Sal Si Puedes Cesar Chavez The New Ame:

Sal Si Puedes (Escape If You Can) Peter Matthiessen, 2014-03-31 In the summer of 1968 Peter Matthiessen met Cesar Chavez for the first time They were the same age forty one Matthiessen lived in New York City while Chavez lived in the Central Valley farm town of Delano where the grape strike was unfolding This book is Matthiessen s panoramic yet finely detailed account of the three years he spent working and traveling with Chavez including to Sal Si Puedes the San Jose barrio where Chavez began his organizing Matthiessen provides a candid look into the many sides of this enigmatic and charismatic leader who lived by the laws of nonviolence Sal Si Puedes is less reportage than living history In its pages a whole era comes alive the Chicano Black Power and antiwar movements the browning of the labor movement Chavez s fasts the nationwide boycott of California grapes When Chavez died in 1993 tens of thousands gathered at his funeral It was a clear sign of how beloved he was and how important his life had been A new foreword by Marc Grossman considers the significance of Chavez s legacy for our time As well as serving as an indispensable guide to the 1960s this book rejuvenates the extraordinary vitality of Chavez s life and spirit giving his message a renewed and much needed urgency *The Political Spirituality of Cesar Chavez* Luis D. Leon, 2014-11-14 The Political Spirituality of Cesar Chavez Crossing Religious Borders maps and challenges many of the mythologies that surround the late iconic labor leader Focusing on Chavez s own writings Le n argues that La Causa can be fruitfully understood as a quasi religious movement based on Chavez s charismatic leadership which he modeled after Martin Luther King Jr and Gandhi Chavez recognized that spiritual prophecy or political spirituality was the key to disrupting centuries old dehumanizing narratives that conflated religion with race Chavez s body became emblematic for Chicano identity and enfleshed a living revolution While there is much debate and truth seeking around how he is remembered through investigating the leader s construction of his own public memory the author probes the meaning of the discrepancies By refocusing Chavez s life and beliefs into three broad movements mythology prophecy and religion Le n brings us a moral and spiritual agent to match the political leader **Sal Si Puedes** Peter Matthiessen, 1971

Alaska travel writing since U S statehood in 1959 drawing on the works of six authors including Barry Lopez Jonathan Raban Tom Lowenstein and others Each work though disparate in style advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them In analyzing how these authors have succeeded in depicting the realities of alterities and where they have perhaps fallen short by more recent standards we may begin to carve out a system of ethics This is important as fresh waves of travel writers search for their own place in the environmental conversations surrounding the ever evolving 21st century Arctic and its place on the front lines of a changing climate The Salinas Valley Jennie Dennis Verardo,Denzil Verardo,1989
