Matthew's Account of the Massacre of the Innocents in

Light of its Reception History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2:16-18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2:16-18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

Lilith Ada Langworthy Collier, 2022-11-13 In *Lilith* Ada Langworthy Collier crafts a thought provoking narrative that intertwines themes of gender spirituality and the quest for identity The novella employs a rich lyrical style marked by vivid imagery and allegorical elements reflecting the late 19th century fascination with mysticism and the supernatural As the protagonist navigates her tumultuous relationship with the enigmatic figure of Lilith the text challenges the patriarchal narratives prevalent in biblical exegesis elevating female experience and empowerment in a world defined by male authority Ada Langworthy Collier a pioneering author and advocate for women's rights drew upon her own experiences and the socio-political climate of her time to write *Lilith* Influenced by the burgeoning feminist movement and her engagement with the spiritualist circles of the era Collier emerged as a voice for those marginalized by traditional narratives Her background as a poet and a writer enriched her storytelling allowing her to explore complex themes with nuance and sensitivity This book is an essential read for those interested in feminist literature biblical reinterpretation and the spiritual dimensions of identity Collier's insightful portrayal of Lilith resonates profoundly today making it a timeless exploration of the struggles faced by women seeking autonomy and self-definition Readers will find in *Lilith* not only a narrative but a profound commentary on the persistence of gender dynamics across time

Willett, 1880

Baby-Land Almira Louisa Corey Mrs. Frink, 2021-05-19 In *Baby Land* by Almira Louisa Corey Mrs Frink the reader is transported into a whimsical world where babies have their own society Written in a charming and playful style this book explores the imaginative concept of a land ruled by infants and the adventures they embark on Mrs Frink's work can be categorized as a piece of children's literature reflecting the creativity and innocence of childhood while also engaging adult readers with its clever storytelling and humorous tone Set in a literary context of the 19th century *Baby Land* offers a unique and delightful experience for readers of all ages The book is not only entertaining but also serves as a commentary on societal norms and expectations through the lens of children's perspectives Almira Louisa Corey Mrs Frink a mother herself

drew inspiration from her own experiences raising children to create this imaginative world of Baby Land Her deep understanding of childhood play and imagination shines through in this literary work making it a timeless classic for readers of all generations I highly recommend Baby Land to those seeking a heartwarming and thought provoking read that celebrates the joys of childhood and the power of imagination **Lilith (Musaicum Vintage Classics)** Ada Langworthy Collier,2020-12-17 Lilith is a rendition of the old rabbinical legend of Lilith the first woman whose life story was dropped unrecorded from the early world and whose home hope and Eden were passed to another woman The author warns us in her preface that she has not followed the legend closely In her hands Lilith becomes an embodiment of mother love that has existed forever and it is her name that lends its itself to the lullabies repeated to young children The author not only freely changes the legend of Lilith but is free with the unities of her own story It is full of internal inconsistencies in narrative and anachronisms The legend is to the effect that God first created Adam and Lilith equal in authority that the clashing this led to was so great that Lilith was cast out from Eden and the marital experiment tried again on a different principle by the creation of Eve **Queries** ,1888 **The Porto Rico School Review** José Padín,1917 **Current Literature** Edward Jewitt Wheeler, Frank Crane,1889 *Heath Readings in the Literature of England* ,1927 HEATH READINGS IN THE LITERATURE OF ENGLAND TOM PEETE CROSS, PH D.,1927 **Littell's Living Age** ,1859 *The Living Age* ,1859 The Renaissance and the Reformation.
