Why the Catholic Church Must Change Margaret Nutting Ralph, 2014-09-04 Why do a third of the people raised Catholic in the United States no longer worship as Catholics Why has the Catholic Church lost a credible teaching voice for many young people Does the fault lie entirely with those individuals and with the secular culture In *Why the Catholic Church Must Change* Margaret Nutting Ralph first affirms that Catholics are called to seek the truth and to follow their well formed consciences not simply to submit mind and will to the teachings of the Magisterium She then argues that the Catholic Church which has been open to change in the twentieth century must continue to be open to change in the twenty first century change in some of its teachings and in some of its practices The Catholic Church has changed in the past and is being called to change in the present Before that change can occur the Church must enter into respectful dialogue about pertinent issues such as contraception women s ordination and homosexuality and present practices Ralph contends that Catholic culture not just secular culture needs a critical examination *Why the Catholic Church Must Change* engages the reader to enter into a necessary yet reasoned conversation about pertinent issues such as contraception women s ordination and homosexuality and present practices surrounding the Catholic Church Margaret Nutting Ralph critically examines pertinent topics of not just the secular culture but the Catholic culture that affects both families and culture as a whole and presents a model for how to discuss difficult issues in a respectful and thoughtful manner Ralph successfully discusses the issues surrounding the Catholic Church with awareness that the church is not the whole body of Christ

The Good News Of The Holy Spirit Kevin Perrotta, Gerald Darring, 2010-06 This Bible study for teens Acts *The Good News of the Holy Spirit* is an excellent way to introduce young adults to how the Church began Like the early Jewish followers of Jesus the Spirit leads us also into drama and conflict God challenges us to change He challenges us to move beyond a simplistic childhood understanding of him and develop a mature adult faith He wishes us to serve him in new ways and summons us to go beyond our limited expectations of how much we might love how selflessly we might serve what suffering we might endure He wishes us to experience his powerful help as we grow up He wishes to work through us to make Jesus known He wishes us to have an influence on the people around us In all these respects reading Acts leads us to question our lives and open our hearts to a new cooperation with the Spirit of God Designed as a guided discovery *Six Weeks with the Bible for Catholic Teens* introduces high school students to different books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today The series provides students with a clear explanation of Biblical text opportunities for prayer and a means to enter into conversation with God

The Women in the Gospel Of John: the Divine Feminine , What's Good about this News? David Lyon

Bartlett, 2003-01-01 In this study of the Gospels and the book of Galatians David Bartlett explores how to reconcile the biblical text's message to our contemporary context and a particular congregation's character and need. While as he shows important continuities exist in the way the good news is understood throughout the New Testament, precisely what it looks like and how Christians respond to it differs between Mark, Paul, John and the rest of the writers. Consequently, he demonstrates preachers have options as they try to discern what news a congregation needs to hear on a particular Sunday. Including sample sermons, *What's Good about This News* shows how each of these biblical texts remains a redemptive word for today's people.
