Church & Synagogue Libraries ,1997 A Portrait of Jesus T. A. Prickett,2010-08-03 The impulse to publish these sermons came to me after I had successfully published my book For Our Age of Anxiety based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus **The Case for Faith** Lee Strobel,2000 Finds the author investigating the nettlesome issues and doubts of the heart that threaten faith Eight major topics are addressed including doubt the problem of pain and the existence of evil Publisher s website **Men of Integrity** Various Authors,1999-09-12 Drawing on the themes of the Promise Keepers movement this daily devotional guide brings compelling stories timely quotes practical help and personal challenges together in an easy to read easy to apply format Weekly themes include honoring Christ sexual purity meaningful work handling anger making wise decisions self discipline and much more The devotionals are drawn from diverse sources and feature such names as Billy Graham Gary Smalley John Trent Luis Palau Stuart Briscoe Phillip Yancey C S Lewis along with hundreds of other writers and pastors athletes and administrators businessmen and entrepreneurs and anonymous Promise Keepers from every possible walk of life **Global Faith, Worldly Power** John Corrigan,Melani McAlister,Axel R. Schäfer,2022-09-15 Assessing the grand American evangelical missionary venture to convert the world this international group of leading scholars reveals how theological imperatives have intersected with worldly imaginaries from the nineteenth century to the present Countering the stubborn notion that conservative Protestant groups have steadfastly maintained their distance from governmental and economic affairs these experts show how believers ambitious investments in missionizing and humanitarianism have connected with worldly matters of empire the Cold War foreign policy and neoliberalism They show too how evangelicals international activism redefined the content and the boundaries of the movement itself As evangelical voices from Africa Asia and Latin

America became more vocal and assertive U S evangelicals took on more pluralistic multidirectional identities not only abroad but also back home Applying this international perspective to the history of American evangelicalism radically changes how we understand the development and influence of evangelicalism and of globalizing religion more broadly In addition to a critical introduction and essays by editors John Corrigan Melani McAlister and Axel R Sch fer are essays by Lydia Boyd Emily Conroy Krutz Christina Cecelia Davidson Helen Jin Kim David C Kirkpatrick Candace Lukasik Sarah Miller Davenport Dana L Robert Tom Smith Lauren F Turek and Gene Zubovich
