attacks Dispersed but Not Destroyed depicts the creation of a powerful Wendat diaspora in the wake of their dispersal and throughout the latter half of the century Turning the story of the Wendat conquest on its head this book demonstrates the resiliency of the Wendat people and writes a new chapter in North American history

Playing Ourselves Laura Peers, 2007-03-15 Across North America hundreds of reconstructed living history sites which traditionally presented history from a primarily European perspective have hired Native staff in an attempt to communicate a broader view of the past Playing Ourselves explores this major shift in representation using detailed observations of five historic sites in the U.S. and Canada to both discuss the theoretical aspects of Native cultural performance and advise interpreters and their managers on how to more effectively present an inclusive history Drawing on anthropology history cultural performance

cross cultural encounters material culture theory and public history author Laura Peers examines living history sites as locations of cultural performance where core beliefs about society cross cultural relationships and history are performed In the process she emphasizes how choices made in the communication of history can both challenge these core beliefs about the past and improve cross cultural relations in the present
