**Martin Luther's Hidden God** Timothy Scott Landrum, 2022-04-05 The presence of evil in a world said by God to be good is perhaps humanity's most vexing challenge Where is God in all this is a universal cry The answers are as numerous and varied as those offering them but little is accomplished it seems to ease the pain of a God who doesn't behave according to law logic or rationale Into this melee Martin Luther waded with his distinction between God preached and God not preached and hiding Though not always appreciated Luther's thought speaks to the various dimensions of the problem and proclaims a definitive answer Martin

Luther's Hidden God traces the origins of Luther's thought on the matter explores how his teaching compliments and conflicts with the teaching offered by certain post Reformation Lutheran theologians and philosophers of religion before distilling his thought into a preliminary apologetic for the problem of evil and divine hiddenness that spans the breadth of the issue from a uniquely Lutheran perspective *Martin Luther and His Legacy: A Perspective on 500 Years of Reformation* Roy Long, 2017 The year 2017 marks the 500th anniversary of the beginning of the Reformation On this occasion the Council of Lutheran Churches in Great Britain presents Martin Luther and His Legacy to tell the story of the development of Lutheran communities in the UK This historical survey takes the reader through 500 years of Lutheranism concluding with a picture of the Lutheran church as it exists in Great Britain today **Martin Luther as He Lived and Breathed** Robert Kolb, 2018-10-09 Luther's oft recounted life made a profound impact on his contemporaries Some revered him some hated him This volume provides a brief narrative of the unfolding events that took place from his birth to a young entrepreneurial family through his turbulent career as university professor and public figure to his death while on a mission to reconcile a feuding princely family Following parts of this narrative come interviews with friends and foes of his time taken from a variety of sixteenth century sources that present this dominating reformer and the passions that possessed both those who found him to be God's end time prophet and those who hated all that he stood for because they believed it was destroying their world **Wesley for Armchair Theologians** William J. *The Niebuhr Brothers for Armchair Theologians* Scott R. Paeth, 2013-12-23 This volume offers a compelling introduction to the life times and theological thought of H Richard and Reinhold Niebuhr the two most important American theologians of the twentieth century Although the Niebuhr brothers shared the same heritage and experienced many of the same formative moments their thought diverged at key points as their lives and careers developed Scott R Paeth's expert introduction to the Niebuhr brothers explores this history and the enduring influence of the Niebuhrs on religious and political thought This lively introduction which includes witty illustrations from Ron Hill is an essential resource for understanding these enduring theological figures

*Dorothy Day for Armchair Theologians* Elizabeth L. Hinson-Hasty, 2014-01-01 Dorothy Day was more than an armchair theologian enjoying casual conversations about theology with friends from the comfort of her easy chair She was a theologian with street cred Day commands respect because of her experience living among with and as the marginalized Her awareness and knowledge of the challenges faced by people living in poverty stemmed from and were shaped by her relationships with them The presumed distance of academic objectivity does not apply to her story She did more than think and talk about her faith she embodied it She did more than challenge the failures of the Christian church or surrounding local community to address the needs of people in poverty she created new community from the introduction

*Prophetic Liturgy* Tércio Junker, 2014-02-07 The primary purpose of Prophetic Liturgy is to inquire into the prophetic dimension of the liturgy Some questions addressed in the book are How can a liturgy be prophetic How can liturgy form and transform individuals and communities In which sense does the liturgy facilitate a living participation in socio political economic life How does the sacramental practice challenge the church to mediate God's gifts of grace love justice and mercy to the world Possible answers for these questions begin to emerge as we develop an understanding of religious praxis as an active and dynamic prophetic action in which the community of faith claims its identity promotes an engaged faithful Christian life and affirms the sacramental life of the church as a source of formation and inspiration for prophetic praxis mediating God's gift for the life of the world There is risk in presenting an option for prophetic praxis in that it may go beyond the comfort zone of a community and engender spiritual and political alienation The most challenging ethical hope of this book is to provide the worshiping community with prophetic awareness of socio economic injustice while at the same time preserving the community's historical cultural identity its religious values

and its sacramental spirituality      *The Self-Donation of God* Jack D. Kilcrease, 2013-03-20 In *The Self Donation of God* Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God's promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3:15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection      **You Can't Ask That!** Christian Piatt , 2020-10-06 Have you ever had a burning question that seemed off limits or inappropriate to ask about Christianity the Bible or Jesus *You Can't Ask That* gathers 50 of the most provocative challenging or otherwise taboo questions that many of us have wondered about but few have actually asked Edited by Christian Piatt who once had a bible thrown at his head for asking too many questions during a Sunday school class this collection considers nothing off limits and takes the hard questions seriously Responses from theology professors pastors lay leaders and other progressive Christians range from the personal to the profound and from sarcastic to deeply touching By offering multiple perspectives to those banned questions readers can craft their own answers Better yet they'll understand that questioning faith is not taboo it's the foundation of a strong and growing faith      *Getting Jesus Wrong* Matt Johnson, 2017-03-20 Jesus is not a life coach or a blessing dispenser but we often treat him like he is We get burned out on some caricature of Jesus a caricature that often bears an uncanny resemblance to ourselves and become mired in anxiety pride or despair *Getting Jesus Wrong* presents the biblical Christ and reassures disillusioned people that this      *Radical Lutherans/Lutheran Radicals* Jason A. Mahn, 2017-06-09 Can a Lutheran be sociopolitically radical Can a radical be theologically and faithfully Lutheran This book answers yes Written by teacher scholars from five ELCA colleges *Radical Lutherans/Lutheran Radicals* follows Martin Luther Søren Kierkegaard Dietrich Bonhoeffer Dorothee Soelle and others as they sink deep roots in the Lutheran Christian tradition while simultaneously resisting the status quo with their words their deeds and sometimes their very lives Each chapter shows how the Lutheran theologian returns to the roots of Luther's life and writing and puts them toward radical social and political ends including critiques of cultured Christianity resistance to state or market preferential options for the poor and suffering deep commitments to peace justice and ecological sustainability and direct nonviolent resistance The book highlights theological themes popularized by Luther justification by grace two kingdoms thinking theology of the cross and vocation and then shows how these theological staples when deeply

and creatively retrieved can inform political protest intentional living and other countercultural movements The compelling claim throughout is that Luther s theology at its root has resources for radical political participation and social transformation as exemplified by the writings and lives of these radical Lutherans Lutheran radicals
