Shalom At Last:

Shalom at Last Shlomy & Miriam Abramov, 2011-05-10 Shalom at Last: An Israeli's Journey to Jesus , **The Last Jews of Kerala** Edna Fernandes, 2008-06 In 70 CE the Roman capture of Jerusalem and the destruction of the Second Temple scattered a wave of Jewish immigrants across the globe One group attracted by the tropical environment and a history of lucrative trade chose to settle in the Kerala region of southwestern India Feted as foreign kings by Kerala s rajas and lavished with land privilege and autonomy they enjoyed a harmony that is rare in their history Despite living in peace with their Hindu Muslim and Christian neighbors they were plagued by division from within Separated by a narrow stretch of swamp an the color of their skin the White Jews of Mattancherry and the Black Jews of Ernakulam engaged in centuries of acrimonious dispute over who arrived first in India The resulting apartheid led to too few marriages too few children and an ever declining population In this book journalist Edna Fernandes details the history of Kerala s Jews as chronicled by written records and the personal accounts of its less than 50 remaining Jewish inhabitants Fernandes s narrative takes us on a voyage from King Solomon s Israel to the West coast of modern day India moving between the great intercontinental migrations of early modern history and the tragicomic feud of Jew Town which has brought Kerala s Jewry to its knees

The President'S Ultimatum John Cavi, 2011-06-08 In a final desperate attempt to establish his legacy the forty third president of the United states Gerald W Burke issues an ultimatum to the leaders of Israel and Palestine to resolve their conflict on his terms or else The ultimatum triggers a chain of unforeseen consequences that cause Burke to be marked for death by al Qaeda or is it al Qaeda Thats the question Kathy Romano Homeland Security Terrorism Analyst has to answer as she follows a labyrinth of clues that lead to a shocking discovery that can forever shatter the friendly relations between Israel and the United States At the center of the action is Ari Bugari an Israeli undercover agent recruited into al Qaeda after Iraq is invaded and defeated by the coalition forces On orders from the al Qaeda leadership Ari pursues President Burke across three continents Caught between his Israeli and al Qaeda masters Ari himself becomes the hunted quarry and is forced into hiding when he learns the explosive truth that underlies his relationship with Mossad Director General Shalom Eitan In this tale of adventure betrayal and redemption President Burke must do everything in his power to salvage the peace agreement and his presidency

Stories We Pray Joel Lurie Grishaver, 2012 Stories and informative background information for almost every prayer in the weekday and Shabbat siddur Perfect for teachers of prayer rabbis cantors service leaders junior congregation facilitators and camp educators looking to infuse worship with a sense of meaning and wonder Matches perfectly with stories in S fatai Tiftah Journeys Through the Siddur and Pirkei T filah Love'S Death and Rebirth Leah Ploni, 2016-12-02 Leah is twenty when she meets Mr Right Although he is only the second man she has ever dated Leah has no reason to believe Shalom is anything other than a good kind and generous soul Even as their relationship is just beginning and distance separates them Leah has no doubt that he is the man she will marry However when Shaloms behavior turns

abusive Leah is filled with self doubt confusion and depression Leah must now come to terms with the fact that the man she loves and wants to marry is abusive She is approached with confusion on all sides especially when her family doesnt want to believe in Shaloms abusive behavior Leah must look inside of herself to find the strength to overcome the situation In this novel based on true events a young Jewish woman who becomes embroiled in an abusive relationship over the course of several years must somehow find the strength to overcome the pain and allow her heart to open up again **The Tree of Life, Book Two** Chava Rosenfarb,2005-10-20 This volume describes the lives of the novel s protagonists in the Lodz Ghetto at the beginning of World War II Chava Rosenfarb herself a survivor of the Lodz Ghetto Auschwitz and Bergen Belsen draws on her own history to create realistic characters who struggle daily to retain a sense of humanity and dignity despite the physical and psychological effects of ghetto life Although horrendous experiences are depicted the light of faith in the human spirit shines through this novel s every page **International Legitimacy and the Politics of Security** Alan Craig,2013-06-20 Delegitimation has become the new battleground for Israel and the critics of Israeli military operations But the Israeli experience reveals a more general engagement where all states act strategically to build legitimacy for their policies and all resist attempts at delegitimation To understand these processes it is necessary to see how politicized moral and legal judgments shape both the use of force by states and our judgments about the means and the outcomes This is a book about legitimacy military lawyers and security More particularly it is about how the legitimacy of Israel s asymmetric military operations cannot be detached from the politics of law and ethics Sometimes it is enough that states respect the laws of armed conflict but at other times they may be held to a higher standard This does not happen in a vacuum Rather it is the product of political engagement in the murky politics of international legitimacy where standards are negotiable and some states get a harder time than others There is a strong theoretical analysis underpinning a discussion that constantly returns to the practical problems of modern armed conflict where combatants hide among civilians and states complain about the unrealistic expectations of human rights NGOs Here the law is unclear and there are choices to be made The book presents new research into the involvement of Israeli military lawyers in operational targeting decision making that has life and death consequences The case studies concern targeted killing during the Second Intifada Israel s 2006 Lebanon War the 2009 Operation Cast Lead in Gaza and finally the 2010 Israeli maritime interception of the Turkish Flotilla to Gaza The investigation identifies a struggle between the proponents of human rights in war and those who promote the rights of states to deploy military force for the security of their citizens But not all parties to a military conflict are held to the same standards In fact the analysis maps a complex political deployment of law and ethics in the strategic calculation of legitimacy costs and the diplomatic processes whereby they are contested with policy implications for those in charge of the design and execution of military operations *The Collected Sermons of Walter Brueggemann* Walter Brueggemann,2011-01-01 In addition to being one of the world s leading interpreters of the Old Testament Walter Brueggemann is a skilled and beloved

preacher This collection of sermons demonstrates Brueggemann's fidelity to biblical texts which come alive with meaning in our contemporary world Throughout Brueggemann also reflects on his preaching The book features a biblical index as well as a foreword by Samuel Wells of Duke University who writes Enjoy this volume from a master exegete a master theologian and a master preacher They really are neat sermons And they're for you Aqedah Jean-Pierre Fortin, Heiko Schulz, 2025-01-27 The Aqedah i.e. the story of the binding of Isaac by Abraham is a core text in all three Abrahamic religions and has been widely discussed in Judaism Christianity and Islam for centuries It still represents an intellectual moral and spiritual challenge for anyone who claims to be able to link morality and faith in God in a reasonably comprehensible way The contributions in this anthology address this challenge from philosophical theological and literary perspectives by considering exemplary problems epochs and authors pertaining to all three Abrahamic religions The first part contains seven contributions exploring the epistemic and/or philosophical dimensions of the Aqedah The second part contains nine essays on the history of the interpretation of the Aqedah from Israelite Jewish Christian and Islamic perspectives The three texts in the third and final part discuss narratological issues and reflections of the problem within modern Hebrew literature The volume complements and expands the existing scholarship on the subject above all through its consistently interreligious approach and the inclusion of current philosophical and literary sources and debates *California. Court of Appeal (1st Appellate District). Records and Briefs* California (State)., *My Emerald Leaf, Paradise Within* Sandy Smyth, 2012-05 This book is a collection of my poems hymn texts and stories of answered fervent prayer not only my prayers but also prayers shared by friends and acquaintances of faith and trust in a God who hears and responds to the concerns of our hearts My poems and hymn texts are prayers because they arise out of my time in communion with God often when I am the most broken They express deep grief and questioning as well as great joy For me natural beauty continues to draw me into a closer relationship with the Holy Spirit in my journey to wholeness Wholeness I believe is the desired state of being in which we experience the joy of Heaven on Earth moments in which we are in complete harmony with God ourselves and the entire creation to experience what I call Paradise Within symbolized for me by the Emerald Leaf Sandy Smyth M.A.R. Theological Studies Yale Divinity School M.A.R.S. Religious Studies Sacred Heart University B.A. Art Elmira College **The Collected Sermons of Walter Brueggemann - Three-Volume Set** Walter Brueggemann, 2020-01-28 These sermons are themselves versions of that dangerous but longed-for doxology and they move from ruthlessly honest cultural analysis to confident praise with such linguistic power that one can easily overlook the superb detail the impressive craft and the fine tooling employed by Brueggemann the master preacher The impact of these sermons comes not simply from the finished artwork but also from the artist's technique the preparation of the homiletic canvas the mix of pigment and the brush strokes from the foreword by Thomas G. Long Volume One In addition to being one of the world's leading interpreters of the Old Testament Walter Brueggemann is a skilled and beloved preacher This collection of sermons demonstrates Brueggemann's fidelity to biblical

texts which come alive with meaning in our contemporary world Throughout Brueggemann also reflects on his preaching Volume One features a biblical index as well as a foreword by Samuel Wells of Duke University who writes Enjoy this volume from a master exegete a master theologian and a master preacher They really are neat sermons And they re for you Volume Two This collection presents over fifty masterful sermons from one of the most trusted preachers today Walter Brueggemann Brueggemann continues his task of making the biblical text available to the church He sees preaching as a performance of God s good rule that in an act of utterance and receptive listening mediates the truthful joyous reality of that rule The sermons are organized according to the church year starting with sermons for Advent Christmas and Epiphany and followed by sermons for Lent and Easter and then Pentecost and Ordinary Time Sermons for other occasions such as ordinations weddings and graduations are also included along with a Scripture index Whether a pastor or a person in the pew the reader will find inspiration reflection and wisdom in Brueggemann s powerful words Volume Three This collection features sixty sermons by Walter Brueggemann preached mostly in the last five years For his final public appearances he preached at various churches and the Festival of Homiletics including his last address there in 2018 Most of these are based on lectionary texts with numerous sermons on Advent Christmas and Lent Easter texts Preachers will find inspiration in the handful of sermons covering special occasions or themes including confirmation evangelism and funerals

The Marranos of Spain Ben Zion Netanyahu,1999 Analyzes the degree of assimilation of the Spanish Conversos based on Jewish perceptions as reflected in responsa and in polemical and exegetical Jewish literature of the time 1391 1481 Rejects the present day view that many Conversos were Judaizers arguing that on the contrary most of them were at different stages of assimilation and Christianization and were even tinged with anti Judaism Stresses that in fact the majority of the Spanish Jewish community converted forcibly or not and the remaining Jews a minority felt uncertainty as to the Jewishness of the Conversos considering as a crypto Jew or anuss only a Converso who respected Jewish precepts in private and who tried to leave Spain in order to return to Judaism The fact that most Conversos did neither shows that most of them abandoned Judaism and that the Inquisition s persecution campaign was held not on religious but on racial and political grounds meant to destroy a successfully competing social group

Settling for Less Steven C. Dinero,2010-11-01 The resettlement of the Negev Bedouin Israel has been wrought with controversy since its inception in the 1960s Presenting evidence from a two decade period the author addresses how the changes that took place over the past sixty to seventy years have served the needs and interests of the State rather than those of Bedouin community at large While town living fostered improvements in social and economic development numerous unintended consequences jeopardized the success of this planning initiative As a result the Bedouin community endured excessive hardship and rapid change abandoning its nomadic lifestyle and traditions in response to the economic political and social pressure from the State and received very little in return

The Tree of Life, Book Three Chava Rosenfarb,2006-10-03 The third volume in this powerful trilogy *The Cattle Cars Are Waiting* follows the

tragic fate of the inhabitants of the ghetto Chava Rosenfarb herself a survivor of the Lodz Ghetto Auschwitz and Bergen Belsen draws on her own history to create characters who struggle daily to retain a sense of humanity and dignity despite the physical and psychological effects of ghetto life Although the novel depicts horrendous experiences the light of faith in the human spirit shines through every page Winner Georges Bugnet Award for Best Novel Writers Guild of Alberta **The American Jewish Chronicle** ,1916 Jacob's Wealth Paul Vrolijk,2011-05-10 To study the nature and role of material possessions in the Jacob cycle will result in a deeper understanding of the Jacob story itself within the wider context of Genesis and the Pentateuch **Princeton Alumni Weekly** ,1973 **The American Hebrew** ,1928
