Luke Larry Sibley, 1988 **Books in Series, 1876-1949** R.R. Bowker Company, 1982 Christian Basics Bible NLT Martin H. Manser, Michael H. Beaumont, 2017-10-03 Finalist for the 2018 Christian Book Award for Bible of the Year New to the Bible Either because you have become a Christian recently or because somehow the Bible seems to have passed you by Then this edition is for you Whether you are reading the Bible for the first time or not its variety of material not to mention its length can seem overwhelming It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith The Christian Basics Bible is filled with features designed to help readers especially those new to the Bible connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives By delivering the right amount of both information and application The Christian Basics Bible can become the catalyst for living a vibrant Christian life The Usefulness of Scripture Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian In both of these areas the contributions bear in mind Wall's conviction that academic study and spiritual life need not in fact should not be kept apart The contributors to this volume include Frank Anthony Spina Andrew Knapp Shannon Nicole Smythe Daniel Castelo Anthony B Robinson Eugene E Lemcio Sara M Koenig Jack Levison Laura C S Holmes John Painter and Stephen E Fowl Studies in Luke's Gospel Charles Seymour Robinson, 1889 Critical Studies in St. Luke's Gospel Colin Campbell, 1891 Spiritual Practices of Jesus Catherine J. Wright, 2020-10-06 Luke's Gospel was written to transform Exploring Luke's portrait of the spirituality of Jesus Catherine Wright focuses on the themes of simplicity humility and prayer in Jesus' life and teaching considering how readers have understood and employed key Lukan passages for spiritual formation from the first century and the ancient church to today **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection

addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do

John the Baptist as a Rewritten Figure in Luke-Acts Christina Michelsen Chauchot, 2021-03-14 *John the Baptist as a Rewritten Figure in Luke Acts* compares the Gospel of Luke s account of John s ministry with those of Matthew Mark and John to make the case for the hypertextual relationship between the synoptic gospels The book is divided into three parts Part I situates the Gospel of Luke

within the broader context of biblical rewritings and makes the general case that a rewriting strategy can be detected in Luke while Parts II and III combined offer a more detailed and specific argument for Luke's refiguring of the public ministry of John the Baptist through the use of omitted, new, adapted, and reserved material. While the two-source hypothesis typically presupposes the independence of Luke and Matthew in their rewritings of Mark and Q, Chauchot argues that Luke was heavily reliant on Matthew as suggested by the L-M hypothesis. Approaching the Baptist figure in the synoptic gospels from a literary critical perspective, Chauchot examines test cases of detailed comparative analysis between them to argue that the Gospel of Luke makes thematic changes upon John the Baptist and is best characterized as a highly creative reshaping of Matthew and Mark. Making a contribution to current research in the field of New Testament exegesis, the book is key reading for students, scholars, and clergy interested in New Testament hermeneutics and Gospel writing.
